Modern Languages Across The Curriculum:

Modern Languages Across the Curriculum Michael Grenfell, 2002 This edited collection sets out the case for teaching modern languages across the curriculum and provides practical strategies for its implementation Modern Languages Across the Curriculum Michael Grenfell, 2004-01-14 This book sets out the agenda for the future of modern language teaching in schools It aims to look beyond the dominant methods of second language teaching to a new approach emphasising the integration of language learning within the wider curriculum Through research and case studies from the UK France Spain Italy Germany Belgium and Finland the book shows how teachers and policy makers are increasingly moving towards a system where second languages are taught through other curriculum subjects rather than alongside them Key areas covered are recent trends and issues in the teaching and learning of modern foreign languages the rationale for integrating languages across the curriculum how cross curricular language teaching is developing across Europe practical materials and useful ideas for teachers and policy makers This timely book will interest all foreign language teachers particularly those on in service or higher level degree courses It will also be useful reading for student teachers and educators and policy makers internationally **Language Across the Curriculum** Ewa Kołodziejska, Stuart

Simpson, European Centre for Modern Languages, Council of Europe, 2000-01-01 Language across the curriculum LAC is a method based on the assumption that learning is more successful if it is in a meaningful context It moves the focus away from the language to the subject to be studied so that the emphasis is on content and process and language is used in search of knowledge This publication contains the results of a network process to produce teaching materials based on the subjects of biology geography and history for 10 12 year olds **Translation Perspectives: Languages across the curriculum : invited essays on the use of foreign languages throughout the postsecondary curriculum** Marilyn Gaddis Rose, 1994

Modern Foreign Languages 5-11 Jane Jones, Simon Coffey, 2013-05-13 Foreign language teaching is a flourishing area of the primary curriculum and can offer many valuable enriching and enjoyable learning experiences for children Written to support busy schools and teachers in planning teaching and delivering the new primary MFL entitlement for all KS2 pupils this book brings together a wide range of key pedagogical issues into one user friendly handbook teaching approaches and resource ideas using new technologies getting assessment right progressing to the secondary school Providing snapshots of good practice as well as a bank of practical ideas to help integrate foreign language teaching into the curriculum this book will be key reading for all current and trainee teachers involved in the successful implementation of primary MFL

Education for Sustainable Development in Foreign Language Learning María J. de la Fuente, 2021-11-30 This unique volume utilizes the UNESCO Education for Sustainable Development ESD framework to illustrate successful integration of sustainability education in post secondary foreign language FL learning Showcasing a variety of approaches to using content based instruction CBI in college level courses this text valuably demonstrates how topics relating to

environmental social and cultural dimensions of sustainability can be integrated in FL curricula Chapters draw on case studies from colleges throughout the US and consider theoretical and practical concerns relating to models of sustainability based teaching and learning Chapters present examples of project problem and task based approaches as well as field work debate and reflective pedagogies to enhance students awareness and engagement with sustainable development issues as they acquire a foreign language Insights and recommendations apply across languages and highlight the potential contribution of FL learning to promote sustainability literacy amongst learners This text will benefit researchers academics and educators in higher education with an interest in Modern Foreign Languages sustainability education training and leadership more broadly

Issues in Modern Foreign Languages Teaching K. Field, 2004-08-02 Issues in Modern Foreign Languages Teaching draws together a range of issues in the teaching of modern foreign languages into one volume that will encourage students and newly qualified teachers to consider and reflect on the issues so that they can make a reasoned and informed judgement about their teaching of MFL It will be relevant for students and newly qualified teachers at both primary and secondary level and will fill a gap in their knowledge due to time constraints and an emphasis on standards on ITT and PGCE courses

Modern Foreign Languages Norbert Pachler, Michael Evans, Shirley Lawes, 2007-12-17 Covering the training standards for NQTs and the Induction Standards and also fully exploring issues to do with subject knowledge in learning to teach this is the essential guide for teachers of foreign languages Acknowledging that an essential element of a secondary teacher's identity is tied up with their subject taught the book is divided into three sections framing the subject teaching the subject modern languages within the professional community This book aims to provide stimulating assistance to subject specialists by helping them find ways of thinking about their specialism how to teach with it and how to engage with what pupils learn through it Written with teachers of modern foreign languages in the years of their early professional development in mind this book is also suitable for those on PGCE courses those in their induction year and those in years two and three of their teaching career

New Perspectives on Teaching and Learning Modern Languages Simon Green, 2000-01-01 This exciting new publication featuring chapters from some of the foremost practitioners in the field of modern languages today closely examines research based analysis structural contexts and classroom practice in teaching and learning After analysing the current situation each author proposes radical solutions to current problems and the whole book provides much needed fresh thinking on methodology and pedagogy

Introduction to Scholarship in Modern Languages and Literatures David G. Nicholls, 2015-01-01 The third edition of the MLA's widely used Introduction to Scholarship in Modern Languages and Literatures features sixteen new essays by leading scholars Designed to highlight relations among languages and forms of discourse the volume is organized into three sections Understanding Language provides an overview of the field of linguistics with special attention to language acquisition and the social life of languages Forming Texts offers tools for understanding how speakers and writers shape language it examines scholarship in the

distinct but interrelated fields of rhetoric composition and poetics Reading Literature and Culture continues the work of the first two sections by introducing major areas of critical study The nine essays in this section cover textual and historical scholarship interpretation comparative cultural and translation studies and the interdisciplinary topics of gender sexuality race and migrations among others As in previous volumes an epilogue examines the role of the scholar in contemporary society Each essay discusses the significance underlying assumptions and limits of an important field of inquiry traces the historical development of its subject introduces key terms outlines modes of research now being pursued postulates future developments and provides a list of suggestions for further reading This book will interest any member of the academic community seeking a review of recent scholarship while it provides an indispensable resource for undergraduate and graduate students of modern languages and literatures *Debates in Modern Languages Education* Patricia Driscoll,Ernesto Macaro,Ann Swarbrick,2014-01-03 *Debates in Modern Languages Education* offers a comprehensive introduction and synthesis of the major themes and research evidence in language learning and teaching today providing an up to date authoritative review of traditional and contemporary issues in language teaching With chapters by leading experts in the field thematic sections explore and consider the importance of a wide range of different knowledge bases and skills for effective teaching how to become expert practitioners approaches to teaching with reference to relevant theories complex constructs and empirical research the innovations and ideas that shape and will shape the discipline for the next decade Each thought provoking chapter is supported by reference to further reading and additional material to encourage deeper exploration which will help the reader to fully engage in the debates presented This book is a valuable resource for any student or practising teacher engaged in initial teacher education continuing professional development and Masters level study **Content-Based Instruction in Foreign Language Education** Stephen B. Stryker,Betty Lou Leaver,1997-09-01 This book offers concrete and practical ideas for implementing content based instruction using subject matter rather than grammar through eleven case studies of cutting edge models in a broad variety of languages academic settings and levels of proficiency The highly innovative models illustrate content based instruction programs for both commonly and less commonly taught languages Arabic Croatian French German Indonesian Italian Russian Serbian and Spanish and for proficiency levels ranging from beginners to fluent speakers They include single teacher and multi teacher contexts and such settings as typical language department classrooms specialty schools intensive language programs and university programs in foreign languages across the curriculum All of the contributors are pioneers and practitioners of content based instruction and the methods they present are based on actual classroom experiences Each describes the rationale curriculum design materials and evaluation procedures used in an actual curriculum and discusses the implications of the approach for adult language acquisition Learning Strategy Instruction in the Language Classroom Anna Uhl Chamot,Vee Harris,2019-05-10 This comprehensive collection comprising both theoretical and practical contributions is unique in its focus on language learning

strategy instruction LLSI The chapters written by leading international experts embrace both sociolinguistic and psycholinguistic perspectives The issues presented include different models of strategy instruction and how they can be tailored according to context and the learners age and attainment level The collection will be an important resource for researchers in the field both for its critical perspectives and its guidance on collaborating with teachers to design interventions to implement strategy instruction It also identifies key areas for research including the teaching of less studied groups of strategies such as grammar and affective strategies The book will prove equally valuable to language teachers through the provision of detailed teaching materials and tasks Those engaged in professional development whether pre or in service teacher education will find a wealth of concrete ideas for sessions courses and assignments The Routledge Handbook of Hispanic Applied Linguistics Manel Lacorte, 2014-09-19 This book provides a comprehensive overview of Hispanic applied linguistics allowing students to understand the field from a variety of perspectives and offering insight into the ever growing number of professional opportunities afforded to Spanish language program graduates The goal of this book is to re contextualize the notion of applied linguistics as simply the application of theoretical linguistic concepts to practical settings and to consider it as its own field that addresses language based issues and problems in a real world context The book is organized into five parts 1 perspectives on learning Spanish 2 issues and environments in Spanish teaching 3 Spanish in the professions 4 the discourses of Spanish and 5 social and political contexts for Spanish The book s all inclusive coverage gives students the theoretical and sociocultural context for study in Hispanic applied linguistics while offering practical information on its application in the professional sector Challenges in the Social Life of Language John Edwards, 2011-02-08 The first book to highlight the most pressing sociology of language themes of our times All of which have to do with the twin issues of power and identity Important evidence and illustrations bearing upon these matters are provided and supplemented by an extensive bibliography **Handbook of Undergraduate Second Language Education** Judith W. Rosenthal, 2013-06-17 This volume offers the most comprehensive up to date description of the wide array of second language programs currently available to undergraduate students in the United States and abroad It brings together for the first time detailed descriptions of programs in foreign language English as a second language ESL dual language bilingual American Sign Language Native American and heritage languages Addressing both theory and practice the volume presents the historical development current practices and future directions of each type of program along with detailed case studies For second language teachers academic administrators and teacher educators this Handbook provides information that will be useful in making instructional and programmatic planning decisions Exploring English Language Teaching in India: Theory & Practice Nidhi Sharma, Shikha Agarwal, Irum Alvi, The expansion of theories and practices of Teaching English Language in India has been very prominent and conspicuous during the recent few years For many this mirrors the strength of contemporary second Language Teaching in the country Development of new practices and ways of dealing with

planning language projects and materials mirrors more proficient and more compelling methods of Language teaching Teaching English Language depends on more extensive assortment of methodological alternatives adopted by language teachers The language Teachers have adopted new practices techniques and materials as per the requirements of students the penchants of teachers imperatives of the everyday schedule setting and the COVID 19 situation However the wide assortment of theories and practices still bewilders rather than provides solace Most importantly some are confused by the absence of thorough theories of what practices methodologies and techniques are to be adopted for the benefit of the learners This book is brought out to address the present circumstance It is an endeavor to portray put together organize and present contemporary theories and practices in language teaching *Student Affairs Professionals Cultivating Campus Climates Inclusive of International Students* Helen Park Jameson,J.
