Tipping, 2002 This is NOT just another book on forgiveness this one provides the necessary tools to help you forgive profoundly more or less instantaneously and with ease First published in 1997 this 2nd Edition builds on the success of the first edition which has changed hundreds if not thousands of lives The book will more than likely change your life It will transform how you view your past and what is occurring for you in the present especially where relationships are concerned Unlike other forms of forgiveness radical forgiveness is easily achieved and virtually immediate enabling you to let go of being a victim open your heart and raise your vibration The simple easy to use tools provided help you let go of the emotional baggage of the past and to feel the joy of living in total surrender to the process of life as it unfolds however it unfolds The result is vastly increased happiness personal power and freedom      **Radical Self-Forgiveness** Colin Tipping, 2011-01-26 Most of us have plenty of experience with self blame and guilt but we are often at a loss when it comes to forgiving ourselves According to Colin Tipping this is because our idea of forgiveness usually requires a victim and a perpetrator which is impossible when we play both roles at the same time Tipping's Radical Forgiveness process all      Spiritual Renaissance Susan Minnaar, 2007-06-19 This book draws upon the legacy of wisdom from ancient manuscripts which can have a profound impact on your life Mankind is

oblivious to the extent of the devastation bestowed on the environment and the fact that we are jeopardising the survival of future generations There has never been so much violence crime corruption murder and war in the history of mankind In spite of our triumphs in terms of scientific discoveries we are deprived of physical emotional and spiritual well being The state of the outer world reflects the condition of our inner world This book provides the reader with a renewed epiphany and insight into the extent to which we have strayed from our authentic self or true essence Our main obstacles are ignorance apathy and complacency We are morally bankrupt and the solution to our problem is a soul ution Most people are unaware of the fact that we all have the ability to tap into the realm of Divine Universal Energy that surrounds us We have the ability to live from a soul level to connect with the sacred and to increase our awareness The possibility of perfect health serenity and inner peace exists within the Spiritual Realm The choice to live in this Realm and in harmony with the Universal Laws comes with certain responsibilities This book offers guidelines which will assist you to live with increased joy purpose passion and meaning Applying these principles can make the difference between surviving and thriving

**The Forgiveness Quest A Search for Freedom and Peace** Annalyn J. Rasul,2024-07-08 Ms Rasul delved into a personal journey on forgiveness She discovers that it is a lifelong quest In our modern society most people can be so quick to judge and condemn others or even themselves It is human nature to withhold forgiveness sometimes for years decades or even a lifetime Holding onto anger and resentment will hurt you more than it can hurt the other person However you can choose to carry on the burden and past grievances or you can choose to forgive completely and be at peace with yourself and God Forgiveness is a decision Forgiveness is free The 70X7 is a Christian infinity symbol which means forgiveness must be given infinite and without limit Forgiveness does not have a timeline So you can take your time The first two chapters lay out some forgiveness verses from a religious perspective Then Ms Rasul takes on various self help books that discuss traditional and radical forgiveness We must be willing to open our hearts and accept forgiveness over resentment True forgiveness can only come from the core of one s heart What you withhold suppress your peace What you release determines your freedom

**Subtle Energy Work** Synthia Andrews,2022 Learning to consciously interact in the domain of subtle energy is the next step in personal and planetary transformation Subtle energy is more than life force it is the substance of reality and the vehicle of consciousness Your body is wired to navigate this domain This book is a unique guide of principles practices and exercises to help you access your energy awareness and live a more empowered life

**Open Your Heart to Nature and Beyond** Dr. Linda N. Cameron,2021-09-09 Open Your Heart to Nature and Beyond maintains there is one problem separation from the Divine and one solution applying some form of forgiveness It details the holding relationships that

actually separate us from the Divine and how to use the Law of Forgiveness to let them go and open our hearts to God's presence. Like a computer delete key, the activity of forgiveness allows us to let go physically, emotionally, and mentally until we join Universal Being. This Divine encounter is divided into 7 distinct stages with descriptions based on experiences of the author as well as poets and individuals from other major religions. This book also suggests that a religious experience is simply having an experience of the Zero Energy Field as defined in quantum physics. The Zero Energy Field is defined as the activity of subatomic particles such as photons, electrons, and other quantum particles in space at temperatures of absolute zero. Research indicates that humans can affect this field with prayer, which is the mental activity of calling these energy particles to organize and outpicture as manifestations in nature. We also have the ability to apply the Law of Forgiveness that Jesus introduced and release the electrons, neutrons, and protons, forming something in the world and in our minds, and thereby causing them to disorganize and return to the Zero Energy Field. The human activity of forgiving or letting things, thoughts, and emotions go shows that we have the mental ability to apply the Law of Entropy and disorganized manifested things and release them back into subatomic particles in the Zero Energy Field.

Stop the Brain Jimmy Smart, 2024-04-16. In Stop the Brain: Enjoy Freedom from Intrusive Thoughts, author Jim Smart, PhD, PE, investigates questions critical to spiritual wellness: what is the mind and where do thoughts come from? Most people think they have no control over their thoughts, but they can learn to control the release of thoughts for hours at a time. Stop the Brain shows readers how, in a short, easy text, as opposed to years of therapy. Using powerful new tools and mindfulness techniques, the mind can be stabilized and rendered free of uninvited intrusive thoughts. Enjoy profound spiritual results such as a calmer mind, less anxiety, a sense of peace, greater tolerance, radical forgiveness, deep sleep, increased focus, and less bodily pain.

**Waking the Warrior Goddess**, **I Painted the Light** Jeanne Grimes, 2013-05-02. When I was five years old, I painted the Light. I painted the happy space I went to while being sexually abused by my father. When the abuse would start, two adorable cherubs would appear and take me by the hands. Off we would go into the Light. We would fly about and tumble, laugh, and be filled with joy. It was a glorious, fun, and safe place to be. The Light saved me. So when I was given the chance to create my first ever painting in kindergarten, I naturally wanted to paint this beautiful glowing space. I painted the Light. I covered every square inch of my flip chart paper with bright yellow paint. I was so happy to recreate this space and share it with my dad. But my joy was short-lived: once I actually unrolled my painting at home and explained my bright yellow space to my father, his violent reaction became one more incident that further buried the memories of the abuse. I tell my story here to help those of you who have also been sexually abused. I went beyond the counseling and cognitive therapies and found other spiritual and experiential techniques that brought me to a place of peace and wholeness. These practices helped heal my mind, my body, and my spirit. I offer my experiences here so that you may apply them to your own healing journey. My goal is to help you see the Light within you, to find the peace within you as I have finally found in me. May Divine Love be with us on our journey.
