Social Dimensions of E-Communication Michael Foox, 2005-06 What is truly important is that one be able to exercise autonomy in the basic issues of life in one s most important commitments Now it is very dubious whether the developed capacity for this kind of autonomy can arise simply within the family Surely it is something which only develops within an entire civilization To know what it is to be an autonomous agent to have one s own way of feeling of acting of expression is an identity a way of understanding themselves which men are not born with They have to acquire it the Canadian social philosopher Charles Taylor wrote in his 1992 essay Atomism One could speak of a philosophical turn in understanding the basics of communication and as a consequence of this of education if one seriously considers those observations about citizens and society That is the goal of this book when it underlines the importance of electronically enhanced education and communication with its basic principle interactivity on which students parents and teachers should build our twenty first Accept Nothing Less Jim Burns, 2008-10 Advice on love relationships and sex for teens 14 to 18 from bestselling society author and teen expert Jim Burns host of the Homeword radio program Choosing the Opposite Tammy Melchien, 2025-10-07 Is it possible to live a life of integrity and peace in these divisive times Are you fed up with the polarization division and tension everywhere you turn in your country your community your church and even in your own relationships Many of us wrestle with navigating disagreements difficult personalities and tense family dynamics with love and humility We wonder if we have what it takes to be a peacemaker Choosing the Opposite invites you to explore a radically different approach to life and faith as modeled in Jesus Sermon on the Mount Examine how your choices may be fueling the chaos and learn how embracing Jesus countercultural teachings can lead to the restoration of relationships peace of mind and a powerful Christian witness in a fractured world Tammy Melchien a pastor with almost thirty years of ministry experience helps you understand how the Kingdom of God impacts your everyday life as you Learn to cultivate radical humility respect and grace for all people especially those who may challenge your values Discover how to listen to Jesus teachings on forgiveness generosity and love and apply them in practical meaningful ways Explore Jesus wisdom for handling relational conflict and navigating divisive conversations with compassion and understanding See how the Sermon on the
