Radical Prayer Contemporary Interpretations:

Radical Prayer Perry D. LeFevre, 1982 *Prayer* Stanley James Grenz, 2005 Petition has always stood at the heart of the manner in which evangelicals pray But why is petitionary prayer important Grenz presents petitionary prayer as a crucial aspect of the coming of God's kingdom on Earth and challenges the contemporary church to recapture what it means to be a church that prays **Hopeful Realism in Urban Ministry** Barry K. Morris, 2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another's literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism's temptation to cynicism Realism saves hope from irrelevancy **Foundations of Contemporary Interpretation** V. Philips Long, Richard A. Muller, Vern S. Poythress, 1996 This one volume edition of the Foundations of Contemporary Interpretation series explores current issues in the interpretation of the Bible from the perspective of specific academic disciplines history literary criticism science and theology *Sexuality and the Sacred, Second Edition* Marvin M. requires In tracing the movement of Barth s earlier thinking about scriptural reading the book also raises important questions about the ways in which Barth can continue to influence contemporary discussions about the theological interpretation of scripture The Chicago Theological Seminary Register Chicago Theological Seminary,1991 Alumni directory issue 1859 1951 v 44 no 4 v 45 no 1 New Islamist Architecture and Urbanism Bülent Batuman,2017-12-22 New Islamist Architecture and Urbanism claims that in today s world a research agenda concerning the relation between Islam and space has to consider the role of Islamism rather than Islam in shaping and in return being shaped by the built environment The book tackles this task through an analysis of the ongoing transformation of Turkey under the rule of the pro Islamic Justice and Development Party In this regard it is a topical book a rare description of a political regime s reshaping of urban and architectural forms whilst the process is alive Defining Turkey s transformation in the past two decades as a process of new Islamist nation re building the book investigates the role of the built environment in the making of an Islamist milieu Drawing on political economy and cultural studies it explores the prevailing primacy of nation and nationalism for new Islamism and the spatial negotiations between nation and Islam It discusses the role of architecture in the deployment of history in the rewriting of nationhood and that of space in the expansion of Islamist social networks and cultural practices Looking at examples of housing compounds mosques public spaces and the new presidential residence New Islamist Architecture and Urbanism scrutinizes the spatial making of new Islamism in Turkey through comparisons with relevant cases across the globe urban renewal projects in Beirut and Amman nativization of Soviet modernism in Baku and Astana the presidential palaces of Ashgabat and Putrajaya and the neo Ottoman mosques built in diverse locations such as Tokyo and Washington DC Das Gebet als Grundakt des Glaubens Werner Schüssler,A.
