**Good Comes First** S. Chris Edmonds,Mark S. Babbitt,2021-09-28 Discover the practical step by step guide to creating a workplace culture that s better for employees customers and stakeholders and your company s bottom line For decades talented people have tolerated old school leaders who put results before respect toxic company cultures and workplaces that suck But those days are over and if leaders want to attract and retain the best employees while improving productivity customer service employee satisfaction and profits it s time for them to create work cultures where good comes first The problem is that because the corporate world has too often been driven primarily by results we seldom ask leaders to change their work cultures Even if we did most leaders don t know how This book provides the actionable inspiration and practical direction needed to make that change happen In *Good Comes First* S Chris Edmonds and Mark S Babbitt go beyond theoretical advice using their combined 50 years of experience to present proven strategies for creating purposeful positive

and productive work cultures Cultures where good comes first for employees customers leaders and stakeholders and where improved business outcomes quickly follow In these pages readers will learn to Appreciate why a good comes first culture is a business imperative especially for younger generations Distance yourself from the competition that maintains its undefined work culture one that most likely sucks Identify what good means for your company in today s business climate and in the future of work Define your uncompromising work culture as you build a foundation of respect AND results Formalize your team s servant purpose so that everyone understands how what your team does improves lives and communities Specify respectful behaviors so your desired values are observable tangible and measurable Align your entire organization to your desired work culture where good comes first every day Assess the quality of your current work culture by measuring and monitoring how well your leaders and your executive team demonstrate your servant purpose valued behaviors strategies and goals Hold everyone accountable for both respect and results through modeling celebrating measuring coaching and mentoring leaders and team members Implement real needed change and quit thinking and talking about change but never really get change started Become a change champion while creating a lasting legacy as a business leader Build a team of good people doing good work in a good company What s more Good Comes First shows you where potential barriers to success hide and how to push through them and illuminates the moments when you ll feel the most satisfaction and gain the most traction After reading this book you will see that when done right change is not only possible it s practical powerful and profitable And you will realize that you are the right person at the right time to make that change happen
