American Remedies: Cases and Materials Supplement Douglas Laycock, 2014-08-08 Modern American Remedies Cases and Materials 2014 Supplement Unjust Enrichment Hanoch Dagan, 1997-09-18 This book is a sophisticated comparative analysis of the doctrine of unjust enrichment in the North American and Jewish legal systems and in international law By

offering an explanatory theory which brings to light the normative underpinnings of the doctrine it facilitates the prediction of legal outcomes and supplies the necessary tools for evaluating existing legal rules Applying both theoretical analysis and comparative legal techniques the study claims that the choice of compensation arising from a claim of unjust enrichment is not a matter of legal technicality Instead it describes how the legal choice of a pecuniary remedy can be seen to embody a choice between competing values This decision writes Dagan is implicated in the prevailing background ethos of the society at issue and is deeply influenced by its own complex conceptions of self and of community Constitutional Remedies

Michael Wells, Thomas A. Eaton, 2002-10-30 Understanding the impact of constitutional rights in the real world depends on understanding the law of constitutional remedies for their violation Integrating the history doctrine and policy of constitutional remedy Wells and Eaton explain how people go about trying to obtain redress for violations of their constitutional rights Diverse issues arise when persons seek to bring a lawsuit against governments officials or private individuals for violation of their constitutional rights Among them are whether the injury ought to be accorded constitutional status at all or instead should be treated as a routine wrong no different in principle from a traffic accident If the case warrants constitutional status the next issue is whether or not suit may be brought against the officer who committed the wrong or his government employer and so on On each of these and other issues the authors guide the reader through the complex body of doctrine the lively case law debates and the scholarly literature over the appropriate mix of policies and the means by which to achieve them **Modern American Remedies** Douglas Laycock, 1995-12-01 **Common Law Tort & Contract** Thomas Lundmark, 1998 *An International Restatement of Contract Law: The UNIDROIT Principles of International Commercial Contracts* Michael Joachim Bonell, 2005-11-15 The Unidroit Principles of International Contracts first published in 1994 have met with extraordinary success in the legal and business community worldwide Prepared by a group of eminent experts from all major legal systems of the world they provide a comprehensive set of rules for international commercial contracts Available in more than 20 language versions they are increasingly being used by national legislatures as a source of inspiration in law reform projects by lawyers as guidelines in contract negotiations and by arbitrators as a legal basis for the settlement of disputes In 2004 a new edition of the Unidroit Principles was approved containing five new chapters and adaptations to take into account electronic contracting This new edition of An International Restatement of Contract Law is the first comprehensive introduction to the Unidroit Principles 2004 In addition it provides an extensive survey and analysis of the actual use of the Unidroit Principles in practice with special emphasis on the different ways in which they have been interpreted and applied by the courts and arbitral tribunals in the hundred or so cases reported worldwide The book also contains the full text of the Preamble and the 180 articles of the Unidroit Principles 2004 in Chinese English French German Italian and Russian as well as the 1994 edition in Spanish Published under the Transnational Publishers imprint **An International Restatement of Contract Law** Michael Joachim Bonell, 2009-03-01 The Unidroit Principles of International Contracts first published in 1994 have met with extraordinary success in the legal and business community worldwide Prepared by a group of eminent experts from all major legal systems of the world they provide a comprehensive set of rules for international commercial contracts Available in more than 20 language versions they are increasingly being used by national legislatures as a source of inspiration in law reform projects by lawyers as guidelines in contract negotiations and by arbitrators as a legal basis for the settlement of disputes In 2004 a new edition of the Unidroit Principles was approved containing five new chapters and adaptations to take into account electronic contracting

Warikandwa,Artwell Nhemachena,2017-09-26* One of the fundamental challenges in deconstructing rethinking and remaking the world from a Pan African vantage point is that some captives have tended to delight in the warmth of the imperial predators mouth In other words some captives forget that the imperial predators mouth gets warm because empire is eating and heating up from prey on the continent De Militarisation Transnational Land Grabs and Restitution in an Age of the New Scramble for Africa A Pan African Socio Legal Perspective is a book that knocks on key aspects relating to land militarisation a PostAfrican World Order and a chaotic Post God World Order which require critical scholarly and policy attention in the quest to free Africa from centuries old imperial depredations The book carefully navigates the imperial entrapments which are designed to focus African attention only on decolonising African minds without also engaging in the imperially more unsettling decolonisation of African materialities
