

RAILS TO THE LAKES

**The Story of the
Hamilton & Northwestern Railway**

Charles Cooper

Rails To The Lakes The Story Of The Hamilton Northwestern Railway

Ken Cruikshank

Rails To The Lakes The Story Of The Hamilton Northwestern Railway:

Rails to the Lakes Charles Cooper,1980 **Close Ties** Ken Cruikshank,1991 Focusing on the historic controversies surrounding freight rates *Close Ties* explores the ways in which Canadians tried to regulate the nation's first big business the railways Ken Cruikshank challenges earlier interpretations concluding that the history of railway regulation in Canada is not a story of powerful business corporations using governments to subvert the people's interests nor a tale of righteous people overcoming robber barons Instead he presents a more complex and engaging account of how governments tried to accommodate the equally selfish demands of divergent and conflicting interests in a competitive economy **Railroad**

History ,1983 Dundurn Railroad 6-Book Bundle Ron Brown,2016-07-23 A must for any Canadian railroad aficionado this special bundle gathers six books in one for a can't miss retrospective of the nation's railway history *Rails Over the Mountains* Explore western Canada's rich railway history travelling from the grand railway hotels and rustic stations to relive a time when trains used to rumble in the West *Rails to the Atlantic* Explore eastern Canada's railway heritage including stations from the late 1850s grand hotels bridges and roundhouses *The Train Doesn't Stop Here Anymore* Once the lifeblood of Canada railways and heritage stations are a fading part of the patrimony of communities across the nation *Rails Across Ontario* Train buffs and history lovers now have a book that explores the heritage of Ontario's railways from its oldest stations to its highest bridges most glamorous hotels and historic train rides *Rails Across the Prairies* Canada's rail lines were pivotal in establishing the icons that mark today's landscape massive bridges sentinel like grain elevators pattern book wayside stations *In Search of the Grand Trunk* Discover the legacy and lore of Ontario's railway era by exploring the lost and abandoned rail lines that once were essential to the province's well being **Dundurn Railroad 5-Book Bundle** Ron

Brown,2015-08-08 Ron Brown is Canada's leading literary authority on the history of Canada's railways particularly those now lost branches from the golden age of steam that once ran like veins and arteries throughout the country This special five book bundle collects several of his titles including *In Search of the Grand Trunk* which takes a close look at Ontario's railway heritage in the late 19th and early 20th centuries the poignant *The Train Doesn't Stop Here Anymore* an examination of the railroad's impact on communities when it leaves town and *Rails Across Ontario* *Rails Across the Prairies* and the new *Rails to the Atlantic* which trace the development of rail across the country and its economic and social impact Brown's books are entertaining but also meticulously researched This bundle is a treasure trove for the railway enthusiast Includes *In Search of the Grand Trunk* *Rails Across the Prairies* *Rails Across Ontario* *The Train Doesn't Stop Here Anymore* *Rails to the Atlantic*

In Search of the Grand Trunk Ron Brown,2011-05-02 Explore Ontario's forgotten rail lines and experience the legacy and lore of this the vital railway era of Ontario's history At its peak between 1880 and the 1920s Ontario was criss crossed by more than 20 000 kilometres of rail trackage Today only a fraction remains Yet trains once hauled everything from strawberries to grain cans of milk and even eels Villagers depended on trains to visit friends attend weddings to shop and to

go to school They gathered on station platforms to await their mail or greet a long lost relative Holidayers packed their trunks and headed north for an extended summer day at their favorite resorts Today these are but a distant memory as most of Ontario's once essential transportation links lie abandoned and largely forgotten But perhaps not entirely many rights of way have become rail trails and now witness hikers cyclists equestrians and snowmobilers Others sadly lie overgrown and barely visible Yet regardless of how one follows these early routes one will find preserved stations historic bridges and railway era buildings all of which recall this bygone era **The Train Doesn't Stop Here Anymore** Ron Brown,2014-08-30

Once the economic and social lifeblood of Canada the country's railways and heritage stations are a fading part of the patrimony of communities across the nation **Model Railroad Craftsman** ,1981 **Poor's Manual of Railroads** ,1887

Extracts from the Style Book of the Government Printing Office United States. Government Printing Office,1915

Report of the Insurance Commissioner of the Commonwealth of Pennsylvania for the Period ... Pennsylvania. Insurance Department,1902 *Engineering News-record* ,1886 **Engineering News and American Contract Journal** ,1885 *The Book of Chicagoans* ,1905 **Report of the Insurance Commissioner** Pennsylvania. Insurance Department,1908 **Railfan & Railroad** ,2005 **Official Documents, Comprising the Department and Other Reports Made to the Governor, Senate, and House of Representatives of Pennsylvania** Pennsylvania,1899

Canadiana ,1981 The Rail-roads, History and Commerce of Chicago William Bross,1851 **Railway Locomotives and Cars** ,1832
