**The Railway Age in Australia** Robin Bromby, 2004 Brimming with anecdotes this is a colourful account of Australias railways right up to the latest developments Featuring the trains that have become household names the towns that sprang up along the lines and the people who have shaped this fascinating part of our society Railway Age Gazette, 1916 *The Railway Age*, 1905 **The Railway Age**, 1904 **Railway Age**, 1932 The Railway Age and Northwestern Railroader, 1899 **Railway Age and Northwestern Railroad**, 1896 **Railroad Age Gazette**, 1909 **Australia's Railways** Ed Wright, 2015-10-27 When Australia was first settled by Europeans in 1788 the worldwide railway boom was still 40 years away When the railways finally came to Australia they helped create new towns and alleviate the isolation of the outback Communities began to consolidate in places where the rail came In the cities the railway enabled the growth of commuter belt suburbs They have been crucial to the development of Australian industry Railways and associated industries were the biggest employers in Australia The railways reached their pinnacle in the 1950s but they have been disadvantaged by Australia s sparsely distributed population and low density cities the advancement of the motor vehicle and air travel Nonetheless the future for our railways is not completely grim While the romance of the long distance passenger journey seems to have more tourist than utilitarian value the growing population in Australia s major cities as well as the traffic and environmental problems caused by cars means that urban railways are more vital than ever to the effective operation of cities The railways also continue to play an important part in freighting the produce of Australia s primary industries as well as in agriculture Combined with the large number of heritage and tourist trains these ensure that even today some of the romance of the railways remains The Railway Age Monthly and Railway Service Magazine, 1881 Selected Articles on Government Ownership of Railroads Edith May Phelps, 1916 **List of Publications Pertaining to Government Ownership of Railways** Bureau of Railway Economics (Washington, D.C.), 1914 *List of Publications Pertaining to Government Ownership of Railways* Association of American Railroads. Convention, American Electric Railway Association, 1916 **Selected Articles on Government Ownership of Railroads**, 1914 **A World History of Railway Cultures, 1830-1930** Matthew Esposito, 2021-08-29 A World History of Railway Cultures 1830 1930 is the first collection of primary sources to historicize the cultural impact of railways on a global scale from their inception in Great Britain to the Great Depression Its dual purpose is to promote understanding of complex historical processes leading to globalization and generate interest in transnational and global comparative research on railways In four volumes organized

by historical geography this scholarly collection gathers rare out of print published and unpublished materials from archival and digital repositories throughout the world It adopts a capsule approach that focuses on short selections of significant primary source content instead of redundant and irrelevant materials found in online data collections The current collection draws attention to railway cultures through railroad reports parliamentary papers government documents police reports public health records engineering reports technical papers medical surveys memoirs diaries travel narratives ethnographies newspaper articles editorials pamphlets broadsides paintings cartoons engravings photographs art ephemera and passages from novels and poetry collections that shed light on the cultural history of railways The editor s original essays and headnotes on the cultural politics of railways introduce over 200 carefully selected primary sources Students and researchers come to understand railways not as applied technological impositions of industrial capitalism but powerful fluid and idiosyncratic historical constructs      *Cassier's Engineering Monthly* ,1915
