Philippians Thessalonians:

The Letters to the Philippians, Colossians and Thessalonians William Barclay, 2013-01-26 In this book Barclay examines three very varied but important letters from Paul Known as the Epistle of Joy his letter to the Philippians is a letter of encouragement to his dearest of friends In his letter to Colossians Paul dedicates some of his highest thinking to the relatively insignificant town of Colosse and defends the Church there from a dangerous heresy and Thessalonians Paul reassures the Christians of this town so vital in the emergence of Christianity as a world faith and firm solutions to the day to day problems which arose in the new and expanding Church *Congregational Evangelism in Philippians* Mark J.

Keown, 2009-02-19 Did Paul want his congregations to pick up the ministry of evangelism or did he envisage himself and other specialist proclaimers continuing the ministry of the gospel Dr Keown begins by outlining the contours of differing responses to this question ranging from exclusively specialist evangelism to believers full participation in evangelic mission He then explores the question through exegetical analysis of Philippians He argues persuasively that one essential element of the rhetorical appeal of the letter is an injunction to the believers in Philippi to continue to preach the gospel with renewed unity and in the face of pagan opposition He suggests that Paul envisaged specialist proclaimers leading the evangelical mission and equipping general believers to share the gospel as one dimension of living in the world **Philippians and 1**

Strange Work Rev Herbert Melville Munson Jr,2013-03-25 Strange Work is a verse by verse commentary on the Bible book of Revelation Nearly three millennia ago the prophet Isaiah predicted that the Lord God of hosts would one day rise up and do a strange work on the Earth He said it would come as a destruction upon the whole earth Isaiah 28 21 22 The last thing that modern man expects is that the true and living God will one day actually intervene upon the Earth Yet with one voice the prophets of the Bible predict that is exactly what He will do The book of Revelation is the most detailed of the Bible s prophecies of that fast approaching supernatural intervention on planet Earth Someone has dubbed the book of Revelation The prophetic Grand Central Station of the Bible That is a very good way to describe it All the great eschatological end time themes in the Bible run to the book of Revelation like train tracks to a central hub
