Modern Archives Administration and Records Management International Council on Archives, Unesco. General Information Programme, UNISIST (Program), RAMP (Program), 1985 **Archives for the Lay Person** Lois Hamill, 2013 For volunteers or staff at small organizations collections management can be a daunting task Archives for the Lay Person is a guidebook for people who care for historical records photographs and collections but do not have the appropriate professional training Lois Hamill provides practical step by step guidance for managing all facets of archival collections from acquisition arrangement and description to storage and security The book also offers advice on how to utilize PastPerfect software for collections database management **Archival Theory, Records, and the Public** Trevor Liverton, 2003-11-18 Now in paperback Liverton considers the nature of public records from an archival perspective analyzing concepts rather than the daily realities with which public records archivists deal However his carefully reasoned conclusions provide a strong foundation on which principled rather than ad hoc decisions can be made and so will be of interest to teachers students and practitioners of archival science The author presents a general or theoretical view of public records as documents made or received and preserved by the sovereign or its agents in the conduct of governance This analysis is illustrated by a variety of examples including a discussion of freedom of information **Archive Stories** Antoinette Burton, 2006-01-25 This anthology compares scholarly findings from around the world to comment on the creation definition and use of archival evidence in the writing of history Nobility and patrimony in modern France Elizabeth C. Macknight, 2018-03-30 This study of tangible and intangible cultural heritage explains the significance of nobles conservationist traditions for public engagement with the history of France During the French Revolution nobles property was seized destroyed or sold off by the nation State intervention during the nineteenth century meant historic monuments became protected under law in the public interest The Journ es du Patrimoine created in 1984 by the French Ministry for Culture became a Europe wide calendar event in 1991 Each year millions of French and international visitors enter residences and museums to admire France s aristocratic cultural heritage Drawing on archival evidence from across the country the book presents a compelling account of power interest and emotion in family dynamics and nobles relations with rural and urban communities **From the Margins** Brian Keith Axel, 2002-06-07 State of the art volume by the major voices in historical anthropology Along the Archival Grain Ann Laura Stoler, 2010-01-25 Along the Archival Grain offers a unique methodological and analytic opening to the affective registers of imperial governance and the political content of archival forms In a series of nuanced mediations on the nature of colonial documents from the nineteenth century Netherlands Indies Ann Laura Stoler identifies the social epistemologies that guided perception and practice revealing the problematic racial ontologies of that confused epistemic space Navigating familiar and extraordinary paths through the lettered lives of those who ruled she seizes on moments when

common sense failed and prevailing categories no longer seemed to work She asks not what colonial agents knew but what happened when what they thought they knew they found they did not Rejecting the notion that archival labor be approached as an extractive enterprise Stoler sets her sights on archival production as a consequential act of governance as a field of force with violent effect and not least as a vivid space to do ethnography
