make translating them particularly challenging She also offers a large sampling from poets of the fifties and sixties many of whom have won the Viareggio Prize Poems by women in this volume reflect diverse schools and directions while maintaining a distinctly female voice Modern Italian Poets; Essays and Versions William Dean Howells,2024-02-26 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision *Modern Italian Poets* William Dean Howells,2004-06 It was in the order of the things of that day and country that Alfieri should leave home while a child and go to school at the Academy of Turin Here as he tells in that most amusing autobiography of his he spent several years in acquiring a profound ignorance of whatever he was meant to learn and he came away a stranger not only to the humanities but to any one language speaking a barbarous mixture of French and Piedmontese and reading little or nothing Modern Italian Poets William Dean Howells,2015-09-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Modern Italian Poets** William Dean Howells,2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
