Look into the Heart. Sabine Kückelmann,1995 German Americana Christoph Strupp,Kai Dreisbach,2007 A comprehensive bibliography of books and scholarship on the United States produced in German speaking countries from 1956 2005 *The young spirit messenger* Pascal Voggenhuber,2021-12-22 There is nothing more beautiful for me than helping people and with messages from the afterworld I help them release their fear of death So much healing takes place With the precision of his afterworld messages Pascal Voggenhuber has made a name for himself in a very short time both in Switzerland and beyond the Swiss borders In his book he describes his work in his practice explains how contact with the afterworld functions and how he makes contact with the spiritual world Using numerous examples from his practice Voggenhuber explains how the deceased make their presence known to him The moving messages he shares that there is life after death and the deceased are always with us have comforted many people A moving book that offers readers comfort and strength **The International Film Index, 1895-1990: Film titles** Alan Goble,1991 *Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen* ,1996 **Nimble Tongues** Steven G. Kellman,2020-02-15 Nimble Tongues is a collection of essays that continues Steven G Kellman s work in the fertile field of translingualism focusing on the phenomenon of switching languages A series of investigations and reflections rather than a single thesis the collection is perhaps more akin in its aims if not accomplishment to George Steiner s Extraterritorial Papers on Literature and the Language Revolution or Umberto Eco s Travels in Hyperreality Topics covered include the significance of translingualism translation and its challenges immigrant memoirs the autobiographies that Ariel Dorfman wrote in English and Spanish respectively the only feature film ever made in Esperanto Francesca Marciano an Italian who writes in English Jhumpa Lahiri who has abandoned English for Italian Ilan Stavans a prominent translingual author and scholar Hugo Hamilton a writer who grew up torn among Irish German and English Antonio Ruiz Camacho a Mexican who writes in English and the Universal Declaration of Human Rights as a multilingual text **Franz Werfel: The Faith of an Exile** Lionel Steiman,2010-10-30 Franz Werfel was born in Prague in 1890 and died in Beverly Hills in 1945 a popular and artistic success in Europe and America Despite his Jewish birth and upbringing he was attracted to Christianity at any early age and although he never formally converted he celebrated his own vision of it in his entire life s work The original of that peculiar faith and the response it engendered in Werfel s work as he lived through the horrific end of Jewish life in Europe are treated here Werfel was not a systematic thinker and while his writing contains much that is philosophical and theological his eclecticism and idiosyncrasy render any attempt to trace the specific origins of his thought or its relation to the work of contemporary philosophers and theologians highly problematic Thus this work is neither biography nor intellectual history in the strict sense it goes beyond melding the concerns of both genres into a thoughtful comprehensive portrait of faith at work Of interest to historians of the twentieth century as well as to students of that intriguing zone that lies between faith and art

centuries travelers have made Central Asia known to the wider world through their writings In this volume scholars employ these little known texts in a wide range of Asian and European languages to trace how Central Asia was gradually absorbed into global affairs The representations of the region brought home to China and Japan India and Persia Russia and Great Britain provide valuable evidence that helps map earlier periods of globalization and cultural interaction
