to one of Christianity's most endearing prayer warriors and guides them through her most radical teachings. Here Teresa of Avila is not a lofty inaccessible saint; she's a companion taking readers on a rollicking journey through their own interior castles. The secrets of Teresa's intimate devotional life are revealed and readers learn practical ways to abandon complicated contemplative prayer techniques and simply enjoy God. This journey through the life and writings of Teresa of Avila will engage Christians who would have never before considered encountering a post-Reformation Catholic nun. Mair Burney makes Teresa accessible and essential for understanding what it means to come to know God and how it's possible. I've been waiting for some time for the Ragamuffin Diva to write us a book about her own spiritual quest. And what she has delivered in *God Alone Is Enough* is beautifully written, winsome, and touching. Hers is a voice to which we all should listen. And the fact that she brings Teresa of Avila right into our own backyards makes it even better. Tony Jones is the author of many books, including *The Teaching of the Twelve*, *Believing and Practicing the Primitive Christianity of the Ancient Didache Community*. Reading *God Alone Is Enough* was an absolute joy. I experienced it as the gift of two older, sassy, rib-tickling sisters: one, Teresa of Avila, and the other, Claudia of Burney, who sat their kid brother me up on the washing machine and said, "look, junior, this is what love is all about. You trust them because you believe they care for you, but moreover because they have that glorious foolishness in their eyes." John Blase, author of *Touching Wonder: Recapturing the Awe of Christmas*. This is the kind of book that a serious Christian has to thank God for. It only illuminates and opens St. Teresa of Avila in a profound and intimate way. I cannot recommend this book too highly, or I suspect even adequately. Read it, and you will see what I mean. Phyllis Tickle, author of *The Divine Hours*. A refreshing and engaging exploration with Teresa of Avila. Also a true journey of soul into the heart of prayer. Vinita Hampton Wright, author of *Dwelling Places*. Claudia Mair Burney writes with courage and compassion, capturing the best of Teresa and offering it to her readers with clarity and humor. *God Alone Is Enough* is an invitation and a celebration. Expect to swoon, prepare to feast. Jenny Schroedel, author of *Naming the Child: Authenticity, Passion, and Advocacy*. Thomas E. Malewitz, 2020-07-08. Adolescence can be best summarized as a time of authenticity, passion, and advocacy. As adolescents start maturing on a life journey that leads them away from dependence on their parents to becoming an independent adult, they often seek out honest and transparent mentors to learn from and trust for wisdom and guidance. Although Thomas Merton, the celebrated spiritual author and Cistercian monk, is better remembered for his writings on ecumenism, nonviolence, and advocacy, he also had several documented correspondences with adolescents throughout his life. By examining these artifacts, it is clear that Thomas Merton had great insight into the spiritual needs and challenges of adolescents. Throughout his life, Merton's authentic struggles often parallel the searching nature that defines adolescent spirituality. Through scholarship and practice, this book will explore how the life and writings of Thomas Merton may serve as a guide and bridge for ministers of adolescents and will offer some practical suggestions for ministers, educators, and parents on topics affecting contemporary adolescents through the lens of Thomas Merton's life and writings.
