Letellier,2008-10-01 Giacomo Meyerbeer remains an enigma Until the First World War he was one of the most famous of all
composers this Reader hopes to reflect something of the immense fame prestige and love in which this composer was once
held the voices of doubt and dismissal that began to be heard even in his lifetime and the enduring witness to his fame and
worth evinced by those who have continued to believe in him in the face of the encroaching collective disparagement Since
the centenary of his death in 1964 there has been growing rediscovery of his life and re evaluation of his art While the revival
of his work is not universal at least a slow but steady process of recovery and exploration has begun The forty contributions
chosen for this Reader follow a chronological course from the days of Meyerbeer s international acclaim after the premieres
of his first two French operas through the critical discussion of his art that began to take place during the mid years of the
nineteenth century to the growing hostility induced by the advent of Wagner and his ideological following The line of enquiry
then leads into the dark days after the First World War when critical hostility was at its peak on to the more reflective mood
emerging during the 1950s to the period of reassessment heralded by the centenary of his death in 1964 Finally it surveys
the critical rediscovery that was initiated by the bicentenary of his birth in 1991 a process that is still developing apace The
Reader also presents a series of portraits of the composer and some images from his operas an iconographical commentary
running parallel to the texts Catalogue of the Library and Autographs of the Late Senator Henry B. Anthony, of

The enchantment of the figure of the male dan female impersonator remains a residual element in the cultural imagination of
many contemporary Chinese societies The various kinds of interpretive possibilities in the commanding tradition of cross
dressing Chinese opera have yet to be examined in depth In order to discuss mistaken identity and gender issues as they
relate to cross dressing on the Chinese operatic stage this book examines a wide range of materials including traditional
dramatic texts modern literary writings critical writings for example qinghua opera paintings and contemporary movies The
book explores gendering and gender differences that are constructed reproduced dismantled and contested in this
