Olson, 2008 In recent years the American media have portrayed the evangelical movement as a conservative force in society equating it with fundamentalism Many people equate evangelical Christianity with conservatism in religion politics theology and social attitudes But is this the whole story of evangelicalism Roger Olson's new book sets forth evidence that the link between evangelicalism and conservatism has not always been as strong as it is today in the popular mind Olson shows how contemporary **Is Jesus Your Personal Saviour?** George A. The Other Evangelicals Isaac B. Sharp, 2023-04-18 What's the first thing that comes to mind when you hear evangelical For many the answer is white patriarchal conservative or fundamentalist but as Isaac B Sharp reveals the big tent of evangelicalism has historically been much bigger than we've been led to believe In The Other

Evangelicals Sharp brings to light the stories of those twentieth century evangelicals who didn't fit the mold including Black feminist progressive and gay Christians Though the binary of fundamentalist evangelicals and modernist mainline Protestants is taken for granted today Sharp demonstrates that fundamentalists and modernists battled over the title of evangelical in post World War II America In fact many ideologies characteristic of evangelicalism today such as biblical womanhood and political conservatism arose only in reaction to the popularity of evangelical feminism and progressivism Eventually history was written by the winners the Billy Grahams of American religion while the losers were expelled from the movement via the establishment of institutions such as the National Association of Evangelicals Carefully researched and deftly written *The Other Evangelicals* offers a breath of fresh air for scholars seeking a more inclusive history of religion in America Q Spirit Top 23 LGBTQ Christian Books List 2023 Evangelicals Mark A.
