Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context

Pieter F Craffert

Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context:

Modelling Early Christianity Philip Esler, 2002-11 Explores the fascinating and foreign social context of first century Palestine and the Greco Roman East in which the Christian faith was first proclaimed and the New Testament written so enabling a better understanding of the texts

The Cambridge Companion to Biblical Interpretation John Barton, 1998-07-28 This guide to the state of biblical studies features 20 chapters written by scholars from North America and Britain and represents both traditional and contemporary points of view

The Early Christian Centuries Philip Rousseau, 2014-06-06 Charting the first six hundred years of the Christian movement THE EARLY CHRISTIAN CENTURIES carries the reader from the world of second temple Judaism to the Byzantine age the rise of Islam and the beginnings of medieval European polities With a combination of rare tact and acuity Philip Rousseau takes the measure of a generation of scholarship on early Christianity and the late Roman world He stresses the importance of shifting historical consciousness the continuity and development of ideas and the urge for social respectability Paying the greatest attention to the inner components of Christian life the resulting story captures fully the major figures Paul the gospel writers the early apologists and the great figures of the patristic age including the Cappadocian Fathers Augustine and Gregory the Great

The Early Christian World Philip Esler, 2017-07-20 Since its publication in 2000 The Early Christian World has come to be regarded by scholars students and the general reader as one of the most informative and accessible works in English on the origins development character and major figures of early Christianity In this new edition the strengths of the first edition are retained These include the book's attractive architecture that initially takes a reader through the context and historical development of early Christianity the essays in critical areas such as community formation everyday experience the intellectual and artistic heritage and external and internal challenges and the profiles on the most influential early Christian figures The book also preserves its strong stress on the social reality of early Christianity and continues its distinctive use of hundreds of illustrations and maps to bring that world to life Yet the years that have passed since the first edition was published have seen great advances made in our understanding of early Christianity in its world This new edition fully reflects these developments and provides the reader with authoritative lively and up to date access to the early Christian world A quarter of the text is entirely new and the remaining essays have all been carefully revised and updated by their authors Some of the new material relates to Christian culture including book culture canonical and non canonical scriptures saints and hagiography and translation across cultures But there are also new essays on Jewish and Christian interaction in the early centuries ritual the New Testament in Roman Britain Manichaeism Pachomius the Great and Gregory of Nyssa This new edition will serve its readers for many years to come

Sex, Wives, and Warriors Philip Francis Esler, 2012-01-01 Suggesting new ways to read Old Testament narrative and giving reasons why we should Esler with the aid of Mediterranean anthropology sets out an approach that helps us to interpret a selection of narratives with a cultural understanding close to

that of an ancient Israelite Interpreted in this way these narratives allow us to refresh the memory that links us with pivotal stories in Jewish and Christian identities and how they foster our capacity for intercultural understanding

The Use of Sobriquets in the Qumran Dead Sea Scrolls Matthew A. Collins, 2011-11-03 This book constitutes an examination of key sobriquets found among the Qumran Dead Sea Scrolls Its primary focus is literary rather than historical and concentrates on the function of the sobriquets as labels utilised positively or negatively within the sectarian compositions Noting the presence of standard and variant forms of these designations this study examines the differing form and function of the sobriquets across the range of texts in which they appear More specifically it attempts to demonstrate that over time they underwent a developmental process changing in form and perhaps denotation Adopting a chronological schema that posits a Formative Early and Late Sectarian Period and concentrating on the sobriquets the Teacher of Righteousness and the Spouter of the Lie this investigation observes a development from contextualised scriptural typologies towards titular forms constituting discrete elements of sectarian terminology A more general evolutionary trend towards a definite standard form is also highlighted with so called variants representing earlier stages in this process further demonstrated by means of a supplementary case study involving the sobriquet the Seekers of Smooth Things Comparison of these results with sociological insights drawing upon the sociology of deviance and labelling theory suggests that this phenomenon can be understood against a wider context of labelling practices Thus it is demonstrated that the sobriquets function as tools for labelling deviance and affirming positive counterparts Furthermore it is suggested that the move towards definite titular forms reflects a process of role engulfment increased prototypically and the ultimate acquisition of master status

Echoes from the Caves F. Garc-A Mart-Nez, 2009 In spite of the amount of literature on the relationship between the Dead Sea Scrolls and the New Testament no consensus among the scholars has emerged as yet on how to explain both the similarities and the differences among the two corpora of religious writings This volume contains a revised form of the contributions to an experts meeting held at the Catholic University of Leuven on December 2007 dedicated to explore the relationship among the two corpora and to understand both the commonalities and the differences between the two corpora from the perspective of the common ground from which both corpora have developed the Hebrew Bible

The Epistle of James James D. Dvorak, Zachary K. Dawson, 2019-07-25 The Epistle of James is a collection of essays that applies to the book of James linguistic methods of analysis that are based on the same theoretical framework namely Systemic Functional Linguistics This volume is unique in that it provides a theoretically consistent and unified approach to a single New Testament book which makes the whole volume useful for researchers and students of James Each essay makes its own creative use of this linguistic perspective to engage important critical questions and to pave new ground for Jacobean scholarship based on linguistic analysis Various topics in this volume include the textual structure and cohesion of the letter intertextuality rhetorical strategies ideological struggle interpersonal relations and other topics related to the letter s social context and language use

The New Cambridge Companion to Biblical Interpretation Ian Boxall, Bradley C. Gregory, 2022-12-22 This volume provides an up to date introduction to the diverse ways the Bible is being interpreted by scholars in the field Paul and God's Temple Albert L. A. Hogeterp, 2006 Paul addresses his readers as God's Temple in his Letters to the Corinthians which are among the earliest documents of Christianity This volume provides a synthesis of the historical and exegetical dimensions to Paul's cultic imagery Previous theories spiritualisation substitution comparative religions approach cannot stand in view of the analysis of the broader historical context as well as reconsideration of Paul's theological perspective This historical interpretation integrates relevant Qumran texts published since the 1990's insights about the early Jesus movement's Jewish origins and canonical as well as extra canonical Gospels in the discussion about cultic imagery Paul and God's Temple sheds new light on Paul's relation to contemporary Judaism and temple theological traditions while putting Paul's cultic imagery in a rhetorical critical and reader oriented perspective *Pillars in the History of Biblical Interpretation, Volume 2* Stanley E. Porter, Sean A. Adams, 2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar's theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed *Ritual and Christian Beginnings* Risto Uro, 2016-04-28 The rise of early Christianity has been examined from a myriad of perspectives but until recently ritual has been a neglected topic *Ritual and Christian Beginnings* A Socio Cognitive Analysis argues that ritual theory is indispensable for the study of Christian beginnings It also makes a strong case for the application of theories and insights from the Cognitive Science of Religion a field that has established itself as a vigorous movement in Religious Studies over the past two decades Risto Uro develops a socio cognitive approach to the study of early Christian rituals seeking to integrate a social level analysis with findings from the cognitive and evolutionary sciences *Ritual and Christian Beginnings* provides an overview of how ritual has been approached in previous scholarship including reasons for its neglect and introduces the reader to the emerging fields of Ritual Studies and the Cognitive Science of Religion In particular it explores the ways in which cognitive theories of ritual can shed new light on issues discussed by early Christian scholars and opens up

new questions and avenues for further research The socio cognitive approach to ritual is applied to a number of test cases including John the Baptist the ritual healing practiced by Jesus and the early Christians the social life of Pauline Christianity and the development of early Christian baptismal practices The analysis creates building blocks for a new account of Christian beginnings highlighting the role of ritual innovation cooperative signalling and the importance of bodily actions for the generation and transmission of religious knowledge Gossiping Jesus John W. Daniels Jr.,2013-09-10 Readers of the Gospels are typically attuned to the words of Jesus while paying comparatively little attention to what other characters in the narratives say about him This innovative study of John s Gospel looks at the text through the lens of a routinely misunderstood mode of speech namely gossip Focusing on talk about Jesus in John the author unpacks the intricate relationship between gossip and various social dynamics of Jesus world demonstrating how they collude to construct Jesus identity Ultimately it is suggested that John presents a Jesus whose identity is elusive to both outsiders like the Pharisees and insiders like his disciples and thus models the importance if not the sheer necessity of the ongoing public discourse around the question Who is Jesus Fair Play: Diversity and Conflicts in Early Christianity Ismo Dunderberg,Christopher Tuckett,Kari Syreeni,2014-04-09 This collection of essays in honour of Heikki Rissanen New Testament professor at the University of Helsinki consists of 22 essays written by his colleagues and students on Jesus the gospels Paul early Christianity and biblical interpretation Rissanen s own research has been characterized by methodological awareness combined with a keen interest in ethical issues Both these aspects come to expression in his insistence on fair play as a correct scholarly attitude involving an honest dialogue a real encounter and a recognition of diverging opinions In this spirit most of the essays in this book lay emphasis on issues related to early Christian diversity and conflicts and to their challenge in modern society The book is useful for scholars academic teachers and students interested in various aspects of the New Testament early Christianity and hermeneutics T&T Clark Handbook of Anthropology and the Hebrew Bible Emanuel Pfoh,2022-12-15 This handbook presents an overview of the main approaches from social and cultural anthropology to the Hebrew Bible Since the late 19th century biblical scholarship has addressed issues and themes related to biblical stories from a perspective which could now be considered socio anthropological It is however only since the 1960s that biblical scholars have started to produce readings and incorporate analytical models drawn directly from social anthropology to widen the interpretive scope of the social and historical data contained in the biblical sources The handbook is arranged into two main thematic parts Part 1 assesses the place of the Bible in social anthropology examines the contribution of ethnoarchaeology to the recovery of the social world of Iron Age Palestine and offers insights from the anthropology of the Mediterranean for the interpretation of the biblical stories Part 2 provides a series of case studies on anthropological themes arising in the Hebrew Bible These include kinship and social organisation death cultural and collective memory and ritualism Contributors also examine how the biblical stories reveal dynamics of power and authority gender and honour and shame and how socio anthropological

approaches can reveal these narratives and deepen our knowledge of the human societies and cultural context of the texts Bringing together the expertise of scholars of the Hebrew Bible and Biblical Archaeology this ethnographic introduction prompts new questions into our understanding of anthropology and the Bible *The Early Christian World* Philip F. Esler, 2002-09-11 Early Christian World presents an exhaustive erudite and lavishly illustrated treatment of how the small movement which formed around Jesus in Galilee became the pre eminent religion of the ancient world The work begins by firmly situating early Christianity within its Mediterranean social political and religious contexts before charting the history of the first Christian centuries The creation and perpetuation of Christian communities through various means including mission and monasticism is explored as is the everyday experience of early Christians through discussion of gender and sexuality religious practice communication and social structures The intellectual particularly theological and artistic heritage of the period is fully considered and a vivid picture painted of the internal and external challenges faced by early Christianity The book concludes with profiles of the most notable figures of the age Comprehensive and accessible Early Christian World provides up to date coverage of the most important topics in the study of early Christianity together with an invaluable collection of visual material It will be an indispensable resource for anyone studying this period **The Exorcism Stories in Luke-Acts** Todd Klutz, 2004-06-24 This 2004 book in English integrates detailed literary criticism of the exorcism stories in Luke Acts with wide ranging comparative study of ancient sources on demonology spirit affliction and exorcistic healing Methods from systemic functional linguistics and critical theory are explained and then applied to each story Careful focus is placed on each narrative s linguistic functions and also on relevant aspects of its literary co text and the wider context of culture Implications of the analysis for the new perspective on Luke Acts especially the implied author s relationship with Judaism are explored in relation to the Lukan stories original context of reception Largely neglected interfaces between Luke s narrative representation of exorcism and emerging academic discourse about religious experience shamanism health care in antiquity ritual performance and ancient Jewish systems of impurity are probed in ways that shed fresh light on this supremely alien part of the Lukan writings **From Followers to Leaders** Nelson P. Estrada, 2004-04-01 Nelson Estrada examines the apostles transformation of status from followers to leaders in Acts 1 2 He challenges the common view that Acts 1 12 14 is the preparation for the coming of the Spirit in Acts 2 and that the sole purpose of Acts 1 15 26 is to set the number of the apostles at twelve in line with Jesus prophecy in Luke 22 30 Instead Estrada reads Acts 1 12 14 and 1 15 26 as primarily propagandistic in nature He argues that these pericopes promote the leadership integrity of the apostles by attempting to win the support of the women disciples and Jesus family and then through Judas excommunication extirpation and replacement to win that of the 120 disciples **The Life of a Galilean Shaman** Pieter F Craffert, 2010-02-25 The aim of historical Jesus research is to identify the authentic material from which the historical figure as a social type underneath the overlay is constructed Pieter Craffert s anthropological historiography offers an alternative framework for dealing with

Jesus of Nazareth as a social personage fully embedded in a first century Mediterranean worldview and the Gospels as cultural artefacts related to this figure This cross cultural model represents a religious pattern that refers to a family of features for describing those religious entrepreneurs who based on regular Altered State of Consciousness experiences perform a specific set of social functions in their communities *Authenticating the Words of Jesus* Craig A. Evans, Bruce Chilton, 2024-01-08 This volume reviews the criteria assumptions and methods involved in critical Jesus research Its purpose is to clarify the procedures necessary to distinguish tradition that stems from Jesus from tradition and interpretation that stem from later tradents and evangelists This publication has also been published in paperback [please click here for details](#)

When somebody should go to the book stores, search start by shop, shelf by shelf, it is truly problematic. This is why we allow the books compilations in this website. It will extremely ease you to see guide **Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context Introduction

In the digital age, access to information has become easier than ever before. The ability to download Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context has opened up a world of possibilities. Downloading Modelling Early Christianity Social

Scientific Studies Of The New Testament In Its Context provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context Books

What is a Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
