Rainbow Road:

Rainbow Road Alex Sanchez, 2010-05-11 Jason Carrillo came out to his basketball team senior year and lost his university scholarship. Now with graduation behind him and summer ending, he's asked to speak at the opening of a gay and lesbian high school across the country. But after spending years in the closet and losing his scholarship dream, what message can he offer? Kyle Meeks is getting ready to go to Princeton in the fall and trying to see as much as possible of his boyfriend Jason before they have to separate. When Jason tells him about his speaking invitation, Kyle jumps at the chance to drive across country with him. Yet he can't help worrying: Will their romance survive two weeks crammed together in a car? Nelson Glassman is happy his best friend Kyle has found love with Jason. Now he's looking for his own true love and hopes he might find his soul mate during the road trip. But will being the third wheel in a trio ruin his friendships with Kyle and Jason? During an eye-opening postgraduation summer road trip, each of the three very different boys also embarks on a personal journey across a landscape of love, sexuality, homophobia, and above all, friendship. Sangharakshita Nagabodhi, 2023-02-28

Sangharakshita was a Buddhist monk, a writer, a poet, and the founder of the Triratna Buddhist Order and Community, a pioneering worldwide Buddhist movement. He was also an audacious reformer and for some, a deeply controversial figure. In an absorbing narrative, Nagabodhi takes us on a journey through the twists and turns of Sangharakshita's life, the experiences, insights, and reflections that nurtured his approach as a teacher, what it was like to live among his committed followers, and the controversies he left behind. *Forgotten Disney* Kathy Merlock Jackson, Carl H. Sederholm, Mark I. West, 2023-06-28

This work demonstrates that not everything that Disney touched turned to gold. In its first 100 years, the company had major successes that transformed filmmaking and culture, but it also had its share of unfinished projects, unmet expectations, and box office misses. Some works failed but nevertheless led to other more stunning and lucrative ones; others shed light on periods when the Disney Company was struggling to establish or re-establish its brand. In addition, many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems. By exploring the studio's missteps, this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits. With essays by writers from across the globe, it also asserts that what endures or is forgotten varies from person to person, place to place, or generation to generation. What one dismisses, someone else recalls with deep fondness as a magical Disney memory. Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954
