

Models of Jesus Revisited

John F.
O'Grady

Models Of Jesus Revisited

Thomas H. West

Models Of Jesus Revisited:

Models of Jesus Revisited John F. O'Grady, 1994 With this revised version of his Models of Jesus O Grady makes available a classic work that offers an extensive treatment of various models of Jesus that are not only possible but actual in the church today The author first surveys models of Jesus in the New Testament then examines six contemporary models of Jesus

Lead Like Jesus Revisited Ken Blanchard, Phil Hodges, 2016-04-19 The more I read the Bible the more evident it becomes that everything I have ever taught or written about effective leadership over the past 25 years Jesus did to perfection He is simply the greatest leadership role model of all time Effective leadership whether on the job in the community at church or in the home starts on the inside In this revised classic renowned leadership expert Ken Blanchard guides you through the process of discovering how to lead like Jesus Before you can hope to lead anyone else you must know who you are Every leader must answer two critical questions One deals with your relationship to Christ The other with your life purpose Whose are you going to be Who are you going to be Learning to lead like Jesus can be described as the process of aligning two internal domains the heart and the head and two external domains the hands and the habits These four dimensions of leadership form the outline for this very practical and transformational book from which you will learn how to Integrate your faith with your role and responsibility as a leader Identify your priorities Build your relationship with God in a new and personal way Move from success to significance Lead out of service rather than self interest Put the love of Jesus into action With simple yet profound principles from the life of Jesus and dozens of stories and leadership examples from his own life Ken Blanchard once again shows us the way effective leaders lead

Announcing the Feast Jason McFarland, 2012-02-01 How does the entrance song of the Mass function within the Roman Rite What can it express theologically What should Roman Catholics sing at the beginning of Mass In this groundbreaking study Jason McFarland answers these and other important questions by exploring the history and theology of the entrance song of Mass After a careful history of the entrance song he investigates its place in church documents He proposes several models of the entrance song for liturgical celebration today Finally he offers a skillful theological analysis of the entrance song genre focusing on the song for the Holy Thursday Evening Mass arguably the most important entrance song of the entire liturgical year Announcing the Feast provides the most comprehensive treatment of the Roman Rite entrance song to date It is unique in that it bridges the disciplines of liturgical studies musicology and theological method

The Omnipresence of Jesus Christ Theodore Zachariades, 2015-06-01 This important book reassesses the classic Chalcedonian view of Jesus one person two natures It carefully rejects all forms of kenotic Christology and affirms that Jesus possessed and used all the divine attributes in particular that of omnipresence arguing that evangelical scholars have abandoned this important truth This has ramifications for our view of the Holy Spirit and of Christ's presence with his people It challenges us to read the Scriptures again and to live in the presence of Jesus Publisher Commendation In this important study of orthodox Christology Dr

Zachariades develops an aspect of it that has generally been neglected How should we understand the universal presence of the risen ascended and glorified Christ Starting with the controversies of the early church he takes us through the questions involved in the discussion and points us to a deeper understanding of how Christ is both God and man at the same time

Gerald L Bray Research Professor of Divinity History and Doctrine Beeson Divinity School USA **Jesus and the Quest for Meaning** Thomas H. West, A new approach to introducing theology As God's self communication to humans Jesus is the key to the human search for meaning argues Thomas West He therefore introduces the practice of theology through Christology From the question of personal meaning and self constitution and their relationship to transcendent meaning and value he proceeds to discuss the figure and import of Jesus and then the ethical imperative engendered through encounter with him Fresh and clear West's book is an invitation to grapple with one's religious commitments especially in light of recent insights in biblical studies and Continental feminist and liberation theologies This new text will prove an engaging and effective introduction to theological thinking for both undergraduates and Christian adults **Hearing Christ's Call** Catholic Church. United States Conference of Catholic Bishops, 2002 The presentations and speeches printed in this resource were given at a symposium on leadership for ministry with Catholic men which was held on Dec 4-7 2001 in Palm Beach Florida

The Sacraments Joseph Martos, 2009-08-01 What are the sacraments really For centuries the religious lives of Catholics and other Christians have revolved around church rituals with generally accepted individual and social effects What precisely are those effects and how are they produced Traditional theology used Greek philosophy to understand the sacraments and how they work But is there no other way to understand them In fact there are a number of ways and this book invites you to look at the sacraments through a variety of lenses psychology sociology anthropology history theology morality and spirituality As the introduction to this volume challenges If you read this book and especially if you engage in the interactive study to which it invites you your understanding of sacraments will be changed forever To help personalize your investigation the author has created a web site with thought provoking questions that encourage you to interact with the ideas being proposed in this volume To engage these topics more deeply see [www TheSacraments.org](http://www.TheSacraments.org) **Essentials of Catholic Radicalism** Corneliu C. Simuț, 2011 The book describes the fundamental tenets of Catholic Radicalism defined as an understanding of Christianity from a perspective which dismisses the traditional supernatural image of God The essentials of Catholic Radicalism are extracted from the works of Vito Mancuso a lay Italian theologian whose intention is to rebuild Christian theology starting from the natural and physical reality of this world Mancuso insists that he is a Catholic theologian despite his conviction that God should be seen today in atheistic terms which help us understand the world from a rational perspective The use of reason in theology is compulsory for Mancuso in order for theology to make sense in the skeptical society of our times which is characterized by a powerful lay consciousness **The Roles of Christ's Humanity in Salvation** Frederick G McLeod, 2005-05 Theodore of Mopsuestia was hailed in his lifetime as one of the outstanding theologians and

bishops in the second half of the fourth and early fifth centuries He was then and still is respected as the preeminent spokesperson for the School of Antioch's unwavering defense of Christ's full humanity and its exegetical approach to the Scriptures But within ten years after his death in 428 his enemies began to attack him openly eventually succeeding in condemning both his works and person at the Second Council of Constantinople in 553 He has since been declared by some as the Father of Nestorianism In this book Frederick G McLeod first establishes the principal influences that shaped Theodore's exegetical outlook He then draws out the typology that Theodore sees present between Adam and Christ's humanity exploring three major roles that Christ's humanity plays as the head of all human immortal existence the bond of the universe and the perfect image of God Next McLeod shows how Theodore's customary word for Christ's person *prosopon* ought to be understood in a functional way The book concludes by applying these insights to the 71 excerpts that were used to condemn Theodore at the Second Council of Constantinople and proposing that these passages can be interpreted in a different non heretical way This book enables one to judge Theodore's christological statements in the wider context of how he conceives of Christ's roles in salvation It establishes clearly how Christ can be said to be a true mediator between the Father and all creation It also makes one aware of the communal dimensions and relationships contained in the notion of person Finally it indicates how the body plays an essential role in human and cosmic salvation

ABOUT THE AUTHOR
Frederick G McLeod S J is Professor of Theological Studies at St Louis University and author of *The Image of God in the Antiochene Tradition*

PRAISE FOR THE BOOK
The author's contribution is ground breaking McLeod modifies the whole perspective in which the problem of Theodore's much questioned orthodoxy needs to be considered Thereby he opens a very constructive access to ancient christology Sensitive to contemporary concerns he demonstrates a consistent and well documented command over all essential issues of patristic thought about Christ Charles Kannengeisser Concordia University

McLeod's contribution is significant He provides a thorough and careful description of Theodore's view of Christ's humanity McLeod has an excellent command of the primary and secondary materials His use of the texts from Theodore that have been preserved only in Syriac is worth special commendation Rowan A Greer Professor Emeritus Yale Divinity School

McLeod's crisp and balanced introductory examination of Theodore's exegetical practices serves on its own as a fine introduction to Theodore's life and work McLeod certainly brings clarity and insight to what Theodore meant by his novel terminology and approach McLeod has made a significant contribution by unfolding an integrated understanding of Theodore's account of Christ Daniel A Keating Theological Studies

This important book is welcome in a threefold way It not only exegetes Theodore in a sensitive and contextualized manner achievement enough but it also takes the consideration of Theodore through to an overview of how the Syrians were treated in the wider Christological controversy through to the sixth century It greatly assists our understanding by adding generous translations throughout from the complete works of Theodore so few of which are yet available in an English language version The author is to be congratulated for revealing the inner workings of a great

biblical consciousness John A McGuckin Modern Theology

Christianity with an Asian Face Peter C. Phan, ,2015-02-19

Immerse yourself in the artistry of words with is expressive creation, **Models Of Jesus Revisited** .
