Tomlinson, Carol Lynch-Brown, 1995 The sixth edition Essentials of Children's Literature offers a concise straightforward presentation of children's literature that engages students and motivates them to share literature with children Written with a comprehensive facts only approach this lucid resource offers an abundance of examples to illustrate how to use children's literature in the classroom **Index to Poetry for Children and Young People, 1993-1997** G. Meredith Blackburn, 1999 A title subject author and first line index to poetry in collections for children and young people with a list of books and a directory of publishers The Elementary School Library Collection Brodard, 1996-02 A primary source for the continuous development evaluation and maintenance of existing collections Includes books big books large type books periodicals art and study prints pictures sound filmstrips sound recording discs and cassettes compact discs multimedia kits videocassettes microcomputer software videodiscs and CD ROM products Three Voices Bernice E. Cullinan, 1995 Teachers know that poetry is a great deal more than just an add on or an enrichment to be fitted into the curriculum at a spare moment And they are aware of how positively children respond to and learn from reading and writing poetry The key is to know where to start and how to develop teaching ideas that make poetry a natural and enjoyable part of classroom work The text is organized around strategies for using poetry There are thirty three detailed strategies spelled out and nearly three hundred brief suggestions Sidebars contain information on such topics as criteria and a checklist

for selecting the kinds of poetry children like and descriptions of poetry forms **Children's Catalog** H.W. Wilson Company,1991 The 1st ed includes an index to v 28 36 of St Nicholas **Literature and the Child** Bernice E. Cullinan, Lee Galda,1998 With a slender design and appealing art Cullinan and Galda present a thought provoking discussion on how children can read to respond read to learn and read to enjoy This text provides evaluation criteria for selecting superior children s books rather than listing thousands of titles and synopses Booklists direct readers to quality literature and extended discussions of selected titles demonstrate the selection criteria Multicultural literature is discussed throughout the text with a separate chapter on more specific multicultural issues Numerous teaching ideas many of which are contributed by classroom teachers provide practical applications This is a book for teachers stressing the use of good books in a literature based curriculum **Children's Literature in the Elementary School** Charlotte S. Huck,1997 *The Horn Book Guide to Children's and Young Adult Books* ,1993 Contemporary Authors Scot Peacock,2002-02 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world s most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details
