Revisiting ten notable days from recent history Aaron W Hughes invites readers to think about the tensions events and personalities that make Canada distinct These indelible dates interweave to offer an account of the political social cultural and demographic forces that have shaped the modern nation The diverse episodes include the enactment of the War Measures Act hockey s Summit Series the patriation of the Constitution the Multiculturalism Act the cole Polytechnique Massacre victories for gay rights Quebec s second referendum on secession The Tragically Hip s farewell concert the Truth and Reconciliation Commission and ongoing Black equality struggles Each day represents a window on contemporary Canada jumpstarting reflection and conversation about who we are as a nation and how we got here Ten Days That Shaped Modern Canada is the perfect guide for all those curious about the forces that shape our country and about how we understand our place in the world The list of significant days are The 13th of October 1970 The day that then Prime Minister Pierre Elliot Trudeau uttered the phrase Just watch me when asked by a CBC reporter about how far he intended to go to end the FLQ crisis Front de lib ration du Qu bec Three days later he invoked the War Measures Act that curtailed the civil liberties of Canadians across the country The 28th of September 1972 The day Paul Henderson scored his famous goal in the dying seconds of the final game with the Russians in Moscow to win the Summit Series for Canada at the height of Cold War The come from behind victory which united the nation in a way never seen before revealed as much about Cold War politics as it did about contrasting hockey styles The 17th of April 1982 The day that the Constitution was patriated and the Charter of Rights and Freedoms enshrined within The Charter would go on to shape many features of Canadian life including preventing discrimination on the basis of sexual orientation and allowing women safe and legal access to terminate their pregnancies The 21st of July 1988 The day that the Multiculturalism Act was signed into law thereby continuing the trend of transforming what had been a largely white and Christian Canada into one of the most diverse countries on earth The 6th of December 1989 The day of the cole Polytechnic massacre in Montreal which began a national conversation on violence against women and subsequently led to a debate on gun ownership The 25th of May 1995 The day the Supreme Court of Canada ruled on Egan v Canada a case brought to the Supreme Court by two gay men who sued Ottawa for the right to claim a spousal pension under the Old Age Security Act Though the court ruled against them all nine judges agreed that sexual orientation was a protected ground and that protection extends to partnerships of lesbians and gay men paving the way for same sex unions and the redefinition of marriage The 30th of October 1995 The day that the Quebec Referendum brought Canada to the brink of a constitutional crisis one towards which it had been moving for years The 2nd of June 2015 The day that the Truth and Reconciliation Commission TRC released its summary report that documented decades of injustices against Indigenous populations in for example the residential school system and that set a path forward for reconciliation The 20th of

August 2016 The day of The Tragically Hip's Last Concert in the band's hometown of Kingston ON The Hip a band for which at least the Anglophone part of country had a special place in its heart because of among other things its Canadian infused lyrics had often functioned as a symbolic antidote to the hegemony of American imports The 8th of March 2018 The day federal Finance Minister Bill Morneau and Bank of Canada Governor Stephen Poloz unveiled the new ten dollar bill at a ceremony in Halifax with the portrait of Viola Desmond on it

Modern Realism in English-Canadian Fiction Colin Hill, 2012-01-01 Much of the scholarship on twentieth century Canadian literature has argued that English Canadian fiction was plagued by backwardness and an inability to engage fully with the movement of modernism that was so prevalent in British and American fiction and poetry Modern Realism in English Canadian Fiction re evaluates Canadian literary culture to posit that it has been misunderstood because it is a distinct genre a regional form of the larger international modernist movement Examining literary magazines manifestos archival documents and major writers such as Frederick Philip Grove Morley Callaghan and Raymond Knister Colin Hill identifies a modern realism that crosses regions as well as urban and rural divides A bold reading of the modern realist aesthetic and an articulate challenge to several enduring and limiting myths about Canadian writing Modern Realism in English Canadian Fiction will stimulate important debate in literary circles everywhere

Modern Canadian Stories Giose Rimaneli, 1966 *The Canadian Short Story* Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany

Keepers of the Code Robert Lecker,2013-02-07 Keepers of the Code explores the complex network of associations and negotiations that influenced the development of literary anthologies in English Canada from 1837 to the present Lecker shows that these anthologies are deeply conflicted narratives that embody the tensions and anxieties felt by their editors when faced with the challenge of constructing or rejecting national ideals He argues that these are intensely self conscious

works with their own literary mechanisms and architecture In reading the history of these anthologies he witnesses a complex narrative of nation a compelling story about the values and interests informing English Canadian literary history
