Nazi Organisation Of Women:

The Nazi Organisation of Women Jill Stephenson, 2013-05-07 The Nazis were implacably opposed to feminism and women's independence. Rosa Luxemburg became a symbol of all that most horrified them in German society in particular because of her involvement in active politics. Nazi ideology saw women in the activist role of wives, mothers and home makers and their task was to support their fighting menfolk by providing food and making and mending uniforms and flags. The miscellany of women's organisations was dissolved and reunified by Gregor Strasser in 1931 and in 1934 Gertrud Scholtz Klink became an overall leader of the Nazi Women's Group after which it functioned primarily as a propaganda channel. Part of the policy of Gleichschaltung (coordination) meant that even to join a sewing group women had to choose the party group or nothing. This book provides a detailed and fascinating picture of the origins, development and functions of the specifically women's organisations associated with the NSDAP from their beginnings in the early 1920s until their demise in 1945. It traces the history of the Nazi Women's Group, the sources of its members and analyses their ambitions and hopes from the Frauenwerk. Its purpose is above all to make an important contribution to the study of National Socialism as a movement which attracted and held the enthusiasm of a small minority of Germans who given the chance from 1933 attempted to impose their will on the majority.

The Nazi Organisation of Women Jill Stephenson, 2013-05-07 The Nazis were implacably opposed to feminism and women's independence. Rosa Luxemburg became a symbol of all that most horrified them in German society in particular because of her involvement in active politics. Nazi ideology saw women in the activist role of wives, mothers and home makers and their task was to support their fighting menfolk by providing food and making and mending uniforms and flags. The miscellany of women's organisations was dissolved and reunified by Gregor Strasser in 1931 and in 1934 Gertrud Scholtz Klink became an overall leader of the Nazi Women's Group after which it functioned primarily as a propaganda channel. Part of the policy of Gleichschaltung (coordination) meant that even to join a sewing group women had to choose the party group or nothing. This book provides a detailed and fascinating picture of the origins, development and functions of the specifically women's organisations associated with the NSDAP from their beginnings in the early 1920s until their demise in 1945. It traces the history of the Nazi Women's Group, the sources of its members and analyses their ambitions and hopes from the Frauenwerk. Its purpose is above all to make an important contribution to the study of National Socialism as a movement which attracted and held the enthusiasm of a small minority of Germans who given the chance from 1933

attempted to impose their will on the majority **Hitler's Voice: Organisation & development of the Nazi Party** Detlef Mühlberger, 2004 Detlef Mühlberger's work *Hitler's Voice: The Volkischer Beobachter 1920-1933* is an important addition to the study of National Socialism. In today's scholarship it is difficult to locate a detailed work on National Socialism that does not rely in some way on the *Volkischer Beobachter*; it was truly the bullhorn of the party from the time when the National Socialists were no more than a small group of unknowns gathering at the Munich Bürgerbräukeller until they gained power in 1933. Considering the vast amount of literature on National Socialism, however, it is surprising that until now there have only been shorter articles and two dissertations and not a single comprehensive analysis of the newspaper. Mühlberger's translation of articles from the *Volkischer Beobachter* addresses this lacuna. He has sifted through eleven years of the paper, condensing them into two volumes. His first volume gives a chronological account of the development and organization of the party until 1933, while the shorter second volume, entitled *Nazi Ideology and Propaganda*, examines topical issues such as attacks against the Weimar Republic, racism, and attempts by the party to garner support from workers, farmers, and the German *Mittelstand*.

Women in Nazi Germany Jill Stephenson, 2014-05-12 From images of jubilant mothers offering the Nazi salute to Eva Braun and Magda Goebbels, women in Hitler's Germany and their role as supporters and guarantors of the Third Reich continue to exert a particular fascination. This account moves away from the stereotypes to provide a more complete picture of how they experienced Nazism in peacetime and at war. What was the status and role of women in pre-Nazi Germany, and how did different groups of women respond to the Nazi project in practice? Jill Stephenson looks at the social, cultural, and economic organisation of women's lives under Nazism and assesses opposing claims that German women were either victims or villains of National Socialism.

Women in Nazi Society Jill Stephenson, 2013-03-05 This fascinating book examines the position of women under the Nazis. The National Socialist movement was essentially male-dominated, with a fixed conception of the role women should play in society while man was the warrior and breadwinner, woman was to be the homemaker and childbearer. The Nazi obsession with questions of race led to their insisting that women should be encouraged by every means to bear children for Germany, since Germany's declining birth rate in the 1920s was in stark contrast with the prolific rates among the inferior peoples of eastern Europe, who were seen by the Nazis as Germany's foes. Thus women were to be relieved of the need to enter paid employment after marriage, while higher education, which could lead to ambitions for a professional career, was to be closed to girls or at best available to an exceptional few. All Nazi policies concerning women ultimately stemmed from the Party's view that the German birth rate must be dramatically raised.

Women in Nazi Germany Jill Stephenson, 2014-05-12 From images of jubilant mothers offering the Nazi salute to Eva Braun and Magda Goebbels, women in Hitler's Germany and their role as supporters and guarantors of the Third Reich continue to exert a particular fascination. This account moves away from the stereotypes to provide a more complete picture of how they experienced Nazism in peacetime and at war. What was the status and role of women in pre-Nazi Germany, and

how did different groups of women respond to the Nazi project in practice Jill Stephenson looks at the social cultural and economic organisation of women s lives under Nazism and assesses opposing claims that German women were either victims or villains of National Socialism *Women's International Activism during the Inter-War Period, 1919-1939* Ingrid Sharp,Matthew Stibbe,2018-10-18 In historical writing the interwar years are often associated with the rise of extreme forms of nationalism Yet paradoxically this period also saw significant advances in the development of internationalism and international mindedness This collection examines previously under researched aspects of the role played by women s movements and individual female activists in this process Women campaigners contributed to and helped to re define what constituted international work in myriad ways For some particularly those coming from a radical pacifist background the central theme after 1919 was the eradication of war and the preservation of world peace Yet others were more interested in the sharing of medical knowledge across borders in the promotion of new causes such as physical fitness or the cultural assimilation of immigrants or in finding fresh and innovative ways of battling for old causes such as female suffrage and women s access to education It was even possible for nationalist women to use the language and practices of internationalism to further their own conservative illiberal or anti communist agendas or to argue for revision of the peace treaties of 1919 20 The volume addresses these different kinds of activism and the many links between them by way of particular examples This book was originally published as a special issue of Women s History Review *Women, Gender, and Fascism in Europe, 1919-45* Kevin Passmore,2003 Investigates the role of women and gender in fascist and non fascist movements of the extreme right The text re examines the nature of the extreme right in the light of research in the field of women s and gender studies offering an accessible overview of developments in Europe **The Nazi Machtergreifung (RLE Nazi Germany & Holocaust)** Peter D. Stachura,2014-09-19 This book analyses some of the fundamental reasons for the triumph of National Socialism in 1933 Written in 1983 by historians at Canadian American and British universities it provides a clear and balanced historiographical perspective of the dynamics of socio political mobilization which helped make the Machtergreifung possible The relationship during the Weimar republic between the Nazi Party and various social groups constitutes a major element in the book as do the attitudes towards Hitler displayed by a number of influential institutions The Nazis successful mobilization of popular support before 1933 is illustrated through the impact of foreign policy and ideology propaganda on the Germans **Women and Political Change** Sue Bridger,2016-07-27 This collection of essays looks at the impact on women of the political changes which have taken place in East Central Europe since the 1930s It is unusual in combining a strong contemporary focus with re evaluations of what the socialist experience has meant for women It brings together specialists from both East and the West to offer insights into women s lives and responses to change in countries which have a shared legacy of state socialism yet are as culturally diverse as Russia and Germany Poland and Estonia **Women in the Weimar Republic** Helen Boak,2015-11-01 This book is the first comprehensive survey of women

in the Weimar Republic exploring the diversity and multiplicity of women's experiences in the economy politics and society Taking the First World War as a starting point this book explores the great changes in the lives expectations and perceptions of German women with new opportunities in employment education and political life and greater freedoms in their private and social life all played out in the media spotlight Engaging with the most recent research and debates this book portrays the Weimar Republic as a period of progressive change for young urban women to be stalled in 1933 This book will be essential reading for students and researchers of German women in the early twentieth century and will also appeal to anyone interested in the Weimar Republic and women's history *Nazism, Fascism and the Working Class* Timothy W. Mason, 1995-03-09 This collection of essays four of which are published in English for the first time represents the life's work of the historian Tim Mason one of the most original and perceptive scholars of National Socialism who pioneered its social and labour history His provocative articles and essays written between 1964 and 1990 exhibit a combination of empirical rigour and theoretical astuteness which made them landmarks in the definition and elaboration of major debates in the historiography of National Socialism These ten essays collect together Mason's most significant writings including discussions of the domestic origins of the Second World War the role of Hitler and the character of working class resistance as well as his pathbreaking study of women under National Socialism and examples of comparative work on fascism and Nazism A complete bibliography of his publications is also appended Winning Women's Votes Julia Sneeringer, 2003-04-03 In November 1918 German women gained the right to vote and female suffrage would forever change the landscape of German political life Women now constituted the majority of voters and political parties were forced to address them as political actors for the first time Analyzing written and visual propaganda aimed at and frequently produced by women across the political spectrum including the Communists and Social Democrats liberal Catholic and conservative parties and the Nazis Julia Sneeringer shows how various groups struggled to reconcile traditional assumptions about women's interests with the changing face of the family and female economic activity Through propaganda political parties addressed themes such as motherhood fashion religion and abortion But as Sneeringer demonstrates their efforts to win women's votes by emphasizing women's issues had only limited success The debates about women in propaganda were symptomatic of larger anxieties that gripped Germany during this era of unrest Sneeringer says Though Weimar political culture was ahead of its time in forcing even the enemies of women's rights to concede a public role for women this horizon of possibility narrowed sharply in the face of political instability economic crises and the growing specter of fascism Creating Consent in Ba'athist Syria Esther Meininghaus, 2016-03-31 The challenge of maintaining dictatorial regimes through control co option and coercion while upholding a facade of legitimacy is something that has concerned leaders throughout the Middle East and beyond Nowhere is this more evident than in the Syria ruled by the Asads both Hafiz and his son Bashar Drawing on the example of the General Union of Syrian Women founded in 1967 Esther Meininghaus offers new insights into how the Syrian

Ba thist regimes attempted to move beyond mere satisfaction with the compliance of the citizenry and to consolidate their rule amongst the local population Meininghaus argues that this was partially achieved through providing welfare services delivered by the Union as one of the state led mass organisations In this way she suggests these regimes did not only aim to undermine opposition and to create the illusion of consent but they factually catered to local needs and depended on consent Based on archival material interviews and statistics Creating Consent in Ba thist Syria will shed new light on mass organisations as a crucial institution of Ba thist state building and more broadly the construction of the Asad regimes

Neighbors and Enemies Pamela E. Swett, 2004-09-27 Publisher Description **Elections, Mass Politics and Social**

Change in Modern Germany German History Society (Great Britain), 1992 Historical essays on German mass politics from novel and sometimes surprising viewpoints Mothers, Warriors, Guardians of the Soul Geraldine Theresa

Horan, 2012-08-09 This study shows that women involved in National Socialism in the years 1924 1934 developed and shaped a recognizable discourse which communicated and reflected their position and status within the NS movement The analysis is based on a variety of text types produced by members of NS women s organisations and includes official correspondence circulars reports pamphlets monographs and articles from NS women s journals It draws upon several areas of linguistic theory including feminist linguistics semantics pragmatics and discourse analysis and the salient features identified in the female discourse are placed within a sociolinguistic framework While previous research into the language of the NS system has largely ignored the possibility of a cohesive female discourse the study supports the idea that this discourse was dynamic and at times heterogeneous whilst also displaying many self defining and self referential features It is characterised by its ambiguities and apparent contradictions which expresses separateness and difference yet also solidarity with the NSDAP

The Shaping of the Nazi State (RLE Nazi Germany & Holocaust) Peter D. Stachura, 2014-09-19 Representing the scholarship of historians who have largely based their findings on previously unpublished material this volume originally published in 1978 provides a critical and provocative assessment of many established opinions on significant themes related to the dramatic rise and development of Adolf Hitler s Nazi Movement The volume discusses among other things The development of Hitler s foreign policy ideas The contributions of Gottfried Feder and Gregor Strasser to the successful growth of the Nazi party The social composition of the Stormtroopers The bureaucratic structure of the Third Reich The character and scope of resistance within Germany to the regime **The Manchurian Crisis and Japanese Society,**

1931-33 Sandra Wilson, 2003-08-27 This book explores the reactions to the Manchurian crisis of different sections of the state and of a number of different groups in Japanese society particularly rural groups women s organizations and business associations It thus seeks to avoid a generalized account of public relations to the military and diplomatic events of the early 1930s offering instead a nuanced account of the shifts in public and popular opinion in this crucial period

This Engaging World of Kindle Books: A Thorough Guide Revealing the Advantages of E-book Books: A World of Ease and Versatility E-book books, with their inherent mobility and ease of access, have liberated readers from the constraints of physical books. Nazi Organisation Of Women Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Nazi Organisation Of Women free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Nazi Organisation Of Women free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Nazi Organisation Of Women free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Nazi Organisation Of Women. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Nazi Organisation Of Women any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Nazi Organisation Of Women Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before
