**Modern American usage: a guide,** ed Wilson

Follett, Janques Martin Barzun, Carlos Heard Baker, *A Guide To Grammar and Usage for Psychology and Related Fields*

John Eric Bellquist, 2014-01-27 Why another book on this topic The author's experience editing leading journals in psychology suggests that publication manuals and books on writing about experimentation in psychology do not adequately address

grammatical usage and style Much of the advice published for scientific writers reads as if it had been written either by English teachers for writers who do not publish in scientific fields or by scientific writers who think that the information already available in countless handbooks on grammar and style for student writers in English classes is enough Unfortunately such traditional handbooks do not offer the particular sorts of commentary that scientific writers need This book offers specific advice on a host of issues ranging from the appropriate use of abbreviations to wordiness and how to avoid it Dr Bellquist s expertise in both the English language and the language of scientific writing ideally positions him to offer guidelines on the use of the passive the best wording for statistical presentations and just how to describe experimental procedures among many other topics Complete with examples and principles to guide writing decisions this book will assist both students and seasoned professionals in presenting their work clearly for maximum impact This book is intended as a guide to grammar and usage for writers in scientific fields particularly in experimental psychology and all fields related to experimental psychology Features of the book include alphabetical entries and numerous cross references on grammar usage and style numerous examples taken from scientific papers or based on actual cases discussions of semantic problems of grammar such as modification predication and statement and discussions of usage specific to experimental psychology statistics and related fields

*The Copyeditor's Workbook* Erika Buky, Marilyn Schwartz, Amy Einsohn, 2019-05-14 The Copyeditor s Workbook a companion to the indispensable Copyeditor s Handbook now in its fourth edition offers comprehensive and practical training for both aspiring and experienced copyeditors Exercises of increasing difficulty and length covering a range of subjects enable you to advance in skill and confidence Detailed answer keys offer a grounding in editorial basics appropriate usage choices for different contexts and audiences and advice on communicating effectively with authors and clients The exercises provide an extensive workout in the knowledge and skills required of contemporary editors Features and benefits Workbook challenges editors to build their skills and to use new tools Exercises vary and increase in difficulty and length allowing users to advance along the way Answer keys illustrate several techniques for marking copy including marking PDFs and hand marking hard copy Book includes access to online exercises available for download

*The Elements of Expression* Arthur Plotnik, 2012-06-01 More than ever in this completely updated edition The Elements of Expression helps word users light up the cosmos or the written page or the face across the table as they seek the radiance of expressiveness the vivid expression of thoughts feelings and observations Nothing kills radiance like the murky generic language dominating today s talk airwaves and posts It tugs at our every sentence but using it to express anything beyond the ordinary is like flapping the tongue to escape gravity The Elements of Expression offers an adventurous and inspiring flight into words that truly share what s percolating in our minds Here writers presenters students bloggers even well intentioned Mad Men will discover language to convey precise feelings move audiences delight and persuade No snob or scold the acclaimed word maven Arthur Plotnik explores the full range of expressiveness from playful tough talk to finely

wrought literature with hundreds of rousing examples Confessing that we are all like a squid in its ink when first groping for luminous expression he shines his amiable wit on the elements leading ultimately to language of fissionable intensity

Processes of Change Sandra Jansen, Lucia Siebers, 2019-08-15 The present volume brings together leading scholars studying language change from a variety of sociolinguistic perspectives complementing and enriching the existing literature by providing readers with a kaleidoscopic perspective of aspects of change in English from around 1700 until the present day The volume presents a collection of in depth studies on a broad spectrum of phonetic lexical grammatical and discourse variation drawing on historical corpora dictionaries metalinguistic commentary ego documents spoken language and survey data Apart from advancing our knowledge of processes of language change in varieties of English including British English Irish English Australian English South African English American English and Canadian English the individual chapters contribute to the theoretical debates on variation and change in Late Modern as well as Present day English

*Lexicography: Dictionaries, compilers, critics, and users* R. R. K. Hartmann, 2003      **Legal Writing in Plain English, Third Edition** Bryan A. Garner, 2023-09-06 The leading guide to clear writing StartFragment and clear thinking StartFragment in the legal profession for more than two decades now newly updated Admirably clear concise down to earth and powerful all too often legal writing embodies none of these qualities Its reputation for obscurity and needless legalese is widespread Since 2001 Bryan A Garner s Legal Writing in Plain English has helped address this problem by providing lawyers judges paralegals law students and legal scholars with sound advice and practical tools for improving their written work Now the leading guide to clear writing in the field this indispensable volume encourages legal writers to challenge conventions and offers valuable insights into the writing process how to organize ideas create and refine prose and improve editing skills Accessible and witty Legal Writing in Plain English draws on real life writing samples that Garner has gathered through decades of teaching experience Trenchant advice covers all types of legal materials from analytical and persuasive writing to legal drafting and the book s principles are reinforced by sets of basic intermediate and advanced exercises in each section For this third edition Garner has retained the structure of the previous versions with updates and new material throughout There are new sections on making your writing vivid and concrete and on using graphics to enhance your argument The coverage and examples of key topics such as achieving parallelism avoiding legalese writing effective openers and summaries and weaving quotations into your text have also been expanded And the sample legal documents and exercises have been updated while newly added checklists provide quick summaries of each section Altogether this new edition will be the most useful yet for legal professionals and students seeking to improve their prose

The Top Books of the Year Modern American Usage A Guide The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Modern American Usage A Guide : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Modern American Usage A Guide : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
