Modern Japan A Historical Survey:

Modern Japan Elise K. Tipton, 2008-03-19 This thoroughly updated second edition of Modern Japan provides a concise and fascinating introduction to the social cultural and political history of modern Japan Ranging from the Tokugawa period to the present day the book charts the country s evolution into a modernized economic and political world power Dealing with a broad and stimulating range of topics in an engaging style that will appeal to university students and the general reader this book weaves social and political developments and balances a micro with a macro approach introducing details about everyday lives that shed light on the bigger picture of major historical changes Its systematic attention to gender issues minorities and popular culture distinguishes this history and contributes to a sense of the complexity and diversity of modern Japanese society Completely up to date and including many new images and a timeline that charts important events this highly accessible and comprehensive textbook is an essential resource for students scholars and teachers of Japanese history politics culture and society

Modern Japan Mikiso Hane, 1992-04-19 In this newly revised edition of his readable and thoughtful survey Mikiso Hane presents the essential facts of modern Japanese history He integrates political events with the cultural and economic activities of each period and is particularly sensitive to the conditions of life in all strata of the population The new edition covers a variety of important developments through the early 1990s giving special consideration to how traditional Japanese modes of thought and behavior have affected these recent developments As background for his study of the modern era Hane summarizes the early history of Japan with due attention to institutions that have molded the nature of Japanese society including Shinto the Emperor system Buddhism and feudalism Hane then sets the stage for modern Japan with a detailed and analytical discussion of the Tokugawa period The survey takes on immediacy as it chronicles the growth of Westernization in the nineteenth century and the ascendancy of militarism in the twentieth The chapters on Meiji Japan balance politics and economics with a close look at social conditions education and religion The story of Japan s role in World War II its defeat in 1945 and the occupation is told dispassionately but from a Japanese vantage point Hane s portrait of life in postwar Japan is enriched by material on contemporary literature Japanese youth culture and other intellectual developments The last chapter focuses on the dramatic economic surge since 1970 and the accompanying social changes in life style and attitudes particularly for women and the working class Reiterating themes that permeate the book a final section reviews Japan s relations with the outside world especially with the United States and the ongoing tension between the old and the new the traditional and the modern A useful bibliography and well chosen illustrations enhance the text

Modern Japan Mikiso Hane, Louis G. Perez, 2013 A thoughtful and richly detailed survey of modern Japanese history from the Tokugawa period to the present

MODERN JAPAN MIKISO HANE, 2019-06-14

Modern Japan Mikiso Hane And Louis G. Perez, 2011-05-01 Integrating political events with cultural economic and intellectual movements *Modern Japan* provides a balanced and authoritative survey of modern Japanese history A summary of Japan's early history emphasizing institutions and systems that influenced Japanese society provides a well rounded introduction to this essential volume which focuses on the Tokugawa period to the present The fourth edition now includes the latest scholarship on feudal women samurai tactics Chonin education political reforms in the late Tokugawa period foreigners in Nagasaki during the Meiji Restoration and early feminism in the later Meiji period Bringing Japanese history up to date the final chapter details current issues including the impact of the Gulf Wars on Japanese international relations and the recent controversies over Japanese war crimes the so called Comfort Women and the Yasukuni war memorial

Modern Japan, Student Economy Edition Mikiso Hane, 2018-04-27 This book presents the essential facts of modern Japanese history It covers a variety of important developments through the 1990s giving special consideration to how traditional Japanese modes of thought and behavior have affected the recent developments

Japan; a Historical Survey Mikiso Hane, 1972-01-01

Premodern Japan Mikiso Hane, Louis G. Perez, 2018-04-17 Japanese historian Louis Perez brings Mikiso Hane's rich and beloved account of early Japanese history up to date in this thoroughly revised Second Edition of *Premodern Japan* The text traces the key developments of Japanese history in the premodern period including the establishment of the imperial dynasty early influences from China and Korea the rise of the samurai class and the establishment of feudalism the culture and society of the long Tokugawa period the rise of Confucianism and Shinto nationalism and finally the end of Tokugawa rule While the text provides many political developments through the early modern period it also integrates the social cultural and intellectual aspects of Japanese history as well Perez's updates to the text provide a comprehensive overview of the major social political and religious trends in premodern Japan as well as

offering the most current scholarship **Modern Asian Theatre and Performance 1900-2000** Kevin J. Wetmore, Jr., Siyuan Liu, Erin B. Mee, 2014-05-08 Modern Asian Theatre and Performance 1900 2000 is a ground breaking survey tracking the advent of modern drama in Japan India China Korea and Southeast Asia It considers the shaping power of realism and naturalism the influence of Western culture the relationship between theatrical modernisation and social modernisation and how theatre operates in contemporary Asian society Organised by period nation and region each chapter provides a historical overview of the culture an outline of theatre history a survey of significant playwrights actors directors companies plays and productions With contributions from an international team of scholars this authoritative introduction will uniquely equip students and scholars with a broad understanding of the modern theatre histories of Asia **Inexorable Modernity** Hiroshi Nara, 2007-02-16 Beginning in late Edo the Japanese faced a rapidly and irreversibly changing world in which industrialization westernization and internationalization was exerting pressure upon an entrenched traditional culture The Japanese themselves felt threatened by Western powers with their sense of superiority and military might Yet the Japanese were more prepared to meet this challenge than was thought at the time and they used a variety of strategies to address the tension between modernity and tradition Inexorable Modernity illuminates our understanding of how Japan has dealt with modernity and of what mechanisms universal and local we can attribute to the mode of negotiation between tradition and modernity in three major forms of art theater the visual arts and literature Dr Hiroshi Nara brings together a thoughtful collection of essays that demonstrate that traditional and modern approaches to life feed off of one other and tradition whether real or created was sought out in order to find a way to live with the burden of modernity Inexorable Modernity is a valuable and enlightening read for those interested in Asian studies and history *On the Process of Civilisation in Japan* Wai Lau, 2022-11-03 Winner of the Norbert Elias Book Prize 2023 This book charts the process of civilisation in Japan Using the theory of civilising processes developed by Norbert Elias the author examines the complex underlying structural and psychological processes from the seventh century to the twentieth century Furthermore by drawing on rich historical data the author illustrates how these complex processes led the Japanese to see themselves as more civilised than their forebears and neighbouring countries Although the theory serves as an important reference point the author draws on other works to address different complex questions surrounding Japanese development Therefore this book presents three key themes first it gives an alternative understanding of the complex developments of Japanese society second it intercedes into an ongoing debate about the applicability of Elias s theory in a non Western context and third it expands Elias s theory **A Yankee in Meiji Japan** James L. Huffman, 2003 This unique book portrays the evolution of Meiji Japan through the life of crusading journalist Edward H House 1836 1901 In chapters that alternate between history and biography James Huffman shows how one man bridged continents shaping American attitudes influencing Japan s movement toward modernity and providing a contemporary critique of imperialism Huffman also captures the human drama

of House's life his early bohemianism the mystical way Japan drew him the painful struggle with gout the joy and torment of adopting a Japanese girl his fight for women's education and the vicissitudes of friendship with Mark Twain Meticulously researched the book draws on House's voluminous writings and on hundreds of letters between House and major figures in both America and Japan including Mark Twain U S Grant John Russell Young Edmund Clarence Stedman Okuma Shigenobu and Inoue Kaoru With its lively accessible prose and seamless interweaving of the life of House with the history of the Meiji era this book will be welcomed by students scholars and general readers interested in modern Japanese history and in America's nineteenth century foreign relations

Japan's Imperial Army Edward J. Drea, 2016-05-03 Popular impressions of the imperial Japanese army still promote images of suicidal banzai charges and fanatical leaders blindly devoted to their emperor Edward Drea looks well past those stereotypes to unfold the more complex story of how that army came to power and extended its influence at home and abroad to become one of the world's dominant fighting forces This first comprehensive English language history of the Japanese army traces its origins evolution and impact as an engine of the country's regional and global ambitions and as a catalyst for the militarization of the Japanese homeland from mid nineteenth century incursions through the end of World War II Demonstrating his mastery of Japanese language sources Drea explains how the Japanese style of warfare burnished by samurai legends shaped the army narrowed its options influenced its decisions and made it the institution that conquered most of Asia He also tells how the army's intellectual foundations shifted as it reinvented itself to fulfill the changing imperatives of Japanese society and how the army in turn decisively shaped the nation's political social cultural and strategic course Drea recounts how Japan devoted an inordinate amount of its treasury toward modernizing professionalizing and training its army which grew larger more powerful and politically more influential with each passing decade Along the way it produced an efficient military schooling system a well organized active duty and reserve force a professional officer corps that thought in terms of regional threat and well trained soldiers armed with appropriate weapons Encompassing doctrine strategy weaponry and civil military relations Drea's expert study also captures the dominant personalities who shaped the imperial army from Yamagata Aritomo an incisive geopolitical strategist to Anami Korechika who exhorted the troops to fight to the death during the final days of World War II Summing up Drea also suggests that an army that places itself above its nation's interests is doomed to failure

Histories of Children and Childhood in Meiji Japan Christian Galan, Harald Salomon, 2024-02-29 This book bridges the gap between historical research on Japan and the field of childhood history by writing children and childhood into the general historical record of the Meiji period To explore the widely varying circumstances of childhood during the Japanese transition to modernity the volume presents survey studies and snapshots of historical moments by authors from Europe Japan and North America These histories of children and childhood address various thematic aspects from birth and child rearing to the representation of childhood in literary works and these are approached from differing angles in terms of theoretical perspectives and methodology The

contributions display a particular awareness for the problem of sources in writing the history of childhood and youth In doing so they provide precious insights into children s living circumstances and notions of childhood also beyond the urban centres of evolving modern Japan Exploring a wealth of sources including autobiographies educational essays government documents children s literature youth journals and medical manuals this will be a valuable resource to students and scholars of Japanese history children s studies the history of education and social policy more broadly *Nation Building in Japan, 1945-1952*

Peter K. Frost,2024-03-28 This book analyzes the Allied Occupation of Japan 1945 1952 It begins by explaining why Japan spent roughly fifty years building its own colonial system and declaring war on China and the Western Allies only to decide after military defeats two atomic bombings and the Soviet declaration of war to surrender before being invaded It goes on to describe the controversial issues surrounding the conduct of the Occupation forces the largely American reform proposals and the shifts in policy as the Cold War developed Particular emphasis is placed on women s issues the Japanese and American reactions to President Truman s decision to fire General Douglas MacArthur the tensions surrounding the requirement that the Japanese allow US military bases to stay in Japan and the still ongoing debate over the American decision to drop two atomic bombs on Japan Despite all this the book concludes that particularly when compared with later Allied nation building efforts in Vietnam Afghanistan and Iraq and the current state of US politics the Occupation experience was on the whole a relatively positive one for both the Japanese and the US Japan alliance **Introduction to Japanese**

Politics Louis D. Hayes,2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country s political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan s geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country s distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly contentious realm of foreign relations and security issues including China s expanding role and the issue of North Korea A concluding section considers dynamics of change in Japanese politics Justice in Japan

Richard H. Mitchell,2002-03-31 The Imperial Rayon Company corruption scandal popularly known as the Teijin incident was Japan s major interwar political bribery case Compared to numerous Japanese corruption cases of the past century the Teijin affair stands out as not only the most sensational of the pre 1945 era but also the most important perhaps because more than any other case it has left an indelible mark on the public mind Nevertheless Japanese and foreign scholars have neglected this incident which brought down an entire cabinet and produced a record setting trial The sixteen defendants all prominent bureaucrats ministers and businessmen were charged with illegally profiting from the sale of Imperial Rayon Company stock held by the Bank of Japan In December 1937 after a more than two

year trial all sixteen were found innocent when the judges declared that the case had been fabricated by the prosecution. Their verdict ranks in importance with the famous Otsu case judgment, the benchmark for judicial independence from the executive. Despite its importance, basic facts about the Teijin case remain obscure as scholars repeat factual misinformation and produce farfetched conspiracy theories. This study, the first comprehensive scholarly work on the subject in English or Japanese, investigates controversial and important issues regarding the origins, results, and significance of the incident. It illustrates transwar continuities within the judicial system by showing that the institutional flaws in the old criminal justice system, which were magnified by the Teijin investigation and trial, remain embedded despite reform attempts during the Occupation. While illuminating the basic institutional features that generated it, the author uses the incident to spotlight the considerable amount of political criticism and public conflict that existed in Japan in the 1930s.

Japan's Multilayered Democracy Sigal Ben-Rafael Galanti, Alon Levkowitz, Nissim Otmazgin, 2014-12-24. This book introduces a multilayered approach to the study of democracy, combining specific knowledge of Japan with theoretical insights from the literature on democratization. It examines different aspects of Japanese democracy: historical, institutional, and sociocultural, to provide a conscious understanding of the nature and practice of democracy both in Japan and beyond. The book's chapters give testimony to the dynamic nature and continuity of Japanese democracy and analyze its strengths and weaknesses. The central argument of this book is that Japan's democratization should be seen as a multilayered experience shaped by the gradual process of absorbing democratic ideas, forming democratic institutions, and practicing democratic behaviors and rituals at various levels of society. As the case of Japan shows, democracy is neither a structured formula nor only a set of democratic laws and institutions, but a continuous gradual process.

While this might not be the Modern Japan A Historical Survey full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Modern Japan A Historical Survey eBooks, including some popular titles.

FAQs About Modern Japan A Historical Survey Books

What is a Modern Japan A Historical Survey PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Modern Japan A Historical Survey PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Modern Japan A Historical Survey PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Modern Japan A Historical Survey PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Modern Japan A Historical Survey PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
