Power Of Religion A Comparative Introduction:

The Power of Religion Amanda Porterfield, 1998 Genuinely accessible to undergraduates and general readers it shows how various forms of these traditions are lived out in practice experience and community presenting religions as conceivable ways of living and demonstrating how religious beliefs are integrally related to other aspects of life Many chapters open with a description of a particular religious event or act that one might encounter today in the United States where virtually all of the world's religions are now being practiced The author discusses several of the historical developments each religion has undergone and considers how each of the religions has changed in response to the climate of religious exchange and religious pluralism that exists in the United States today

Prince, Pen, and Sword: Eurasian Perspectives Maaïke van Berckel, Jeroen Duindam, 2018-01-22 Prince Pen and Sword offers a synoptic interpretation of rulers and elites in Eurasia from the fourteenth to the eighteenth century Four core chapters zoom in on the tensions and connections at court on the nexus between rulers and religious authority on the status function and self-perceptions of military and administrative elites respectively Two additional concise chapters provide a focused analysis of the construction of specific dynasties the Golden Horde and the Habsburgs and narratives of kingship found in fiction throughout Eurasia The contributors and editors authorities in their fields systematically bring together specialised literature on numerous Eurasian kingdoms and empires This book is a careful and thought-provoking experiment in the global comparative and connected history of rulers and elites

Religion in World History John C. Super, Briane K. Turley, 2006-08-21 Examining the value of religion for interpreting the human experience in the past and present this authoritative book is one of the few to examine religion's role in geo-political affairs

African Theology, Philosophy, and Religions Julius Gathogo, Chammah J. Kaunda, 2020-11-24 In African Theology Philosophy and Religions Celebrating John Samuel Mbiti's Contribution contributors explore John Samuel Mbiti's contributions to African scholarship and demonstrate how he broke through the western glass ceiling of scholarship and made African informed and African shaped scholarship a reality Contributors examine the far-reaching implications of Mbiti's scholarship arguing that he shifted the contemporary African Christian landscape and informed global expressions of Christianity African Theology Philosophy and Religions analyzes Mbiti's scholarship and shows that his theories are malleable and fluid allowing a new generation of scholars to reinterpret reconstruct and further develop his theories This collection brings together contributors from a wide range of disciplines to study John Samuel Mbiti as the father of contemporary African theology and grapple with questions Africans face in the twenty-first century

Religious Studies: The Key Concepts Carl Olson, 2010-09-28 An accessible A-Z resource defining and explaining key terms and ideas central to the study of religion Exploring broad and recurring themes which are applicable in both eastern and western religions cross-cultural examples are provided for each term to give a comprehensive overview of the subject

Scherpe,2016-01-29 The Impact of Institutions and Organisations on European Family Law looks at the impact that institutions and organisations have had and continue to have on European family law In many ways the chapters in this volume provide the easiest explanation for the existence of a European family law While there is no European body that could actually legislate

definitively on family law even the European Union has no such mandate there are still some obvious institutions that have a very direct impact on European family law These can be divided into two groups namely those that have a direct impact such as the European Court of Human Rights and the European Union and those that have an indirect impact such as the Commission on European Family Law CEFL the Council of Europe and the International Commission on Civil Status ICCL CIEC as well as the private international law instruments of the Hague Conference HCCH and the EU Together with religion all of these institutions are contributing to the creation of a European family law This book and the others in the set will serve as an invaluable resource for anyone interested in family law It will be of particular use to students and scholars of comparative and international family law as well as family law practitioners *Digital Hinduism* Murali Balaji, 2017-11-01 This edited volume seeks to build a scholarly discourse about how Hinduism is being defined reformed and rearticulated in the digital era and how these changes are impacting the way Hindus view their own religious identities It seeks to interrogate how digital Hinduism has been shaped in response to the dominant framing of the religion which has often relied on postcolonial narratives devoid of context and an overemphasis on the geopolitics of the Indian subcontinent post partition From this perspective this volume challenges previous frameworks of how Hinduism has been studied particularly in the West where Marxist and Orientalist approaches are often ill fitting paradigms to understanding Hinduism This volume engages with and critiques some of these approaches while also enriching existing models of research within media studies ethnography cultural studies and religion **The Emerald Guide to C.
