

PRAYER OF GRATITUDE

Thank you God

Thank you for your amazing power and work in our lives, thank you for your goodness and for your blessings over us. Thank you that you are able to bring hope through even the toughest of times, strengthening us for your purposes.

Forgive us for when we don't thank you enough, for who you are, for all that you do, for all that you've given. Help us to set our eyes and our hearts on you afresh.

Renew our spirits, fill us with your peace and joy. We give you praise and thanks, for You alone are worthy!

In Jesus' Name, Amen

Talk Yourself Happy Kristi Watts,2017-01-03 Former cohost of The 700 Club Kristi Watts reveals the pitfalls that keep Christians from true joy and demonstrates the transformational power of speaking the words and promises of God How does a person bounce back after being beaten down personally professionally and emotionally What impact do words thoughts and beliefs have in determining one's level of happiness Kristi Watts asked herself these questions after her marriage dissolved and she left a high profile position as a cohost of The 700 Club Initially excited to walk into a new season of life that she thought held the key to happiness she soon stumbled into emotional pitfalls that left her discouraged disappointed and distant from God Known as the upbeat host who was always filled with joy and laughter she was anything but yet she was determined to get her happy back But how By learning as Kristi did that true happiness is not simply acquired but rather cultivated When one's words focus on faulty perspectives faith is quickly derailed but by remembering God's blessings and verbally claiming His promises hearts change Using biblical principles *Talk Yourself Happy* illustrates the importance of relying on God to tame our tongues and train our minds and it exposes the hidden traps that keep Christians from living lives of happiness empowering readers with the ultimate transformation of their hearts

Deison, 1990 **Woven** Meredith

Miller, 2023-08-22 In this inspiring parenting book learn how to create space for your children to get to know God in a way that focuses on trust instead of a list of rigid rules Most Christian parenting books are ready with exact practices every family should follow in order to raise obedient children In this obedience training model faith is a wall constructed brick by brick as adults tell children what to believe and how to behave But what if obedience is not the goal of Christian parenting What if it's our job as parents to instead help our kids get to know God and discover that God can be trusted And what if faith is not constructed brick by brick but rather woven strand by strand Much like a spider's web in which anchor strands and internal threads combine to form a unique web Woven can help children anchor to who God is and have faith practices that are rich textured and all their own Kids need space to explore the Bible ask big questions and even change their understanding of God and faith along the way With Woven families can nurture the kind of faith that can flex and grow be broken and repaired This is the sort of faith that can stand up to the life a child will live the doubts they will encounter and the questions that will come up along the way So many parents want to pass along their faith but know that God is so much bigger than the list of do's and don'ts they were taught about as children They want to pass along a faith their child doesn't have to heal from Woven is the guidebook parents have been looking for With a deep reverence for scripture and suggested activities to help your family grow in faith together Woven is for parents who want to go beyond a list of do's and don'ts and pass along a

resilient faith based on genuine love for and trust in God
