

Radical Right

- Radical right (neoliberalism) said welfare state ruining the economy
- Hayek\ Friedman (leading figures)
- Social welfare a cost (waste) not an investment
- People on welfare as bludgers
- replace public services with private markets and volunteers (a 'big society')

Radical Right And The Welfare State

Alan Cairns

Radical Right And The Welfare State:

How the Radical Right Has Changed Capitalism and Welfare in Europe and the USA Philip Rathgeb, 2024

Combining insights from comparative politics party politics comparative political economy and welfare state research the book provides novel insights into how the radical right manufactures consent for authoritarian rule **The Radical Right and the Welfare State** Howard Glennerster, James Midgley, 1991 For much of this century governments have accepted the principle of state responsibility for the welfare of its citizens in spite of ideological differences about the appropriate scale of state activity some role has been assumed by all governments During the last decade however this view has been seriously challenged by radical thinkers from the political right who have argued that state sponsored welfare of any kind is inimical to economic growth prosperity and social progress The ideas of this radical right have found practical expression through the policies of sympathetic governments and international agencies Much of the current debate about welfare provision now revolves around whether radical right wing prescriptions have resulted in marginal changes or major modifications which will persist for years to come The need to examine the extent of the impact of radical right wing ideas on welfare provision is the basis of this major new collection of specially commissioned articles The book investigates the prevalence of these ideas through a wider international and comparative approach looking at the experiences of Canada Germany Chile and Israel as well as Britain and the USA The country studies are set in context with a comprehensive theoretical and historical account of welfare consensus and the rise and social welfare proposals of the radical right and a concluding chapter which draws together the case study material and looks ahead to the future of the welfare state ideal **The Radical Right** Klaus Wahl, 2019-10-31 This book analyses the rise in xenophobia racism and radical right political parties movements and violent groups over recent years The author provides a summary of the current state of international and interdisciplinary research on the multilevel explanations of right wing radical thought comparing similarities and differences across Europe and the United States By integrating findings from psychology history social and life sciences he proposes a biopsychosociological model of the conditions causes catalysts and triggers of phenomena of the radical right across the world Following a demand and supply analysis Wahl explores the interaction of evolutionary emotional mechanisms and socialization processes with various environmental conditions and consequent manifestations of radical right groups to identify strategies to slow down the rise and effects of the radical right **Radical Right-Wing Populism in Western Europe** Hans-Georg Betz, 1994-09-12 Studies the new West European parties of the radical populist right arguing that in distancing themselves from the reactionary politics of the traditional extremist right these parties have become a significant challenge to the established structure and politics of West European democracy today *The Routledge Handbook of Far-Right Extremism in Europe* Katherine Kondor, Mark Littler, 2023-09-12 The Routledge Handbook of Far Right Extremism in Europe is a timely and important study of the far and extreme right wing phenomenon across a broad spectrum of European countries and in

relation to a selected list of core areas and topics such as anti gender identitarian politics hooliganism and protest mobilisation The handbook deals with the rise and the developments of far right movements parties and organisations across diverse countries in Europe Crucially it discusses the main topics and issues pertaining to far right ideology and positioning and considers how central and less central actors of far right milieus have fared within the given context Comprising a wide range of subject expertise the contributors focus on far right organisations on the margins of the electoral sphere as well as street level movements and the relationship between them and electoral politics The handbook spans nearly twenty European country cases grouped according to geographical regional area It includes case studies where the far right has gained increased momentum as well as countries where it has been much less successful in mobilising public opinion and the electorate e g Ireland and Portugal Another important feature is the inclusion of street level mobilisations such as football firms thereby expanding and updating existing research which is primarily focused on political parties and organisations Multidisciplinary and comprehensive this handbook will be of great interest to scholars and students of Criminology Political Science Extremism Studies European Studies Media and Communication and Sociology This project has received funding from the European Union s Horizon 2020 research and innovation programme under the Marie Skłodowska Curie grant agreement No 101029801

The Developing of the Radical Rights in France Edward J. Arnold, 2000-05-23 This book traces the origins and evolution of extreme right wing thought in France from the end of the nineteenth century to the present day It establishes the presence of an ideological tradition or organicist exclusive nationalism initiated at the end of the nineteenth century which adapts itself to the post First World War and re emerges forcibly during the Occupation Elements of this same tradition are present in the modern discourse of the extreme right in post war France This helps the student of modern French politics to see movements like the Front National in their historical perspective

The Repoliticization of the Welfare State Ian P McManus, 2022-07-12 The Repoliticization of the Welfare State grapples with the evolving nature of political conflict over social spending after the Great Recession While the severity of the economic crisis encouraged strong social spending responses to protect millions of individuals governments have faced growing pressure to reduce budgets and make deep cuts to the welfare state Whereas conservative parties have embraced fiscal discipline and welfare state cuts left wing parties have turned away from austerity in favor of higher social spending These political differences represent a return of traditional left right beliefs over social spending and economic governance This book is one of the first to systematically compare welfare state politics before and after the Great Recession arguing that a new and lasting post crisis dynamic has emerged where political parties once again matter for social spending At the heart of this repoliticization are intense ideological debates over market regulation social inequality redistribution and the role of the state The book analyzes social spending dynamics for 28 countries before and after the crisis It also includes in depth country case studies representing five distinct welfare state types Germany the United Kingdom Sweden Spain and the Czech Republic

The Far-Right in

World Politics Alexander Anievas, Richard Saull, 2024-11-01 This book addresses the reasons why the contemporary far right has gained political resonance in a variety of states across both the Global North and South The rise of far right forms of politics in recent years throughout a range of geopolitical locales suggests the emergence of a distinct conjuncture in world politics indicating a common set of enabling conditions and characteristics It is this unprecedented context in the history of the post war liberal international order that this edited volume aims to address In doing so it brings together a diverse range of scholars many of whom have developed an internationally recognized expertise in the study of the far right and International Relations IR Reflecting a plurality of methodological and theoretical perspectives the chapters cover a variety of theoretical and conceptual issues including analyses of different geopolitical and national expressions of the contemporary far right Notwithstanding such diversity the primary analytical focus of the book is to situate and explain the far right as a distinct part of the history of modern international relations especially with respect to the development of and crises within the contemporary international order From this perspective the contributions combine to demonstrate the deeply embedded symptoms of far right politics centred on racialized imaginaries across the globe and re produced within the sinews of an evolving liberal international order even as the far right also represents an antagonism to some elements of said order Providing a much needed global perspective this book will be of great interest to students and scholars of populism far right politics conservatism and international relations The chapters in this book were originally published as a special issue of Globalizations and are accompanied by a new epilogue

The Radical Right in Eastern Europe Michael Minkenberg, 2017-05-08 This book is a comparative analysis of the post communist East European radical right both in party and non party formation using the West European radical right as a baseline Minkenberg offers insights into the political field of the radical right since the onset of democracy in the region and elicits region wide and country specific characteristics The book argues that due to the nature of the transition process from Soviet hegemony to national independence and from communist to democratic societies and the unfinished process of nation building in the region the radical right in Eastern Europe is a phenomenon sui generis both organizationally more fluid and ideologically more extreme than the Western counterpart The issues covered include trends in party system and electoral developments patterns of movement mobilization and racist activism and the impact of the radical right on their countries politics and policies

Handbook on the Political Economy of Social Policy Bent Greve, Amílcar Moreira, Minna van Gerven, 2024-05-02 Research in social policy has been greatly influenced by the emergence of modern political economy in the late 1970s The Handbook on the Political Economy of Social Policy offers a systematic yet comprehensive framework for understanding how concepts theoretical standpoints and methodological approaches stemming from political economy have been applied to the study of social policies and models of welfare provision The authors also signpost current developments and discuss their likely impact on future research

Theoretical Criminology from Modernity to Post-Modernism Wayne Morrison, 2014-12-18 This

book incorporates many of the exciting debates in the social sciences and philosophy of knowledge concerning the issues of modernity and post modernism It sets out a new project for criminology a criminology of modernity and offers a sustained critique of theorizing without a concern for social totalities This book is designed to place criminological theory at the cutting edge of contemporary debates Wayne Morrison reviews the history and present state of criminology and identifies a range of social problems and large scale social processes which must be addressed if the subject is to attain intellectual commitment This book marks a new development in criminological texts and will serve a valuable function not only for students and academics but for all those interested in the project of understanding crime in contemporary conditions

The Populist Radical Right and Health Michelle Falkenbach, Scott L. Greer, 2021-09-07 This contributed volume is the first in depth analysis of the health policies of populist radical right PRR parties worldwide and their actual involvement in health care The prominence of authoritarian nationalistic and populist parties is expanding steadily However it is often difficult to discern what kind of policies they really stand for particularly with regard to the welfare state and public health where research remains sparse This book fills this critical gap The text connects PRR parties and leaders with actual health and social policy effects in Eastern and Western Europe as well as in the United States Brazil and the Philippines The chapters highlight ten individual country case studies authored by young scholars and professors with political science and health experts The Austrian Freedom Party in Government A Threat to Public Health The Alternative for Germany AfD and Health Policy Normalization or Containment of Populist Radical Right Tendencies Populist Radical Right Influence on Health Policy in the Netherlands The Case of the Party for Freedom PVV The Evolution of the Populist Radical Right and Their Impact on Health in Italy The Populist Radical Right and Health in Hungary Is the Polish Law and Justice PiS a Typical Populist Radical Right Party A Health Policy Perspective The Case of the United Kingdom Independence Party UKIP Rhetoric and Reality in the United States of America Trump Populism and Health Policy Ruling Through Chaos in Brazil Bolsonaro s Authoritarian Agenda for Public Health An Authoritarian Reaction to COVID 19 in the Philippines A Strong Commitment to Universal Health Care Combined with Violent Securitization The Populist Radical Right and Health is exceptionally timely and essential reading for political science and health colleagues researching and writing about PRR parties and leaders students and faculty in public health health and social policy and political science and anyone interested in learning more about this topic

Freedom and Security T. Fitzpatrick, 1999-06-23 A basic income would be an income paid periodically and unconditionally to every man woman and child as a fundamental right of citizenship and without reference to employment marital and household status It would be a means of ensuring the twin objectives of freedom and security for all This book provides an introduction to the basic income debate examining a range of arguments for and against and so will be of interest to anybody concerned with the future direction of the welfare state

Citizenship, Diversity and Pluralism Alan Cairns, 1999 Citizenship has both a vertical and a horizontal dimension The vertical links individuals to the state by

reinforcing the idea that it is their state that they are full members of an ongoing association that is expected to survive the passing generations Accordingly their relation to the state is not narrowly instrumental but is supported by a reservoir of loyalty and patriotism that gives legitimacy to the state The horizontal relationship is the positive identification with fellow citizens as valued members of the same civic community Here citizenship reinforces empathy and sustains solidarity through its official endorsement of who counts as one of us Citizenship therefore is a linking mechanism that in its most perfect expression binds the citizenry to the state and to each other In Citizenship Diversity and Pluralism leading scholars assess the transformation of these two dimensions of citizenship in increasingly diverse and plural modern societies both in Canada and internationally Subjects addressed include the changing ethnic demography of states social citizenship multiculturalism feminist perspectives on citizenship aboriginal nationalism identity politics and the internationalisation of human rights Alan C Cairns is adjunct professor of political science at the University of Waterloo and author of Charter versus Federalism The Dilemmas of Constitutional Reform John C Courtney is professor of political science at the University of Saskatchewan and author of Do Conventions Matter Choosing National Party Leaders in Canada Peter MacKinnon is president of the University of Saskatchewan and has served as president of both the Canadian Association of Law Teachers and the Council of Canadian Law Deans Hans J Michelmann is professor of political science and acting associate dean Academic of the College of Arts and Science at the University of Saskatchewan David E Smith is professor of political studies at the University of Saskatchewan

The Nordic Populist Radical Right Ann-Cathrine Jungar, 2024-08-05 This edited volume examines populist radical right parties in the Nordic region Somewhat surprisingly given the image of a consensual egalitarian and progressive region of Europe the Nordic countries have been fertile ground for the radical right Not only have radical right parties persisted for many decades but they are currently much stronger in this region than in most other European countries today In this book the contributors analyse the electoral ideological and organisational aspects of the radical right in the Nordic region The Progress Party in Norway Fremskrittspartiet FrP the Sweden Democrats Sverigedemokraterna SD Danish People's Party Dansk Folkeparti DF and the Finns party Perussuomalaiset PS It also explores how mainstream parties and the media have reacted to the rise of the radical right whether the radical right is integrated into mainstream politics the extent to which they challenge the dominant ideological paradigm of Nordic politics and whether they mobilise and organise differently to other parties Understanding the Nordic radical right is crucial to comprehending the transformation of Nordic politics but also changes in European politics more generally This book will be of interest to students and scholars of Scandinavian politics populism the radical right and comparative party politics

Radical Right Pippa Norris, 2005-08-22 During recent decades radical right parties have been surging in popularity in many nations gaining legislative seats enjoying the legitimacy endowed by ministerial office and striding the corridors of government power The popularity of leaders such as Le Pen Haider and Fortuyn has aroused widespread popular concern and a burgeoning scholarly literature Despite the interest

little consensus has emerged about the primary factors driving this phenomenon The puzzle is to explain why radical right parties have advanced in a diverse array of democracies including in Austria Canada Norway France Italy New Zealand Switzerland Israel Romania Russia and Chile while failing to make comparable gains in similar societies elsewhere such as in Sweden Britain and the United States This book first published in 2005 expands our understanding of support for radical right parties through presenting an integrated new theory which is then tested systematically using a wealth of cross national survey evidence covering almost forty countries

Researching the Far Right Stephen D. Ashe, Joel Busher, Graham Macklin, Aaron Winter, 2020-11-09 Researching the Far Right brings together researchers from across the humanities and social sciences to provide much needed discussion about the methodological ethical political personal practical and professional issues and challenges that arise when researching far right parties their electoral support and far right protest movements Drawing on original research focussing mainly on Europe and North America over the last 30 years this volume explores in detail the opportunities and challenges associated with using ethnographic interview based quantitative and online research methods to study the far right These reflections are set within a wider discussion of the evolution of far right studies from a variety of disciplinary viewpoints within the humanities or the social sciences tracing the key developments and debates that shape the field today This volume will be essential reading for students and scholars with an interest in understanding the many manifestations of the far right and cognate movements today It also offers insight and reflection that is likely to be valuable for a wider range of students and scholars across the humanities and social sciences who are carrying out work of an ethically politically personally practically and professionally challenging nature

The Politics of the Nazi Past in Germany and Austria David Art, 2005-12-19 This book argues that Germans and Austrians have dealt with the Nazi past very differently and these differences have had important consequences for political culture and partisan politics in the two countries Drawing on different literatures in political science Art builds a framework for understanding how public deliberation transforms the political environment in which it occurs The book analyzes how public debates about the lessons of history created a culture of contrition in Germany that prevented a resurgent far right from consolidating itself in German politics after unification By contrast public debates in Austria nourished a culture of victimization that provided a hospitable environment for the rise of right wing populism The argument is supported by evidence from nearly two hundred semi structured interviews and an analysis of the German and Austrian print media over a twenty year period

The Radical Right in Europe: An Overview Michael Minkenberg, 2011-02-01 European challenges call for European responses The spread of extremist and xenophobic attitudes and the proliferation of right wing political movements are challenges confronting all of Europe This book provides a conceptual framework for comparing right wing radicalism in Europe and offers country specific data on the right wing radicalism and extremism It constitutes a solid base of knowledge on the current situation in ten European countries Austria Belgium Denmark France Hungary Italy The

Netherlands Sweden Switzerland and the United Kingdom Key topics include the success stories of right wing radical political parties the strength of their movements the existence of sub cultural milieus of the radical right and of corresponding factors that influence the rise of the radical right in Europe **The Populist Radical Right** Cas Mudde, 2016-10-04 The populist radical right is one of the most studied political phenomena in the social sciences counting hundreds of books and thousands of articles This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field which make them less time specific The reader is organized in six thematic sections 1 ideology and issues 2 parties organizations and subcultures 3 leaders members and voters 4 causes 5 consequences and 6 responses Each section features a short introduction by the editor which introduces and ties together the selected pieces and provides discussion questions and suggestions for further readings The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments most notably the Greek economic crisis and the refugee crisis and suggest avenues for future research

Radical Right And The Welfare State Introduction

In the digital age, access to information has become easier than ever before. The ability to download Radical Right And The Welfare State has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Radical Right And The Welfare State has opened up a world of possibilities. Downloading Radical Right And The Welfare State provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Radical Right And The Welfare State has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Radical Right And The Welfare State. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Radical Right And The Welfare State. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Radical Right And The Welfare State, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Radical Right And The Welfare State has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Radical Right And The Welfare State Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Radical Right And The Welfare State is one of the best book in our library for free trial.
