Kenya Shadrack W. Nasong'o, Godwin R. Murunga, 2013-07-18 The path towards democracy in Kenya has been long and often tortuous Though it has been trumpeted as a goal for decades democratic government has never been fully realised largely as a result of the authoritarian excesses of the Kenyatta Moi and Kibaki regimes This uniquely comprehensive study of Kenya's political trajectory shows how the struggle for democracy has been waged in civil society through opposition parties and amongst traditionally marginalised

groups like women and the young It also considers the remaining impediments to democratisation in the form of a powerful police force and damaging structural adjustment policies Thus the authors argue democratisation in Kenya is a laborious and non linear process Kenyans recent electoral successes the book concludes have empowered them and reinvigorated the prospects for democracy heralding a more autonomous and peaceful twenty first century Modern Kenya Mary Ann Watson,2000-03-29 This volume is divided into three main themes social issues as reflected in politics economics and the environment social issues as reflected in drama art and literature social issues as reflected in daily living **The Palgrave Handbook of Contemporary Kenya** Wanjala S.
