The Rain Came Down David Shannon, 2009 Rainfall adversely effects the demeanour and temperament of a town s inhabitants **The Rain Came Down-Pb** David Shannon, 2013-01-01 Mousejunkies! Bill Burke, 2009-05-05 Far more than one obsessed travel writer s take on Walt Disney World Mousejunkies is a collection of amusing travelogues and savvy insider s tips gleaned from a group of seemingly rational adults who find themselves inexplicably drawn to the Magic Kingdom It covers all the essential topics when to go where to say what to do and where to eat as well as experiences not found in other guides Readers learn how to indulge in an all day beer and football orgy at the resort how to extract the family from Fantasmic with sanity intact where to catch a mid afternoon catnap and how a Disney cruise can go very very wrong Packed with useful information from touring plans to restroom reviews these funny affectionate personal accounts paint a vivid portrait of a creatively engineered world where unexpected surprises create lasting memories Approaches to the African Novel Charles E. Nnolim, 2010 This Third Edition of Approaches to the African Novel is a child of necessity Because of the unfortunate death of the publisher of Saros International who issued the First Edition and high demand this third enlarged edition has become imperative Three new essays all previously published are added two expectedly on Achebe the father of the African novel and one on Mongp Beti s Mission to Kala which was partially anthologised in Contemporary Literary Criticism Volume 27 1984 Achebe s Things Fall Apart as an Igbo national epic has evoked a spate of reactions from critics of African literature especially the troika Chinweizu et al in Toward the Decolonization of African Literature It was also anthologised in Modern Black Literature edited by S Okechukwu Menu 1971 The essay on Arrow of God whose structure and meaning has been largely avoided by other critics is included here for further airing For gender balance as the previous volume contained no essays on women writers an essay on Flora Nwapa has been added Since the novels discussed in this volume exclusively are on the African literature south of the Sahara the last essay on Peter Abrahams comes in to round out this collection of essays with a study of a south African writer for geographical balance The Rain Came Down , 2018
