

The background of the book cover is a dramatic, low-key photograph. It shows a dark silhouette of a building, possibly a church or a government structure, against a sky filled with swirling, dark clouds. A bright, glowing light source, likely the sun or moon, is partially obscured by the clouds on the left side, creating a strong backlighting effect. The overall mood is somber and intense.

Radical Islam Vs America:

Radical Islam in America Chris Heffelfinger, 2011-04-30 The radicalization of Muslims and Islamic institutions in the United States Europe and across the Islamic world has fostered a new generation of Islamist activists many of them willing to use violence to achieve their aims In **Radical Islam in America** Chris Heffelfinger describes the development of the Islamist movement examines its efforts and influence in the West and suggests strategies to reduce or eliminate the threat of Islamist terrorism The book distinguishes Islamism the fundamentalist political movement based on Islamic identity and values from the Muslim faith and explores Islamists substantial inroads with Muslims and Muslim educational institutions in the West since the 1960s as well as the larger relationship between Islamist political activism and militancy Heffelfinger argues that the West has often mischaracterized jihadists as a nihilistic irrational force desiring nothing but death and destruction Instead we need to recognize that Islamists are part of a much broader struggle over the political social economic and legal direction of Muslims around the world Our failure to understand the motives behind terrorist tactics has resulted not only in ineffective counterterrorism strategies but also in the proliferation of Islamist militants and sympathizers Among the hundreds of terrorism related arrests since 9 11 a large number were young socially alienated Muslims who were moved by the jihadist message but not directed by jihadist networks overseas That phenomenon and the ideology behind it is what Western society and governments must fully understand in order to construct a viable policy to confront it This book will appeal to scholars and general readers interested in global politics current affairs Middle East terrorism and counterterrorism

Radical Islam's War Against Israel, Christianity and the West Richard Booker, 2011-07-28 This is the handbook about RADICAL ISLAM that you need In a simple readable format here is a book that answers all of your questions about radical Islam Through extensive documented research quotes from radical Islamic leaders in the U S and abroad and years of personal experience in the Middle East author Dr Richard Booker explains the beliefs and practices of Islam and specifically radical Islamists All Americans need to be aware of how radical Islamists plan to destroy Israel subjugate Christianity and turn the West Europe and the United States into Islamic countries Learn the truth about the hottest topic for today including How radical Islamic leaders in the U S and abroad are planning to convert Americans to Islam Pre Islamic worship in Arabia The God of the Koran and the God of the Bible Myths and facts about the Arab Israeli conflict Bible prophecy fulfillment Christians and Jews must take action to preserve our Judeo Christian heritage and way of life start today by arming yourself with knowledge Yet in all these things we are more than conquerors through Him who loved us Romans 8 37

Radical Islam Vs. America Benjamin Hart, 2003-06 Now that the United States is militarily engaged with radical Islam it is vital Americans understand the nature of the religious war that is upon us Did the attack on the World Trade center have nothing to do with Islam as Britain s Prime Minister Blair put it Is our State Department correct in saying Islam is peace Ben Hart disagrees offering not only a concise history of Islam but also a terrifying narrative of contemporary

Islamic religious hatred which harks back to the violent seventh century vision of Muhammad and his successors Unlike Christ or Buddha Muhammed was a man of the sword as well as the word and today the violent strain of Islam has re emerged as a clear and present danger not only to the non Islamic world but also to those of the world s one billion Muslims who follow the more moderate sections of the Koran Hart s quick read on radical Islam is a handy corrective both to today s lack of information and to the misinformation about today s world conflict

Inside Jihad: How Radical Islam Works, Why It Should Terrify Us, How to Defeat It Dr. Tawfik Hamid, 2018-07-27 Why has radical Islam become such a deadly threat and why does it dominate the Muslim world Dr Tawfik Hamid answers these and other questions about this evil movement clearly and accessibly in his groundbreaking work Dr Hamid knows about radical Islam firsthand In the early 1980s he was recruited into Jamaa Islamiya a terror group led at the time by Dr Ayman al Zawahiri the man who went on to replace Osama bin Laden as leader of al Qaeda Eventually and miraculously Dr Hamid recognized the insidious nature of violent jihad and rejected its distortions of the Quran the holy book of the Muslim faith Ever since he has pursued the reformation of Islam He has written new interpretations of the Quran s key texts and has shared his message in many mosques Inside Jihad reveals Dr Hamid s deep insights about and passionate opposition to the Islamic terror movement drawn from his direct personal experiences As a medical doctor and an expert on the psychology of the jihadist mindset he explains the roles that sex fear petrodollars and the hijab for women have played in its proliferation And he details his bold plan for Islamic reformation that would eventually change the jihadists minds and end their reign of terror

America and Political Islam Fawaz A. Gerges, 1999 This book chronicles the policy debates on Islamism in the United States over the course of time providing a comprehensive account of the origins of policy followed by a balanced critique and recommendations for change It then delves deeper into the US political scene to analyze the historical political cultural and security issues that might help explain America s preoccupation with Islam and Muslims Furthermore the author sheds much light on the multiplicity of regional and international factors such as the political decay of the Middle Eastern state and the end of the Cold War that shape the thinking of US officials about the contemporary Islamist phenomenon In addition to examining the domestic regional and international context of US Islam policy the book applies and tests the pronouncements of US officials in four representative case studies Iran Algeria Egypt and Turkey Finally Gerges addresses the clash of civilizations debate and assesses the relative weight of culture and values in US officials words and deeds on Islamism

Understanding the Threat of Radical Islam Frank Salvato, 2011-04-09 The events of September 11 2001 changed our nation and the world forever For our nation these attacks signaled the realization of the quintessential struggle for this generation A conflict not between nations whose borders are delineated on a map or between groups of nations diametrically opposed in their political philosophies but a conflict of ideologies transcending recognized borders Understanding the Threat of Radical Islam provides a cursory examination of violent Islamism and how this radical ideology threatens Western

Civilization **My Year Inside Radical Islam** Daveed Gartenstein-Ross, 2008-01-31 My Year Inside Radical Islam is a memoir of first a spiritual and then a political seduction Raised in liberal Ashland Oregon by parents who were Jewish by birth but dismissive of strict dogma Daveed Gartenstein Ross converted to Islam in college a process that began with a desire to connect with both a religious community and a spiritual practice and eventually led him to sympathize with the most extreme interpretations of the faith with the most radical political implications In the year following graduation Gartenstein Ross went to work for the Al Haramain Islamic Foundation a charity dedicated to fostering Wahhabism Saudi Arabia s austere form of Islam a theological inspiration for many terrorist groups including al Qaeda Shortly after he left Al Haramain when his own fanaticism had waned the foundation was charged by the U S government for a money laundering scheme that was seemingly designed to finance terrorist organizations Gartenstein Ross by this time a lawyer at a prominent firm volunteered for questioning by the FBI They already knew who he was The story of how a good faith can be distorted and a decent soul can be seduced away from his principles My Year Inside Radical Islam provides a rare glimpse into the personal interface between religion and politics

Who Is the Radical Islamist? and Why? A. D. Simmons, 2018-09-05 Radical Islam A threat to the Western World Tolerance and freedom of religion have always been hallmarks of open minded liberal political philosophy in the West But what if those principles put our very way of life in danger In Who Is the Radical Islamist and Why the author presents a case for the looming threat of radical Islam From its historical birth in the 7th century to its resurgence in the 21st century Professor Simmons examines the determination of radical Islam to infiltrate and break apart the social and political infrastructure of the West By describing the roots of their revival and their undeniable allegiance to the Prophet Muhammad peace be upon him and to the revelations of Allah as recorded in the Holy Qur an their religious ideology and their call for a global jihad is unraveled Enlightening and informative this book answers common questions about the radical Islamist movement and should be a call to action for the complacent Western world [Release and Review](#)

Between the Middle East and the Americas Ella Habiba Shohat, Evelyn Azeza Alsultany, 2013-02-12 Between the Middle East and the Americas The Cultural Politics of Diaspora traces the production and circulation of discourses about the Middle East across various cultural sites against the historical backdrop of cross Atlantic Mahjar flows The book highlights

the fraught and ambivalent situation of Arabs Muslims in the Americas where they are at once celebrated and demonized integrated and marginalized simultaneously invisible and spectacularly visible The essays cover such themes as Arab hip hop s transnational imaginary gender sexuality and the Muslim digital diaspora patriotic drama and the media s War on Terror the global negotiation of the Prophet Mohammad cartoons controversy the Latin American paradoxes of Turcophobia Turcophilia the ambiguities of the bellydancing fad French and American commodification of Rumi spirituality the reception of Iranian memoirs as cultural domestication and the politics of translation of Turkish novels into English Taken together the essays analyze the hegemonic discourses that position the Middle East as a consumable exoticized object while also developing complex understandings of self representation in literature cinema TV music performance visual culture and digital spaces Charting the shifting significations of differing and overlapping forms of Orientalism the volume addresses Middle Eastern diasporic practices from a transnational perspective that brings postcolonial cultural studies methods to bear on Arab American studies Middle Eastern studies and Latin American studies Between the Middle East and the Americas disentangles the conventional separation of regions moving beyond the binarist notion of here and there to imaginatively reveal the thorough interconnectedness of cultural geographies

Radical Islam's Rules Paul Marshall,2005-02-25 A major feature of the rise of Islamism in the Middle East Asia Africa and parts of the West is the rapid growth of a starkly repressive version of Islamic shari a law often fueled by funds and support from Saudi Arabia The central purpose of Islamists including terrorists is to impose such law in all Muslim lands and then throughout the world in a new Caliphate Despite its importance this worldwide growth of extreme shari a is under documented and little understood By a comparative study over the last twenty five years of Saudi Arabia Iran Pakistan Sudan Nigeria Malaysia and Indonesia this book shows its terrible effects on human rights especially the status of women and religious freedom of Muslims as well as religious minorities and on democracy itself It also shows that such laws are a direct threat to the American interest of advancing democracy and human rights that the United States lacks a policy for dealing with the spread of extreme shari a and concludes with policy recommendations for the United States regarding specific countries confronting extreme shari a
