Modern Pantomime Entertainments:

A World of Popular Entertainments Gillian Arrighi, Victor Emeljanow, 2012-03-15 This groundbreaking volume of critical essays about popular entertainments brings together the work of eighteen established emerging and independent scholars with backgrounds in Archives Theatre and Performance Music and Historical Studies currently working across five continents The first of its kind to examine popular entertainments from a global and multi disciplinary perspective this collection examines a broad cross section of historical and contemporary popular entertainment forms from Australia England Japan North America and South Africa and considers their social cultural and political significance Despite the vibrant complex and ubiquitous nature of popular entertainments the field has suffered from a lack of sustained academic attention Nevertheless popular entertainments have a global reach and a transnational significance at odds with the fact that the meaning and definition of both popular and entertainment remain widely contested Since the late nineteenth century class based prejudices in Western culture have championed the superiority of art and literature over the dubious and fleeting pleasures of entertainment Similarly the term popular has carried pejorative connotations indicating something common and outside the conventional and highbrow productions of the purpose built theatre house or concert hall Irrespective of whether popular is code for a cultural product with a folk origin or a term indicating the mass appeal of a cultural product this volume s re assessment of popular entertainments from a global perspective is timely The performance research embodied in this volume was first discussed at A World of Popular Entertainments International Conference University of Newcastle Australia 2009 in response to a multi disciplinary call for scholars to explore a variety of topics relevant to the study of popular entertainments

Modern Pantomime Entertainments Effa Estelle Preston, 1938

Entertainment in the

Performing Arts Alice Marshall (Vale), 2022-04-27 Alice Marshall explores the question What do you think entertainment is by challenging the reader to consider and form their own views through the provision of interviews professional opinions and researched topics Entertainment in the Performing Arts explores a range of sources to enable the reader to develop their own knowledge and understanding of what entertainment equates to This book provides helpful starting points including a range of perspectives from interviewed artists to allow the reader to begin answering this key question for themselves Throughout the chapters the reader is presented with guided tasks to allow full immersion in the topics discussed The author explores why we have an inbuilt need to entertain and be entertained navigates the reader through the technological enhancements that have altered how we do this discusses how audience gratification is not always key in entertainment and furthermore aims to expertly decipher what the word entertainment specifically means This is an essential text for students of performing arts courses artists aiming to develop their understanding of their practice and for those with an interest in entertainment
