Myrick,2016-07-05 Valuable as these volumes are in relation to railroad operations in Nevada and California their usefulness as authoritative reference sources embraces a much broader scope Railroads of Nevada and Eastern California is as much a history of the region as it is a study of the railroads The principal mines and mills and their production are scrupulously detailed together with the personalities who created them The final volume in the complete history of Nevada and Eastern California railroads David Myrick s monumental railroad histories have become essential reference works for railroaders historians and hobbyists Volume III contains additional information about the northern roads including some not covered in previous volumes and about developments since the publication of the first two volumes in the railroads of the region It provides new facts gleaned from the correspondence of Collis P Huntington one of the builders of the Central Pacific and Southern Pacific railroads It also covers roads connected with the lumber industry and the construction of electric power plants and Southern Pacific branch lines including some that never advanced beyond surveys

Railroads of Nevada and Eastern California-Set David F. Myrick,2007-10-03 Valuable as these volumes are in relation to railroad operations in Nevada and California their usefulness as authoritative reference sources embraces a much broader scope Railroads of Nevada and Eastern California is as much a history of the region as it is a study of the railroads The principal mines and mills and their production are scrupulously detailed together with the personalities who created them A map has been provided in Volume I to orient the reader to the locales described It is an accurate and reliable travel aid for readers who choose to wander the region s historic railroad routes In this volume Myrick begins his history with coverage of the sprawling network of the northern railroads The setting for Volume II is the varied and spectacular geography of southern Nevada and eastern California from Death Valley and the Mojave Desert to the hard rock tunnels of Goldfield and the isolated communities of Rhyolite and Pioche This volume also contains a handy index and an updated locomotive roster Volume III contains additional information about the northern roads including some not covered in previous volumes and about developments since the publication of the first two volumes in the railroads of the region It provides new facts gleaned from the correspondence of Collis P Huntington one of the builders of the Central Pacific and Southern Pacific railroads

Railroads of Nevada and Eastern California: The southern roads David F. Myrick,1963 *Railroads of Nevada County* Andrew Brandon,2018 The Central Pacific Railroad was the first railroad to enter Nevada County as it constructed eastward in 1865 At the base of the eastern slope of Donner Pass the railroad established a construction camp now known as Truckee before following the Truckee River to the Nevada state line Truckee became home to expansive locomotive facilities for helper locomotives on trains westbound over Donner Pass after the completion of the Transcontinental Railroad Through the end of the 19th century additional railroads were constructed bringing the outside world closer to the remote corners of

the county Railroads like the Nevada County Narrow Gauge Railroad and Nevada County Traction Company served the gold rush era boomtowns of Grass Valley and Nevada City Lumber companies like the Towle Brothers and the Sierra Nevada Wood Lumber Company brought rail into the forests and filled the demand for lumber throughout the region Railroads of Nevada and Eastern California: More on the Northern roads David F.
