teachers reflect on how the metaphors they use to think about education shape what happens in their classrooms and in their schools Teaching and learning will differ in classrooms whose teachers think of students as plants to be nurtured from those who consider them as clay to be molded Students will be assessed differently if teachers think of assessment as a blessing and as justice instead of as measurement This volume examines dozens of such metaphors related to teaching and teachers learning and learners curriculum assessment gender and matters of spirituality and faith The book challenges teachers to embrace metaphors that fit their worldview and will improve teaching and learning in their classrooms **James (ESV Edition)** R. Kent Hughes, 2015-09-30 The epistle of James is one of the most practical books in the New Testament Focused on what the Christian life looks like in practice this short letter highlights a crucial truth about genuine faith it always leads to good works In this redesigned volume in the popular Preaching the Word commentary series Kent Hughes walks readers through James's important teaching about what it means to follow Jesus exploring the call to persevere through suffering the relationship between faith and works and the importance of taming the tongue Accessible yet robust this commentary will help pastors Bible teachers and small group leaders understand and communicate the message of the book of James with insight and clarity Part of the Preaching the Word series **Book of Jesus** Calvin Miller, 1998 An anthology of stories poems essays biblical passages hymns and songs celebrates the life of Jesus Christ in a collection that features contributions from Shakespeare Gandhi Dickens Desmond Tutu and others **Jesus** Walter Wangerin Jr., 2009-05-18 Walter Wangerin Jr is known for his powerful storytelling in such books as The Book of the Dun Cow The Book of God and Paul A Novel Now he offers the most important story of the Christian faith the life of Jesus presented in the author's inimitable style Rich in atmosphere and historical detail and as compelling as any contemporary fiction this novel will move readers with its creative perspectives and deep insights **Martyr's Manual** Wayne Brouwer, 2019-05-28 Faith gets its most powerful definition from the New Testament book of Hebrews Yet this anonymous treatise tantalizes with both its lack of contemporary precision about faith's definition and its shrouded original context There are however sufficient clues in Hebrew's text to guide astute investigators toward a strange and yet familiar world of religious challenge in which the deeply significant rituals of ancient Israel the attractive moral character of first century Jews in Rome a crowd of disaffected righteous Romans and a purported Palestinian messiah converge to produce one of the world's most thoughtful courageous and brilliant calls to martyrdom In this careful pilgrimage along the author's meticulous development of a holy challenge to remain faithful to Jesus precisely because there are no meaningful alternatives Brouwer helps us find an inspiring and ever relevant call to faith we become the persons we are through the daily choices we make about Jesus and others **Authority Vested** Mary Todd, 2000 Like other major Protestant denominations in the United States the 2.6 million member Luther Church Missouri Synod LCMS founded in 1847 has struggled with issues of relevance and identity in society at large In this book Mary Todd chronicles the history of this struggle for identity in the LCMS critically examining the central often contentious issue of authority in

relation to Scripture ministry and the role of women in the church In recounting the history of the denomination Todd uses the ministry of women as a case study to show how the LCMS has continually redefined its concept of authority in order to maintain its own historic identity Based on oral histories and solid archival research Authority Vested not only explores the internal life of a significant denomination but also offers critical insights for other churches seeking to maintain their

Christian distinctives in religiously pluralistic America **Drinking from the Wells of New Creation** Kerry
