Long Light Of Dawn:

Westviking Farley Mowat, 2024-09-28 Step into the world of sagas longships and enigmatic Norse explorers with Farley Mowat's captivating historical account *Westviking*. The Viking sagas speak of a land called Vinland a place of abundant resources and possibilities. Nearly a thousand years after the events those tales describe Farley Mowat sets out to decipher these ancient accounts and trace their path along the rugged coastlines of the North Atlantic. In this celebrated classic first published in 1965 Mowat's immersive storytelling brings Viking culture to life as he tells the story of Viking settlement in Vinland now thought to include areas of Newfoundland and New Brunswick five hundred years before Christopher Columbus and John Cabot. With the vivid prose that made him a bestselling author and beloved storyteller Mowat follows the stories of Norsemen like Erik the Red Leif Erikson Bjarni Herjolfsson and Thorfinn Karlsefni unravelling their struggles and triumphs as they set sail for the uncharted waters of the New World then face the challenges of a new and unfamiliar land. Meticulously researched and grippingly told Mowat infuses his own adventurous spirit into the little known story of the Viking culture that once took hold on the edges of North America. *The Long Light of Dawn* John Farris, 1962

Solariad Surazeus Astarius, 2017-10-15 *Solariad* of Surazeus Guidance of Solaria presents 114 920 lines of verse in 1 660 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 2006 to 2011 *The Darkened Light of Faith* Melvin L. Rogers, 2025-01-28 A powerful new account of what a group of nineteenth and twentieth century African American activists intellectuals and artists can teach us about democracy. Could the African American political tradition save American democracy? African Americans have had every reason to reject America's democratic experiment. Yet African American activists intellectuals and artists who have sought to transform the United States into a racially just society have put forward some of the most original and powerful ideas about how to make America live up to its democratic ideals. In *The Darkened Light of Faith* Melvin Rogers provides a bold new account of African American political thought through the works and lives of individuals who built this vital tradition a tradition that is urgently needed today. The book reexamines how figures as diverse as David Walker Frederick Douglass Anna Julia Cooper Ida B Wells W E B Du Bois Billie Holiday and James Baldwin thought about the politics people character and culture of a society that so often dominated them. Sharing a light of faith darkened but not extinguished by the tragic legacy of slavery they resisted the conclusion that America would always be committed to white supremacy. They believed that democracy is always in the process of becoming and that they could use it to reimagine society. But they also saw that achieving racial justice wouldn't absolve us of the darkest features of our shared past and that democracy must be measured by how skillfully we confront a history that will forever remain with us. An ambitious account of the profound ways African Americans have reimagined democracy *The Darkened Light of Faith* offers invaluable lessons about how to grapple with racial injustice and make democracy work.
