Railroad Journeys around The World:

Lost Railway Journeys from Around the World Anthony Lambert, 2018-11-15 Lost Railway Journeys from Around the World revisits our forgotten railway heritage in a beautiful visual and textual exploration of historic lines that can no longer be travelled From the great cathedral like railway stations of the steam age to obscure lines built through spectacular landscapes to open up countries before the advent of motorised road transport this book is a celebration of our forgotten railway heritage the routes that have been lost to the sands of time Through stunning images this book evokes the romance and drama of these journeys taking the reader as close as they can possibly get to this lost world of dining cars sleeping cars station porters and international rail travel Organised by continent all of these routes have stories to tell and the lost journeys are captured in the old postcards and posters that accompany photographs drawn from collections and archives across the world

History of the World in 500 Railway Journeys Sarah Baxter, 2019-06-01 History is everywhere and is never as complete as when it can be accessed on a part of history itself The locomotive is one of the great steps in progress of civilisation that undoubtably connects us to land and history that was shaped by the machine itself Although a basic form of railway or rutway did exist in Ancient Greek and Roman times notably the ship trackway between Diolkos and the Isthmus of Corinth around 600 BC it would take several thousand years before the first fare paying passenger service was launched in the early nineteenth century Some two hundred years on it is possible to travel by train to some of the world's most remote and remarkable destinations and track the many wonderful legacies of the Earth's extensive history man made and otherwise From prehistoric rock formations to skyscraper cities slow steam engines to high speed bullet trains let A History of the World in 500 Railway Journeys be your guide Through its beautifully illustrated pages and 500 awe inspiring railway journeys you can chart your own transcontinental itinerary through time Chug through canyons steam past ancient monuments speed through cities luxuriate in the railcars of presidents and queens or make express connections between key historical moments or epic eras A History of the World in 500 Railway Journeys has it all A must read for travellers railfans and history buffs alike offering inspiration and information in equal measure
