Modern Ireland A Very Short Introduction:

Modern Ireland: A Very Short Introduction Senia Paseta, 2003-03-27 Drawing on new research on the history of Ireland since 1800 this new look at modern Ireland challenges some of the assumptions which underpin this research It explores the notion of the Irish Question and argues that there were in fact many Irish Questions which were continually articulated and reassessed according to the particular social political and economic conditions in which they developed

Northern Ireland: A Very Short Introduction Marc Mulholland, 2020-03-26 From the Plantation of Ulster in the seventeenth century to the entry into peace talks in the late twentieth century the Northern Irish people have been engaged in conflict Catholic against Protestant Republican against Unionist The traumas of violence in the Northern Ireland Troubles have cast a long shadow For many years this appeared to be an intractable conflict with no pathway out Mass mobilisations of people and dramatic political crises punctuated a seemingly endless succession of bloodshed When in the 1990s and early 21st century peace was painfully built it brought together unlikely rivals making Northern Ireland a model for conflict resolution internationally But disagreement about the future of the province remains and for the first time in decades one can now seriously speak of a democratic end to the Union between Northern Ireland and Great Britain as a foreseeable possibility The Northern Ireland problem remains a fundamental issue as the United Kingdom recasts its relationship with Europe and the world In this completely revised edition of his Very Short Introduction Marc Mulholland explores the pivotal moments in Northern Irish history the rise of republicanism in the 1800s Home Rule and the civil rights movement the growth of Sinn Fein and the provisional IRA and the DUP before bringing the story up to date drawing on newly available memoirs by paramilitary militants to offer previously unexplored perspectives as well as recent work on Northern Irish gender relations Mulholland also includes a new chapter on the state of affairs in 21st Century Northern Ireland considering the question of Irish unity in the light of both Brexit and the approaching anniversary of the 1921 partition and drawing new lessons for the future ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Modern Ireland Senia Paseta, 2003-03-27 This is a book about the Irish Question or more specifically about Irish Questions The term has become something of a catch all a convenient way to encompass numerous issues and developments which pertain to the political social and economic history of modern Ireland The Irish Question has of course changed one of the main aims of this book is to explore the complicated and shifting nature of the Irish Question and to assess what it has meant to various political minds and agendas No other issue brought down as many nineteenth century governments and no comparable twentieth century dilemma has matched its ability to frustrate the attempts of British cabinets to find a solution this inability to find a lasting answer to the Irish Question is especially striking when seen in the context of the massive shifts

in British foreign policy brought about by two world wars decolonization and the cold war Senia Paseta charts the changing nature of the Irish Question over the last 200 years within an international political and social historical context

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Modern Ireland Senia Paseta,2003 The author explores many of the social political and economic issues and developments which have helped to shape modern Ireland

Traditions and Difference in Contemporary Irish Short Fiction Tsung Chi (Hawk) Chang,2020-12-17 This book focuses on traditions and transformations in contemporary Irish short fiction covering pivotal issues such as gender sexuality abortion the body nostalgia identity and migration In separate chapters it introduces readers to important writers such as Maeve Binchy Colm T ib n Edna O'Brien Emma Donoghue Gish Jen and Donal Ryan Given its focus the book benefits researchers and students who are interested in Irish literature and culture especially those who want to learn about important traditions in Irish literature the changing face of these conventions and the implications The book which received the First Book Prize 2019 awarded by The Hong Kong Academy of the Humanities offers a unique window on Irish culture and a good read for fans of these acclaimed writers who want to learn about interesting issues concerning their short fiction

The Tudors: A Very Short Introduction John Guy,2000-08-10 First published as part of the best selling The Oxford Illustrated History of Britain John Guy's Very Short Introduction to The Tudors is the most authoritative short introduction to this age in British history It offers a compelling account of the political religious and economic changes of the country under such leading monarchs as Henry VIII and Elizabeth I The work has been substantially revised and updated for this edition In particular the reigns of Henry VII Edward VI and Philip and Mary are comprehensively reassessed

The Methuen Drama Guide to Contemporary Irish Playwrights Martin Middeke,Peter Paul Schnierer,2010-05-28 The Methuen Drama Guide to Contemporary Irish Playwrights is an authoritative guide to the work of twenty five playwrights from the last 50 years whose work has helped to shape and define Irish theatre Written by a team of international scholars it provides an illuminating survey and analysis of each writer's plays and will be invaluable to anyone interested in studying or teaching contemporary Irish drama The playwrights examined range from John B Keane Brian Friel and Tom Murphy to the crop of writers who emerged in the 1990s and who include Martin McDonagh Marina Carr Emma Donoghue and Mark O Rowe Each essay features a biographical sketch and introduction to the playwright a discussion of their most important plays an analysis of their stylistic and thematic traits the critical reception and their place in the discourses of Irish theatre a bibliography of texts and critical material With a total of 190 plays discussed in detail over half of which were written during the 1990s and 2000s The Methuen Drama Guide to Contemporary Irish Playwrights is unrivalled in its study of recent plays and playwrights

Sociology: A Very Short Introduction Steve Bruce,2000-02-24 Drawing on studies of social class crime and deviance work

in bureaucracies and changes in religious and political organizations this Very Short Introduction explores the tension between the individual's role in society and society's role in shaping the individual and demonstrates the value of sociology as a perspective for understanding the modern world

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Beauty Queen of Leenane Martin McDonagh, 2013-04-25 The Beauty Queen of Leenane tells the darkly comic tale of Maureen Folan, a plain and lonely woman in her early forties, and Mag, her manipulative ageing mother, whose interference in Maureen's first and potentially last loving relationship sets in motion a train of events that is as gothically funny as it is horrific.

Religion Around Bono Chad E. Seales, 2019-10-24 For many U2's Bono is an icon of both evangelical spirituality and secular moral activism. In this book, Chad E. Seales examines the religious and spiritual culture that has built up around the rock star over the course of his career and considers how Bono engages with that religion in his music and in his activism. Looking at Bono and his work within a wider critique of white American evangelicalism, Seales traces Bono's career from his background in religious groups in the 1970s to his rise to stardom in the 1980s and his relationship with political and economic figures such as Jeffrey Sachs, Bill Clinton, and Jesse Helms. In doing so, Seales shows us a different Bono: one who uses the spiritual meaning of church tradition to advocate for the promise that free markets and for profits will bring justice and freedom to the world's poor. Engaging with scholarship in popular culture, music, religious studies, race, and economic development, Seales makes the compelling case that neoliberal capitalism is a religion and that Bono is its best-known celebrity revivalist. Engagingly written and bitingly critical, *Religion Around Bono* promises to transform our understanding of the rock star's career and advocacy. Those interested in the intersection of rock, music, religion, and activism will find Seales's study provocative and enlightening.

Early Modern Ireland Sarah Covington, Valerie McGowan-Doyle, Vincent Carey, 2018-12-21 *Early Modern Ireland: New Sources, Methods, and Perspectives* offers fresh approaches and case studies that push the field of early modern Ireland and of British and European history more generally into unexplored directions. The centuries between 1500 and 1700 were pivotal in Ireland's history, yet so much about this period has remained neglected until relatively recently, and a great deal has yet to be explored. Containing seventeen original and individually commissioned essays by an international and interdisciplinary group of leading and emerging scholars, this book covers a wide range of topics, including social, cultural, and political history, as well as folklore, medicine, archaeology, and digital humanities, all of which are enhanced by a selection of maps, graphs, tables, and images. Urging a reevaluation of the terms and assumptions which have been used to describe Ireland's past and a consideration of the new directions in which the study of early modern Ireland could be taken, *Early Modern Ireland: New Sources, Methods, and Perspectives* is a groundbreaking collection for students and scholars studying early modern Irish

history **Documentary Film: A Very Short Introduction** Patricia Aufderheide, 2007-11-28 Documentary film can encompass anything from Robert Flaherty's pioneering ethnography *Nanook of the North* to Michael Moore's anti Iraq War polemic *Fahrenheit 9/11* from Dziga Vertov's artful Soviet propaganda piece *Man with a Movie Camera* to Luc Jacquet's heart tugging wildlife epic *March of the Penguins* In this concise crisply written guide Patricia Aufderheide takes readers along the diverse paths of documentary history and charts the lively often fierce debates among filmmakers and scholars about the best ways to represent reality and to tell the truths worth telling Beginning with an overview of the central issues of documentary filmmaking its definitions and purposes its forms and founders Aufderheide focuses on several of its key subgenres including public affairs films government propaganda particularly the works produced during World War II historical documentaries and nature films Her thematic approach allows readers to enter the subject matter through the kinds of films that first attracted them to documentaries and it permits her to make connections between eras as well as revealing the ongoing nature of documentary's core controversies involving objectivity advocacy and bias Interwoven throughout are discussions of the ethical and practical considerations that arise with every aspect of documentary production A particularly useful feature of the book is an appended list of 100 great documentaries that anyone with a serious interest in the genre should see Drawing on the author's four decades of experience as a film scholar and critic this book is the perfect introduction not just for teachers and students but also for all thoughtful filmgoers and for those who aspire to make documentaries themselves About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life's most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam *Poststructuralism: A Very Short Introduction* Catherine Belsey, 2002-08-22 Poststructuralism changes the way we understand the relations between human beings their culture and the world Following a brief account of the historical relationship between structuralism and poststructuralism this Very Short Introduction traces the key arguments that have led poststructuralists to challenge traditional theories of language and culture Whilst the author discusses such well known figures as Barthes Foucault Derrida and Lacan she also draws pertinent examples from literature art film and popular culture unfolding the poststructuralist account of what it means to be a human being ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **History: A Very Short Introduction** John Arnold, 2000-02-24 Starting with an examination of how historians work this Very Short Introduction aims to explore history in a general pithy and accessible manner rather than to delve into specific periods Buddhism: A Very Short Introduction Damien Keown, 1996-10-03 This Very Short Introduction introduces the reader to

the teachings of the Buddha and to the integration of Buddhism into daily life What are the distinctive features of Buddhism Who was the Buddha and what are his teachings How has Buddhist thought developed over the centuries and how can contemporary dilemmas be faced from a Buddhist perspective Words such as karma and nirvana have entered our vocabulary but what do they mean Damien Keown's book provides a lively informative response to these frequently asked questions about Buddhism

Vanished Kingdoms Norman Davies, 2012-01-05 An evocative account of fourteen European kingdoms their rise maturity and eventual disappearance There is something profoundly romantic about lost civilizations Europe's past is littered with states and kingdoms large and small that are scarcely remembered today and while their names may be unfamiliar Aragon Etruria the Kingdom of the Two Burgundies their stories should change our mental map of the past We come across forgotten characters and famous ones King Arthur and Macbeth Napoleon and Queen Victoria right up to Stalin and Gorbachev and discover how faulty memory can be and how much we can glean from these lost empires Davies peers through the cracks in the mainstream accounts of modern day states to dazzle us with extraordinary stories of barely remembered pasts and of the traces they left behind This is Norman Davies at his best sweeping narrative history packed with unexpected insights Vanished Kingdoms will appeal to all fans of unconventional and thought provoking history from readers of Niall Ferguson to Jared Diamond

Postcolonial Borderlands Christine Walsh, 2009-03-26 A traditionally nomadic people the Irish Travellers have experienced a long history of marginalization and discrimination in modern Ireland This volume explores colonisation as an unresolved trauma which has contributed to this marginalisation of Travellers both within Ireland and abroad Travellers' traditionally oral culture has meant that they have until recently been excluded from many educational institutions and frameworks Focusing on two autobiographical works by Traveller writers Nan Joyce's *My Life on the Road* 2000 formerly Traveller 1985 and Seán Maher's *The Road to God Knows Where* 1972 1998 the prominence given to oral expression and narration suggests that memory is a collective process one whereby an individual's cultural identity develops on a communal level a level that is intimately connected to the natural world By re-engaging with the official versions of Irish history as encompassed in narratives where Travellers are active participants Joyce and Maher reveal the seminal role of storytelling in the creation of a sense of nationhood for a people hitherto excluded to society's margins The writings of these Traveller authors also serve to construct a legitimate sense of belonging for Travellers within the modern Irish nation state By re-engaging with such individual narrative voices it is possible to illuminate what is lost but also what is worth safeguarding for the future

A Social History of Amateur Music-Making and Scottish National Identity: Scotland's Printed Music, 1880-1951 Karen E. McAulay, 2024-10-30 Late Victorian Scotland had a flourishing music publishing trade evidenced by the survival of a plethora of vocal scores and dance tune books and whether informing us what people actually sang and played at home danced to or enjoyed in choirs or reminding us of the impact of emigration from Britain for both emigrants and their families left behind examining this neglected repertoire provides an insight into Scottish

musical culture and is a valuable addition to the broader social history of Scotland The decline of the music trade by the mid twentieth century is attributable to various factors some external but others due to the conservative and perhaps somewhat parochial nature of the publishers output What survives bears witness to the importance of domestic and amateur music making in ordinary lives between 1880 and 1950 Much of the music is now little more than a historical artefact Nonetheless Karen E McAulay shows that the nature of the music the song and fiddle tune books contents the paratext around the collections its packaging marketing and dissemination all document the social history of an era whose everyday music has often been dismissed as not significant or indeed properly old enough to merit consideration The book will be valuable for academics as well as folk musicians and those interested in the social and musical history of Scotland and the British Isles

The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Samuel Beckett and Ecology Trish McTighe, Céline Thobois-Gupta, Nicholas E. Johnson, 2025-05-01 This is the first full length book to investigate Samuel Beckett s work through contemporary ecological thinking offering a wide range of artistic and scholarly responses to the ecological crises provoked mediated or challenged by Beckett s work Beckett was not an environmental artist but his oeuvre poised between forms of precarity and hope is a rich territory for the exploration of the most pressing issues of our time the rift between the human species its technological and economic advancement and the ecologies that sustain it all In recent years Beckett s name aphorisms and work have been invoked relative to environmental catastrophe helping stimulate debates on ecology the arts and the ecosystemic place of the human The volume reflects on ecology as a productive term as well as the varied practices and narratives in Beckettian intermedial ecologies While some authors offer new insights into the connections between Beckett and the Anthropocene across translation adaptation performance and the visual arts others also explore the potential of Happy Days 1961 for ecological thought and the role it

has taken in recent ecodramaturgical experiments in the theatre Woven throughout the volume are short bursts of writing coups de gong which testify to the variety of Beckett inspired local responses to global climate instability

Modern Ireland A Very Short Introduction Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Modern Ireland A Very Short Introduction PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Modern Ireland A Very Short Introduction PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Modern Ireland A Very Short Introduction free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Modern Ireland A Very Short Introduction Books

1. Where can I buy Modern Ireland A Very Short Introduction books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Modern Ireland A Very Short Introduction book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
