Radical Christian Writings A Reader:

Radical Christian Writings Andrew Bradstock, Christopher Rowland, 2008-04-15 This volume which fills a gap in the current literature will be essential reading for third year undergraduates and above in Biblical studies *A Theology of Community Organizing* Chris Shannahan, 2013-11-12 The rising importance of community organizing in the US and more recently in Britain has coincided with the developing significance of social movements and identity politics debates about citizenship social capital civil society and religion in the public sphere At a time when participation in formal political process and membership of faith groups have both declined dramatically community organizing has provided a new opportunity for small community groups marginalized urban communities and people of faith to engage in effective political action through the developments of inter faith and cross cultural coalitions of groups In spite of its renewed popularity little critical attention has been paid to community organizing This book places community organizing within debates about the role of religion in the public sphere and the rise of public theology in recent years The book explores the history methodology and achievements of community organizing engaging in a series of conversations with key community organizers in the US and Britain This volume breaks new ground by beginning to articulate a cross cultural and inter faith Theology for Community Organizing that arises from fresh readings of Liberation Theology *Theological Reflection: Methods, 2nd Edition* Elaine Graham, Heather Walton , Frances Ward , 2019-02-27 Theological Reflections Methods offers a comprehensive collection of models of theological reflection By bringing this diverse collection together in one place the editors create a unique reference work that allows a clear and visible contrast and comparison as each model is treated formally and in a standard format Throughout each chapter the distinguishing features of the model are examined the geneology and origins are discussed worked examples of the model applied to contemporary theology are provided and critical commentary future trends and exercises and questions are provided Now firmly established as an essential text on theological reflection this new edition has been revised and updated with a new introduction updated examples and refreshed bibliographies Cultures of Eschatology Veronika Wieser, Vincent Eltschinger, Johann Heiss, 2020-07-20 In all religions in the medieval West as in the East ideas about the past the present and the future were shaped by expectations related to the End The volumes Cultures of Eschatology explore the many ways apocalyptic thought and visions of the end intersected with the development of pre modern religio political communities with social changes and with the emergence of new intellectual and literary traditions The two volumes present a wide variety of case studies from the early Christian communities of Antiquity through the times of the Islamic invasion and the Crusades and up to modern receptions from the Latin West to the Byzantine Empire from South Yemen to the Hidden Lands of Tibetan Buddhism Examining apocalypticism messianism and eschatology in medieval Christian Islamic Hindu and Buddhist communities the contributions paint a multi faceted picture of End Time scenarios and provide their readers with a broad array of source material from different historical contexts The first volume Empires and

Scriptural Authorities examines the formation of literary and visual apocalyptic traditions and the role they played as vehicles for defining a community's religious and political enemies The second volume Time Death and Afterlife focuses on key topics of eschatology death judgment afterlife and the perception of time and its end It also analyses modern readings and interpretations of eschatological concepts **Wiley Blackwell Companion to Political Theology** William T.

Cavanaugh, Peter Manley Scott, 2019-03-11 Offers a comprehensive survey and interpretation of contemporary Christian political theology in a newly revised and expanded edition This book presents the latest thinking on the topic of contemporary Christian political theology with original and constructive essays that represent a range of opinions on various topics With contributions from expert scholars in the field it reflects a broad range of methodologies ecclesial traditions and geographic and social locations and provides a sense of the diversity of political theologies It also addresses the primary resources of the Christian tradition which theologians draw on when constructing political theologies and surveys some of the most important figures and movements in political theology This revised and expanded edition provides the most comprehensive and accessible introduction to this lively and growing area of Christian theology Organized into five sections Wiley Blackwell Companion to Political Theology Second Edition addresses the many changes that have occurred over the last 15 years within the field of political theology It features new essays that address social developments and movements such as Anglican Social Thought John Milbank Anabaptist Political Theologies African Political Theologies Postcolonialism Political Economy Technology and Virtuality and Grass roots Movements The book also includes a new essay on the reception of Liberation Theology Offers essays on topics such as the Trinity atonement and eschatology Features contributions from leading voices in the field of political theology Includes all new entries covering fresh developments and movements like the urgency of climate change virtuality and the digital age the economic crisis of 2008 the discourse of religion and violence and new modalities of war Addresses some important social movements from a theological point of view including postmodernism grass roots movements and more Provides both Islamic and Jewish responses to political theology Written for academics and students of political theology Wiley Blackwell Companion to Political Theology 2nd Edition is an enlightening read that offers a wide range of authoritative essays from some of the most notable scholars in the field **Reading Texts, Seeking**

Wisdom David F. Ford, Graham Stanton, 2004 Eighteen leading scripture scholars and theologians engage with key issues and texts to do with scripture and theology They look at how the Bible and theology have come together in the past in Judaism the early Church the Middle Ages early modernity and the 20th century How is current biblical scholarship to be related to past insights and modern methods Contributors debate how wisdom is to be related to faith and to reason

Voices from the Borderland Chris Shannahan, 2016-04-01 Urban theology affirms the importance of context notably the place of the city in theological reflection However it has often been confined to particular contexts or theological camps and thus failed to engage with the fluidity of contemporary urban societies *Voices from the Borderland* presents an overview of

urban theology arguing that the twenty first century demands a dialogical model of theology that enacts progressive change The volume draws on studies of the multicultural and multi faith British urban experience and situates these within the wider international context The works of influential theologians in the field are examined and the dialogue between theology globalisation post colonialism postmodernism and post religious urban culture critically explored The volume is unique in bringing together urban liberation theology urban black theology reformist urban theology globalisation urban theology and post religious urban theology

A Theology of International Development Thia Cooper, 2020-02-05 Religion and development have been intertwined since development s beginnings yet faith based aid and development agencies consistently fail to consider how their theology and practice intersect This book offers a Christian theology of development with practical solutions to bridge the gap and return to truly faith based policies and practices Development aims to raise the living standard of the world s poor mainly through small scale projects that increase economic growth A theology of liberation provided a critique to development practice but a specific theology of development is still lacking and many faith based aid agencies have failed to adapt their practice In applying theological thinking to development the author argues that aid agencies need to address the entrenchment of unequal power relations and embrace a holistic notion of development defined by the needs of those most marginalized instead of by a focus on economic growth Development organisations need to consider the distinction between charity and justice and to empower people in the Global South paying particular attention to the intersections of race class sexuality religion and the environment Overall this book is a powerful call to upend development practice as it currently exists and to return faith based organizations to following Christian practices It will be an important read for religion and development researchers practitioners and students

[Encyclopedia of New Religious Movements](#) Peter Clarke, 2004-03-01 New Religious Movements NRMs can involve vast numbers of followers and in many cases are radically changing the way people understand and practice religion and spirituality Moreover many are having a profound impact on the form and content of mainstream religion The Encyclopedia of New Religious Movements provides uniquely global coverage of the phenomenon with entries on over three hundred movement from almost every country in the world Coverage includes movements that derive from the major religions of the world and to neo traditional movements movements often overlooked in the study of NRMs In addition to the coverage of particular movements there are also entries on topics themes key thinkers and key ideas for example the New Age Movement Neo Paganism New Religion and gender NRMs and cyberspace NRMs and the law the Anti Cult Movement Swedenborg Jung Teilhard de Chardin Lovelock Gurdjieff al Banna Qutb The marked global approach and comprehensiveness of the encyclopedia enable an appreciation of the innovative energy of NRMs of their extraordinary diversity and the often surprising ways in which they can propagate geographically The most ambitious publication of its sort the Encyclopedia of New Religious Movements is a major addition to the reference literature for students and researchers of the field in religious studies and the social sciences Entries are

Post-Colonial Theology Robert S. Heaney, 2019-05-08 Hate is unveiled on our streets Politics is polarized and the cohesion of communities is under stress and threat Religious and theological leaders appear compromised or paralyzed Robert S Heaney grew up in a Northern Ireland where enmity paraded itself and policed the boundaries between segregated identities and aspirations Such conflict with deep historic roots is inextricably linked to religion and colonization The theologizing of colonialism and the ongoing implications of colonialism cannot be ignored by those who wish to understand the most intractable of human conflicts Religious adherents and scholars are increasingly seeking to understand colonialism and decolonization in theological terms The field of post colonial studies across a range of contexts and in a complex network of inter disciplinary analyses has emerged as a major scholarly movement seeking to provide resources for such a task Theologians have increasingly seen the field as a resource and have made their own contributions to its development However depending as it does on a series of theoretical and technical commitments post colonialism remains inaccessible to the uninitiated Beginning with his own particular context of formation in this book Heaney provides an accessible introduction to post colonial theology

Public Life and the Place of the Church Michael Brierley, 2017-11-28 The work of Richard Harries Bishop of Oxford from 1987 to 2006 has been highly distinctive for the consistency of its engagement with contemporary society It represents a model of the Church which is outward looking a Church which is as ready to learn from others as it is to offer its own wisdom and resources This book

reflects on Richard Harries ministry in the borderlands of society and Church and engages deeply with the nature of modern society and the place of the Church within it Taking Richard Harries contributions as their inspiration key figures each of them major commentators on areas of pressing contemporary concern probe the important questions which people are asking about a range of social issues Arms and violence the role of the media in public life spirituality multifaith Britain sex capitalism the second chamber and medical ethics are all discussed building up a serious debate on the kind of society in which we live and making suggestive comments about the part which the Church might play Contributors Sabina Alkire Michael Bourke Melvyn Bragg John Drury Claire Foster Jonathan Gorsky Anthony Howard Douglas Hurd Eric James Julia Neuberger Edmund Newell Christopher Rowland Jane Shaw Margaret Shepherd Roger Wagner Keith Ward Rowan Williams Shirley Williams and James Woodward

Orthodoxy and Anarchism Davor Džalto, 2024-03-26 This book brings together essays by contemporary Orthodox theologians and scholars on Orthodox Christianity that analyze various aspects of the complex relationship between anarchism both as a concept and as a political philosophy and Orthodoxy As many studies have already shown the dominant theological approaches in Orthodox political theology have been characterized by the search for some kind of symphonia where a harmonious and mutually beneficial cooperation between the Church and the State has been sought Although one can see many alternative attempts in contemporary Orthodox political theology to move away from traditional monarchical and autocratic symphonic models the fact remains that most of those approaches still tend to provide theological articulations that rationalize and ultimately defend the dominant ideological systems such as those of the nation state or liberal democracy for instance There has been however another marginal and marginalized tradition in Orthodox Christian political theology which can be labelled as anarchist The purpose of this volume is to gather contemporary voices in and on Orthodox theology that explore this tradition in the history of Orthodox Christianity or that themselves employ an anarchist approach to the socio political sphere including the Church in its institutional functioning *The Blackwell Companion to Political Theology* Peter Manley Scott, William T. Cavanaugh, 2008-04-15 Written by a team of international experts drawn from various traditions of political theology this outstanding resource brings together 35 newly commissioned essays in the field Demonstrates that Christian theology is inherently political and shows how theology impacts on present day political issues Considers the interface of theology with political ideologies including the contribution of theology to feminist ecological black and pacifist movements Assesses the contribution of the major political theologians and theological movements Explores the political aspects of Christian sources such as scripture and liturgy

God or Mammon David W. Smith, 2025-06-30 The rise of neo liberalism and globalization has hardened the capitalist worldview in such a way that it has taken on an idolatrous nature for Christianity in the West At this crucial point in time David Smith prophetically confronts this issue and invites Christians to re examine their allegiances Using Jesus s warning that the worship of God and Mammon are incompatible as a lens Smith traces the tension of this decision from the Mosaic revolution through the history of biblical

Israel and into the New Testament He provides a historical survey of movements in Christianity that emerged in the constant struggle to counter the imperial church's conformity to a materialistic culture Finally he examines the modern world's shift toward an economic culture which has abandoned social values and needs Christianity which has become a global movement with its heartlands across the southern hemisphere now faces the challenge and opportunity of a world in deepening crisis In this timely and important book Smith encourages us all to join in the quest for an alternative society that is shaped by kingdom values [That Holy Anarchist](#) Mark Van Steenwyk, Ched Myers, 2012-06-25 In *That Holy Anarchist* Mark Van Steenwyk explores the relationship between Christianity and anarchism The name of Jesus is invoked by those in power as well as those resisting that power What were the politics of Jesus and how can they continue to inform us as we struggle for justice [The Oxford History of Protestant Dissenting Traditions, Volume V](#) Mark P. Hutchinson, Mark Hutchinson, 2018 Volume V extends the study of the Oxford History of Dissenting Protestant Traditions series into the twentieth century following the spatial cultural and intellectual changes in dissenting identity and practice as these once European traditions globalized and settled down in other places *Galatians* Nancy Bedford, 2016-08-16 In this incisive commentary Nancy Bedford explores Paul's Letter to the Galatians as it addresses pressing issues in the earliest Christian churches Paul argues that it is not necessary for Gentiles to become full fledged Jews in order to follow Jesus In Jesus Christ differences among people will continue Bedford sees that equality in Christ Galatians 3:28 does not erase differences but instead breaks down hierarchical relationships among many different people and groups She considers the implications of these convictions for Christian faith today particularly for those outside of Western Christian traditions Bedford's unique theological interpretive approach to Galatians is suitable for preaching and teaching preparation and is a welcome addition to the Belief series *Nick Page: The Longest Week, The Wrong Messiah, Kingdom of Fools* Nick Page, 2018-03-08 Essential reading enlightening and informative you will be sure to learn something new Church of England Newspaper In this illuminating read Nick Page strips away centuries of misrepresentation and myth to reveal the real personality portrayed in the gospels Drawing on a wealth of historical and archaeological research the result is a startling and vivid new portrait of Yeshua ben Yosef Jesus of Nazareth
