,1691 *Give Us This Day* Charles Erlandson, 2011-08 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Rather than writing a short devotional about a particular verse from a passage Give Us This Day deals in depth with entire passages and their contexts rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament At the end of each day s devotional an appropriate Prayer is offered as well as Points for Further Reflection on the day s lesson Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer Matthew is the first volume of an eight volume series that will provide daily devotionals for every passage in the New Testament
