The American Red Cross in the Great War Henry Pomeroy Davison,1920 *The Tombstone in Israel's Military Cemetery since 1948* Yossi Katz,2014-06-18 Military cemeteries are one of the most prominent cultural landscapes of Israel Their story reflects largely the main social processes that Israeli society has been undergoing since the War of Independence 1948 until today Until the end of the 1970s the military tombstones and their surroundings were uniform and equal according to rules set by the State However since the 1980s families of the fallen soldiers started to add on the tombstone personal expressions as well as personal objects photographs military artifacts etc Thus the military tombstone and the Israeli military cemetery became one of the expressions of the dramatic transformation from a society which emphasized the importance of the collective to a society which intensifies the significance of the individual The book is based on many archival documents as well as interviews and photographs all of which shed light on one of the most sensitive issues in Israeli society and express its importance as a central component of Israeli identity

Franks and Saracens Avner Falk, 2024-11-29 Franks and Saracens is the first and only book to examine the Crusades from the viewpoint of psychoanalysis studying the hidden emotions and fantasies that drove the Crusaders and the Muslims to undertake their terrible wars Using original documents as well as secondary sources Avner Falk demonstrates that the

deepest and most powerful motives for the Crusades were not only religious or territorial or the quest for lands wealth or titles but also unconscious emotions and fantasies about one s country one s religion one s enemies God and the Devil Us and Them The book demonstrates the collective inability to mourn large group losses and the collective needs of large groups such as nations and religions to develop a clear identity to have boundaries and to have enemies and allies Falk investigates the unconscious dynamics of the Crusades both on the individual and on the collective level to understand why the Crusading fantasies persisted for nearly two centuries and why the northern Crusades went on until the early fifteenth century This updated edition adds a new chapter on collective trauma both as cause and as consequence of the Crusades and has been fully revised to include literature on trauma and other psychological aspects of the Crusades Franks and Saracens will be of great interest to historians political scientists medievalists psychologists psychiatrists psychoanalysts anthropologists and sociologists interested in questions of conflict fantasy and identity collective psychological processes and to academics of the Crusades and military history

And On and On the Ages Roll J. H. Bavinck, 2019-07-30 Scripture testifies that in the work of Jesus Christ the power of Satan sin and death has been broken Yet on and on the ages roll and wars rage humans destroy one another and themselves and natural evils such as earthquakes and tsunamis occur We seem to suffer what J H Bavinck calls the great delay still awaiting Christ s final victory In this illuminating survey of the book of Revelation Bavinck examines the status of the church and the world in the times of the end

but before the final finish Bavinck suggests the church is based on its mission to show the way of God and share his good news in the world This mission occurs in a world claimed by Christ's victory but still marked by the demonic and human hubris Revelation is a literature that discloses the church's perennial challenges in a time claimed and won by Christ yet still resistant to his lordship The book peels back the veil to expose a battle not only on earth but in the heavens and assures the sometimes faltering church that it is not forgotten and Christ's victory is certain Bavinck centers his account of Revelation in its chapter 12 the strange woman who is crowned and yet haunted and hunted driven to the edge of civilization He sees in this woman the bearer of a child a figure of the church that bears its child and Lord Jesus Christ Like the woman the church in these times between the times is both crowned as God's royalty and often scorned by the world The exhibition record, a descriptive account of the principal exhibits, compiled from special suppl. issued with the 'Sanitary record'. presents the major epochs of the history of Jerusalem's urban transformation inviting readers to imagine Jerusalem as a city that is not just sacred to the many groups of people who hold it dear but as a united unharmed place that is in this sense holy Jerusalem A Brief History starts in modern Jerusalem giving readers a look at the city as it exists today It goes on to tell of its emergence as a holy city in three different ways focusing each time on another aspect of the biblical past Next it discusses the transformation of Jerusalem from a formerly Jewish temple city condemned to oblivion by its Roman destroyers into an imperially sponsored Christian theme park and the afterlife of that same city under later Byzantine and Muslim rulers Lastly the book returns to present day Jerusalem to examine the development of the modern city under the Ottomans and the British the history of division and reunification and the ongoing jostling over access to and sovereignty over Jerusalem's contested holy places Offers a unique integration of approaches including urban history the rhetoric of power the history of art and architecture biblical hermeneutics and modern Middle Eastern Studies Places great emphasis on how Jerusalem is a real city where different people live and coexist Examines the urban transformation that has taken place since late Ottoman times Utilizes numerous line drawings to demonstrate how its monumental buildings created to illustrate an alliance of divine and human power are in fact quite ephemeral transient and fragile Jerusalem A Brief History is a comprehensive and thoughtful introduction to the Holy City that will appeal to any student of religion and or history The Literary American George Payn Quackenbos,1850 *Studies in Josephus And the Varieties of Ancient Judaism* Louis H. Feldman,Shaye J. D. Cohen,Joshua J.
