Modern Christian Literature:

The Modern Christian: And the Church Marcus Yono, 2015-06-10 How can you tell if you are a modern Christian Many would look at the title of this book and assume it has to do with a Christian who is in touch with the times and whose life style reflects the same Our faith is based on the only true God who never changes For that we should be thankful because He is always consistent with His grace love promises and forgiveness God only cares about where we are going and not where we have been In other words leave the past behind and trust Him with your future Remember what is in our hearts matters more than our words or our works True faith changes us forever all who know us will see it in us **Library of Congress**
