broken world Rahab's scarlet cord is more than just a symbol of physical deliverance it is a picture of the redemption available to all through faith in Jesus Christ Just as Rahab was saved through her faith in God's promise we too are offered salvation through the blood of Christ which cleanses and restores us to a right relationship with God What does it mean for you to have faith like Rahab How does her story speak to your own need for redemption and God's willingness to restore anyone who calls on His name Rahab's faith teaches us that redemption isn't about our past but about God's grace to transform us No matter how far we've fallen His love is always willing to redeem and restore us to our rightful place in His plan Step into Rahab's Faith and see how God's grace can rewrite anyone's story Through faith in Christ the scarlet cord of redemption is extended to all offering hope healing and a future beyond our past *Rahab* Shadia Hrichi,2023-10-31 Step into the story of Rahab a woman who witnessed no miracles and knew none of God's laws She merely heard of God's power and believed The story of Rahab appears after God commissions Joshua to lead the Israelites after the death of Moses No sooner do the people come to the edge of the Promised Land than God puts the whole drama on hold to tell us the story of a Canaanite prostitute This interruption of the conquest story gives us our first glimpse into the theological significance of Rahab's story In the New Testament Rahab holds a surprisingly prominent position in several key faith passages as well as being listed in the lineage of Christ In fact she marries a prince The prostitute marries a prince This is the stuff of movies The heartbeat of the Bible is God's passionate pursuit of his adulterous Bride a theme that echoes within the depths of every human heart But the best part Rahab's story is our story It's a story centered on three key themes without which there would be no Bible no gospel and no Savior faith grace and salvation Through her daring faith Rahab hid enemy spies defied her king risked her life and found the living God By the time you finish this six week study you will never look at the story of Rahab the same way again The Prostitution of a Nation through the eyes of Rahab Lola Thomas,2024-03-06 The Prostitution of a Nation is an intriguing book that will lead you through the systems of the world and reveal to you that we all like Rahab are and have been prostituted This book will take you through the original meaning of words that we have been taught incorrectly If you have been a Christian all of your life and you cannot heal a headache this book is for you If you want more out of your Christian life this book is for you If you want to lead and not be a follower this book is for you The message of the kingdom of heaven will transform your life to the life Jesus died for you to truly have Rahab The Prostitute Dorian Zander,AI,2025-02-12 Rahab The Prostitute delves into the captivating narrative of Rahab from the Book of Joshua illuminating her unexpected yet crucial role in salvation history and her inclusion in the genealogy of Jesus Christ The book explores how Rahab's actions rooted in faith defied societal norms and ultimately positioned her as an ancestor of Jesus It highlights that God's grace extends to the most unlikely individuals challenging conventional ideas about holiness The book progresses by first setting the historical scene of ancient Canaan then examining Rahab's interaction with the Israelite spies and further tracing the lineage of Rahab to both King David and Jesus It meticulously uses biblical texts historical records

and theological analyses to support its arguments also drawing upon rabbinical commentaries This exploration provides readers with a richer understanding of Rahab's motivations and the implications of her choices The book uniquely blends storytelling with rigorous analysis presenting a nuanced perspective on the complexities of the biblical narrative while emphasizing redemption It aims to offer practical insights into contemporary faith and outreach encouraging faith and recognizing God's transformative power The book will appeal to a broad audience seeking a deeper understanding of biblical characters and the all encompassing nature of God's grace

Feminist New Testament Studies K. Wicker, M. Dube, A. Many Christians wrestle with biblical passages in which God commands the slaughter of the Canaanites men women and children and the book of Joshua in particular showcases the genocidal violence which saturates the Old Testament The issue of the morality of the God portrayed in these passages is one of the major challenges for faith today leading many Christians to cast doubt over what if any theological value can be gleaned from such accounts and how they can even be called Holy Scripture In this bold and innovative book Douglas Earl grasps the bull by the horns and guides readers to new and unexpected ways of looking at the book of Joshua

Joshua Gordon H. Matties, 2012-05-02 In an age of fear and insecurity in which ethnic nationalism continues to give rise to conflict and war we dare not avoid critical engagement with biblical texts that have been used to justify colonialism conquest occupation and ethnic cleansing Building on the idea of Scripture as dialogue partner Matties advocates for the book of Joshua even as he engages in a difficult conversation with it In his commentary the twenty fifth volume in the Believers Church Bible Commentary series Matties calls for an openness to the unexpected in the book of Joshua He suggests that reading Joshua carefully will open windows into how and why we read Scripture at all **Vindicating the Vixens** Sandra Glahn, 2017 Christianity Today 5 Star Review Publishers Weekly Review Foreword Reviews Indie Awards Finalist Gain a greater understanding of gender in the Bible through the eyes of a diverse group of evangelical scholars who assert that Christians have missed the point of some scriptural stories by assuming the women in them were bad girls Did the Samaritan woman really divorce five husbands in a world where women rarely divorced even one Did Bathsheba seduce King David by bathing in the nude Was Mary Magdalene really a reformed prostitute While many have written studies of the women in the Bible this is a new kind of book one in which an international team of male and female scholars look afresh at vilified and neglected women in the Bible The result is a new glimpse into God's heart for anyone male or female who has limited social power [Joshua, Judges, and Ruth](#) Carolyn Pressler, 2002-01-01 Who is God How does God act in our lives How are we to act as God's faithful people Joshua Judges and Ruth represent a chorus of voices reflecting on Israel's earliest days in its land In Joshua God empowers an obedient Israel to conquer the promised land In Judges Israel's faithlessness and God's wrath lead to a downward spiral of sin subjugation and

social disintegration Ruth narrates a story of divine blessing worked out through human loyalty Within these plots the characters wrestle with a range of issues including faithfulness versus faithlessness identity leadership and the nature of providence Pressler explores these themes in their historical context while also presenting their relevance for the church today From publisher s description **Mothers on the Margin?** E. Anne Clements,2014-05-01 The Gospel of Matthew opens with a patrilineal genealogy of Jesus that intriguingly includes five women Tamar Rahab Ruth she of Uriah and Mary In a gospel that has a strongly Jewish and male orientated outlook why are women incorporated In particular why include these four Old Testament women alongside Mary Rejecting traditional as well as feminist views Anne Clements undertakes a close literary reading of the narratives to discern how each woman is characterized and presented All are significant scriptural figures on the margins of Israelite society From this intertextual world established by Matthew Clements explores why Matthew may have named these women in the opening genealogy and what implications their inclusion may have for the ongoing gospel narrative Mothers on the Margin argues that Matthew s Gospel contains a counter narrative focused on women The presence of the five women in the genealogy indicates that the birth of the Messiah will bring about a crisis in Israel s identity in terms of ethnicity marginality and gender The women signal that Matthew s Gospel is concerned with the construal of a new identity for the people of God **The Bible at Qumran** Tae Hun Kim,2001-03-26 This new volume in the Studies in the Dead Sea Scrolls and Related Literature series explores two principal themes the text and shape of the Bible at Qumran and the interpretation of these scriptures by the Qumran community and other ancient Jews Written by leading scholars in the field these informed studies make an important contribution to our understanding of these two pivotal topics
