Childhood in African Literature Eldred D. Jones, Marjorie Jones, 1998 African authors have consistently returned to childhood to find their personal as well as their racial roots Far from being merely nostalgic yearnings for a lost paradise many of the treatments of childhood as shown in articles in this issue have exposed a grim reality of cruelty harshness parental particularly paternal egocentrism and extraordinary bruising of the vulnerable child psyche Camara Laye may have portrayed a paradise state but Yvonne Vera has treated one of the cruelest features of childhood anywhere African authors generally have been sternly responsible in their portrayal of childhood Publisher s description
