Power With Age:

The Power Age Kelly Doust, 2020-11-24 What if experience always trumped youth Or if there was more appreciation for the style and confidence that comes with age Like fine wine women improve with age growing in financial sexual and spiritual power every year So why spend your second act collecting dust or invisible on the sidelines With this exquisite full color volume you ll learn how to age like a pro Candid empowering guidance and dozens of interviews with style icons world leaders entrepreneurs and entertainers who ve made an art of growing older will show you that you are never too old to embark on an international or spiritual journey to create a vibrant wardrobe filled with statement pieces or to take the reins of your career and investments With refreshing wisdom on how to manage everything from menopause money and mentorship to sex stress and skincare The Power Age is like chatting with a circle of witty and wonderful friends and sisters No topic faith grief health or finances is off the table and no question is too sensitive to ask Original illustrations highlighting more than fifty iconic power age women such as Julia Roberts Grace Coddington Michelle Obama Iris Apfel and more appear side by side with pragmatic tips on keeping fit and healthy embracing travel and adventure and practicing self care and reflection ensuring that the best opportunities for pleasure freedom and expression are yet to come *Power and Influence* Chiku Malunga, 2012-06-16 Power and Influence demonstrates how the indigenous wisdom contained in African proverbs and folktales can be used to enhance modern life The timeless wisdom contained in African proverbs and folktales enriches self development and positive influence The inspiring results provide deeper understanding of self development and self leadership forming a solid foundation for leadership effectiveness at all levels This book is among the first to consciously acknowledge and demonstrate the rationale of applying indigenous wisdom to enhance the understanding of disciplines theories and practice African proverbs and folktales express an accumulated wisdom of human relations add dimensions to practice in ways that are soulful respectful practical and socially embedded By using African indigenous wisdom the book contributes towards the much needed cross cultural dialogue among individuals organizations and societies in this increasingly diversified world *Ageing and Invisibility* Emilio Mordini, Paul de Hert, 2010 Providing an overview of the process of e inclusion for older people and addressing the ethical social and legal aspects of the process this book is suitable for researchers policy makers organisations and companies as well as for those with an interest in the identification and promotion of good practice within an ageing society Power, Legitimacy, and World Order Sanjay Pulipaka, Krishnan Srinivasan, James Mayall, 2023-05-03 This book reflects on the reasons for the decline of international cooperation in world politics and studies ways to restore legitimacy in the international order It engages with the concept of legitimacy in international relations theories and practices to examine the discussions around power shifts the decline of liberalism demands for inclusive international architectures and challenges to multilateralism as well as established norms by leaders and nationalisms It studies the impact of the post COVID 19 world order on the nature of power in the international system

and changes in normative concerns of security The volume also interrogates political legitimacy through an area studies lens by examining the concept of legitimacy separately in the USA Europe South Asia Southeast Asia Latin America and Africa An important and timely text featuring contributions from eminent scholars this book will be of use to students and researchers of modern history political science and international relations It will also be of interest to think tanks and policy making bodies concerned with international affairs and foreign policy

Power, Control, and Influence in Sibling Relationships across Development Nicole Campione-Barr, 2017-06-12 Take a close look at sibling relationships particularly how siblings navigate power control and influence and how the relationship affects the development of the individuals involved While such relationships are both complementary and reciprocal they transform rather dramatically from hierarchical in early and middle childhood to egalitarian by early adulthood This issue examines the processes and consequences of such dynamic power shifts for our broader understanding of how these relationship dynamics change and develop throughout the life course how such dynamics may be similar or different cross culturally and how they influence the quality of the sibling relationship as well as the well being of youth To do so the authors present research from each developmental period from early childhood through young adulthood as well as cross cultural research in order to further understanding of the developmental and contextual themes that allow for drawing broader conclusions This is the 156th volume in this Jossey Bass series New Directions for Child and Adolescent Development Its mission is to provide scientific and scholarly presentations on cutting edge issues and concepts in this subject area Each volume focuses on a specific new direction or research topic and is edited by experts from that field

Power from Below in Premodern Societies T. L. Thurston, Manuel Fernández-Götz, 2021-10-21 This volume challenges previous views of social organization focused on elites by offering innovative perspectives on power from below Using a variety of archaeological anthropological and historical data to question traditional narratives of complexity as inextricably linked to top down power structures it exemplifies how commoners have developed strategies to sustain non hierarchical networks and contest the rise of inequalities Through case studies from around the world ranging from Europe to New Guinea and from Mesoamerica to China an international team of contributors explores the diverse and dynamic nature of power relations in premodern

societies The theoretical models discussed throughout the volume include a reassessment of key concepts such as heterarchy collective action and resistance Thus the book adds considerable nuance to our understanding of power in the past and also opens new avenues of reflection that can help inform discussions about our collective present and future ... **Tenth Census: Water power, pts. 1-2** United States.
