No Comebacks:

No Comebacks Frederick Forsyth, 2012-10-02 A collection of taut electrifying tales from the master of international intrigue 1 New York Times bestselling author Frederick Forsyth A wealthy philanderer plots to murder the husband of the woman he loves A mild mannered banker faces off in a fight to the death against a monstrous fish A thief with a plan to hijack tons of French brandy finds that no plan is perfect in practice and a judge enters a friendly game of poker with two other passengers on a train only to find himself playing a dangerous hand With these ten thrilling short stories of betrayal and blackmail of murder and revenge manipulators and machinations Frederick Forsyth proves once again that when it comes to edge of your seat storytelling no one else comes close

Just Once, No More Charles Foran, 2025-05-13 In this vulnerable honest beautiful memoir award winning writer Charles Foran offers a brief and powerful meditation on fathers and sons love and loss even as his own father approaches the end of life Luminous Wise and moving Yann Martel Dave Foran was a formidable man of few words from a different era than his sensitive literary son Charlie As a younger person Dave had lived alone for months in the bush overcome snow blindness hauled a dead body across a frozen lake on a dogsled dodged bullets in a bar and gone toe to toe with a bear Some aspects of his life were rollicking while others were more restrained A decent father and a devoted husband Dave was also emotionally distant prone to laconic cynicism and a changeable mood As Charlie writes He struggled most days of his life with wounds he could not readily identify let alone heal The year Charlie turned 55 his 83 year old father began a slow final decline and Charlie surprised himself by wanting to write about their relationship On the surface his motivation was to reassure his father that he was loved But there was also a deeper desire at work Late into the middle of my own lifespan Charlie writes sadness took hold of my being I wanted to say so frankly never mind how uncomfortable it made me In spare haunting prose *Just Once No More* pulls on these delicate threads unravelling a fascinating personal story and revealing its poignant universality

No Way Back Alfred George, 2018-02-05 When I woke up in the mornings and opened my eyes all I could see was the street and hard times no one to turn to and nowhere to really go but to the dump or fishing or stealing and most days I did all three I had no one to look up to so I made my own way Sometimes one day would be easier than another but every day was a bit of hell Every day I got an ass beating about something I did or something I did not do I had no say about anything I was always wrong in my father s and mother s eyes and the more they beat me the meaner I got with them and with everybody else My sisters hardly ever got beaten I got all the beatings for the family so I really got in a f it kind of attitude I began to look for the beatings every day My life was really in bad shape

Experts Versus Laymen Barney Glaser,2017-12-02 This book studies the relationship and balance of power between experts and laymen It is rooted in the author s analysis of customer and contractor interactions in the housing industry but relevant to other kinds of expert layman relationships Many of the conflicts between customer and contractor noted by the author also occur in lawyer client student teacher and doctor patient relations The author s research is structured around three core categories pertaining to experts relations with laymen choosing experts power symmetry and what he calls

elsewhereism The first category has to do with seeking experts finding them referrals and judging whether or not to use experts Power symmetry concerns the inherent imbalance of power between an expert and a layman Elsewhereism focuses on the constant competition that laymen face with unseen others in claiming the time and services of an expert Experts versus Laymen broadens the analysis of expert layman phenomena far beyond similar studies It examines processes of bidding gaining information inspecting and evaluating work winning trust bargaining over costs and determining who has situational control This book discusses not only the contracting process in the housing industry but far more important a world of power and domination in expert laymen relationships **Xi Psi Phi Quarterly** ,1914 **Exit Music** Ian Rankin,2008-09-17 It s late in the fall in Edinburgh and late in the career of Detective Inspector John Rebus As he is simply trying to tie up some loose ends before his retirement a new case lands on his desk a dissident Russian poet has been murdered in what looks like a mugging gone wrong Rebus discovers that an elite delegation of Russian businessmen is in town looking to expand its interests And as Rebus s investigation gains ground someone brutally assaults a local gangster with whom he has a long history Has Rebus overstepped his bounds for the last time Only a few days shy of the end to his long controversial career will Rebus even make it that far **NOESIS (Edition-1)** Students of Malnad College of Engineering, NOESIS is a Literary Magazine edited by the members of the Literary Club of Malnad College of Engineering Hassan Karnataka India This is the First Edition of the Magazine It has articles poems and other literary content written in English Kannada and Hindi by the students of Malnad College of Engineering **Bred in the Bone** Christopher Brookmyre,2014-05-06 Gangland violence explodes off the page as two female detectives cross paths in Scotland s criminal underworld Publishers Weekly starred review Glasgow Detective Superintendent Catherine McLeod has one gangster in the mortuary and another Glen Fallan behind bars for allegedly taking him out But fighting for conviction isn t going to be easy This case may be more personal for McLeod than she s letting on And Fallan might not even be guilty Private investigator Jasmine Sharp has a stake in Fallan s future too The gangland enforcer once moved in the same dangerous shadows that her mysterious father lived and died in And the strange bond Fallan had with her mother is something no one in Sharp s family ever dares to discuss As McLeod battles her demons and Sharp chases her ghosts these two very different detectives will ultimately confront the secrets that have entangled both of their fates by descending into the Glasgow underworld where vengeance spans generations and everyone has a score to settle A polished stylist who spikes his smooth wordsmithery with a quirky Scottish brogue Marilyn Stasio TheNew York Times Should cement Brookmyre s reputation as one of today s top Scottish crime writers Publishers Weekly starred review **Cold Monday** Terence Strong,2004-10 Haunted by the brutal killing of his wife a UN interpreter in Bosnia ex SAS operative Ed Coltrane is consumed with hunting down her murderers Drinking heavily and spending too much time and money on the search Coltrane s life is going into meltdown Just as it seems he can fall no further a former colleague informs him that one of his wife s killers is in London as a guest of the British
