

THE RAIN BARREL

A young boy in a blue shirt and jeans walks away from the viewer on a grassy hill. In the background, there is a small white house with a red roof. The sky is filled with large, dramatic clouds, some white and some dark grey, suggesting an approaching storm. The overall scene is a rural landscape.

Rain Barrel And Other Stories:

First Blood and Other Stories Jack Schaefer, 2017-06-01 In these classic stories acclaimed author Jack Schaefer yet again captures the spirit and adventure of the Old West First Blood Schaefer's follow up to Shane tells the tale of Jess Harker a young stagecoach driver finding his way in this coming of age story Jess admires Race Crimm the Company's top messenger for his stature and wild abandon and would have shucked ten years of his life to be driving beside him Jess eager to ride the big trails has the chance to prove himself by driving an important shipment when trouble arises Facing hard choices of honor and justice he must pick a side because his life might just depend on it Jacob Salt of the Earth and One Man's Honor complete this engaging collection of stories by award winning American treasure Jack Schaefer *Rain and Other Stories* John W. Roberts, 2002-10 Rain and Other Stories is a book of eleven short stories about people in crisis Stories like Rope and The Last Day are about educators who have reached crisis moments in their lives and must find some kind of resolution A man wants to live forever in Immortal and in The River and Snow Falling readers will find out how dangerous it is to betray the trust of the McKinley women Rain tells the tale of a young boy abducted by a rebel army in Africa and The Green Chain deals with the dangers of working in a sawmill in Northeastern Montana All of these stories are about the pivotal moments of ordinary people and their responses show us something about how we survive as human beings *The Shaggy Dog & Other Stories* John Pascal, 2017-07-31 Here is John Pascal once again with a new book of entertaining fictional collection of sixteen Shaggy Dog stories and four more traditional tales one a novelette Saki H H Munro and O Henry William Sidney Porter wrote short stories with surprise endings but mainly satirical not comedic As Pascal tells us in his Preface to them All Shaggy Dog tales are comedies high or low depending upon their subject matter and the writers art Briefly getting to the conclusion of a good Shaggy Dog story can be well worth the wait and in a truly great one there can be a lot of fun along the way And he would agree that since traditionally these anecdotes have been related orally at a Club bar or other private or limited venues they have not been given the attention they deserve nor the entertainment they would provide to a larger audience First Love and Other Stories Ivan Sergeevich Turgenev, 1999 Bringing together six of Turgenev's best known stories in one volume this collection includes First Love Asya Mumu The Diary of a Superfluous Man Song of Triumphant Love and King Lear of the Steppes *Barbed Wire Hookers And Other Stories* William D. McCann, 2014-08-29 BARBED WIRE HOOKERS AND OTHER STORIES is a collection of thirteen stories that explore the struggles of those on the ragged edge of existence whether the protagonist is a prostitute in the deserts of Nevada a young American about to be sacrificed by the military industrial complex or a corbina in the pounding surf of Todos Santos Baja del Sur **The Box Social and Other Stories** James Reaney, 1996 The Box Social Other Stories gathers together nine of James Reaney's short fictions written in the 40s and early 50s and never previously collected in book form The collection takes its title from a short piece the author originally published in the University College Undergrad and which provoked a firestorm of eight hundred angry letters from

subscribers when it was republished nationally in the New Liberty in the late 40s It also thwarted the young author's designs on the editorship of the Undergrad because of his clear moral unsuitability for such an august position This is doubtful because the Undergrad eventually came to be edited thirty years later by PQL publisher Tim Inkster The Box Social is remarkable not only that it introduced the theme of date rape to Canadian literature some thirty years before the phrase was coined but also that it is told from Sylvia's point of view and yet again that it ends with one of the quietest lines of literary vitriol imaginable I hated you so much she said softly If Alice Munro has put the sexually awakening female under glass in Lives of Girls and Women then The Box Social could just as easily have been titled Lives of Boys and Men In The Bully the brutality of what passes for etiquette in secondary school is contrasted with the simpler life of the farm personified in Noreen who drops grain in the shape of letters to feed her chickens so that when the hens ate the grain they were forced to spell out Noreen's initials or to form a cross and circle There were just enough hens to make this rather an interesting game Sometimes I know Noreen spelled out whole sentences in this way a letter or two each night and I often wondered to whom she was writing up in the sky The Bully was included in The New Oxford Book of Canadian Short Stories edited by Margaret Atwood and Robert Weaver The young Margaret Atwood first encountered The Bully as an undergraduate She read the story oddly enough in an anthology edited by Robert Weaver and the experience was apparently seminal to her own development as a writer of fiction

The Atheist's Mass and Other Stories Honoré de Balzac, 1896 **The Fall of the House of Usher and Other Stories** , **Better Off Undead and Other Stories** Douglas Milewski, Neb wants the girl next door She only dates vampires To win her heart Neb starts a journey into deepest darkest Ohio traveling from the shopping malls to the video arcades determined to win his girl by losing his life Along the way he is beset by ghosts werewolves his mother a strange girl down the street and a little brother who is too smart for his own good Can Neb become a vampire and win his love Or is he just another teenage idiot over convinced of his own self superiority What would Frampton do Seven other stories are also included in this collection *The Country of the Blind and Other Stories* H. G. Wells, 2020-04-14 In the country of the blind the one eyed man is king Or is he In H G Wells acclaimed tale a stranded mountaineer encounters an isolated society in which his apparent advantage proves less than valuable This thought provoking fable is accompanied by other short stories including The Star a gripping tale about a massive celestial object hurtling toward the Earth as well as The New Accelerator The Remarkable Case of Davidson's Eyes Under the Knife The Queer Story of Brownlow's Newspaper and many more

What Remains and Other Stories Christa Wolf, 1995-12 What Remains collects Christa Wolf's short fiction from early work in the sixties to the widely debated title story first published in Germany in 1990 Addressing a wide range of topics from sexual politics to the nature of memory these powerful and often very personal stories offer a fascinating introduction to Wolf's work What Remains and Other Stories is clear and farsighted The eight heartfelt stories in the book show why she has been respected as a serious author since her 1968 novel The Quest for Christa T Wolf uses her own

experiences and observations to create universal themes about the controls upon human freedom Herbert Mitgang New York Times Christa Wolf has set herself nothing less than the task of exploring what it is to be a conscious human being alive in a moment of history Mary Gordon New York Times Book Review The simultaneous publication of these two volumes offers readers here a generous sampling of the short fiction speeches and essays that Wolf has produced over the last three decades Mark Harman Boston Globe
