Radical Christian Living:

Radical Christian Living Richard Booker, 1985-03-01 Radical Christian Principles Matthew Sadiku, 2024-05-15 In our day of moral confusion men and women and young and old desperately need to understand what the Bible teaches about Christian living Christians are often one of the obstacles preventing unbelievers from accepting Christ into their lives People reject Christianity when they observe that those who profess to follow Christ do not live and love the way He did The Christians follow religious traditions instead of following in the footsteps of their Master As believers we should be the drivers of our own lives We have to stand up for what we believe in even when we might not be popular for it **The Radical Disciple** John Stott, 2021-04 What does it mean to follow Jesus wholeheartedly John Stott unpacks radical discipleship in his final book **Reflections on the Gospel** John Michael Talbot, 1986 Overhauling Life with Instructions from Jim William McConnell, 2009-06-01 **Bavinck on the Christian Life** John Bolt, 2015-08-31 The importance of Dutch theologian Herman Bavinck to Reformed theology is difficult to overstate Bavinck's comprehensive four volume systematic theology *Reformed Dogmatics* is a modern classic that has influenced countless pastors and theologians over the past 100 years In *Bavinck on the Christian Life* scholar John Bolt brings the great Dutch theologian's life and work to bear on following Jesus in the 21st century By practically applying Bavinck's systematic works to the Christian life and looking at the life of the man himself this book shows the direct connection between robust theology practical holiness and personal joy John Owen is widely hailed as one of the greatest theologians of all time His many works especially those encouraging Christians in their struggle against sin continue to speak powerfully to readers today offering much needed spiritual guidance for following Christ and resisting temptation day in and day out Starting with an overview of Owen's life ministry and historical context Michael Haykin and Matthew Barrett introduce readers to the pillars of Owen's spiritual life From exploring his understanding of believers fellowship with the triune God to highlighting his teaching on justification this study invites us to learn about the Christian life from the greatest of the English Puritans Part of the *Theologians on the Christian Life* series **Radical Christian Living** Matthew Sadiku, 2020-03-21 *365 Devotions for Living Joyfully* Victoria Doulos York, 2017-09-26 Transform your life when you discover the power of joy each day of the year Discover the joy of the Lord in fresh ways through the beautiful new *365 Devotions for Living Joyfully* Full of simple accessible devotions for every day of the year this book will help you find deep unshakable biblical joy and will inspire you to live your most joyful life God never meant you to move through your days in joyless routine Yet in the midst of busy schedules and endless to do lists joy seems like a luxury few can afford But there is hope You can cultivate a deep lasting holy joy that burns steadily within you no matter what you might face So take heart and refresh your soul every day of the year through the encouraging words of *365 Devotions for Living Joyfully* In *365 Devotions for Living Joyfully* you are invited to take a few minutes each morning to rekindle this biblical understanding of a joy filled life As you reflect on the abundant life God offers you will rediscover how

joy can transform your heart These devotions will inspire and grow your faith as you begin to see life as God truly intended it full of abounding joy Each daily entry features a Scripture verse to help you start your day in God s Word Devotional reflection to help you meditate on the joy that God offers you each day Prayer to help align your heart with God 365 Devotions for Living Joyfully invites you to spend a few moments meeting your loving God every day and seeking His joy This devotional will guide you through a yearlong journey toward a transformed joyful heart that overflows into the lives of those around you The more you learn about God s promises and desires for you the more you ll say with the psalmist My heart trusts in him and he helps me My heart leaps for joy and with my song I praise him 28 7 *Stott on the Christian Life* Tim Chester,2020-05-07 John Stott was a twentieth century pastor theologian widely hailed for his heart for missions and expository preaching Even today Stott s legacy continues to influence churches around the world As both a faithful preacher and a thoughtful writer Stott profoundly shaped evangelicalism s contemporary understanding of Christianity through an approach to the Christian life founded on the word shaped by the cross and characterized by the pursuit of Christlikeness in every area of life Tim Chester invites a new generation of readers to experience the Christian life as John Stott envisioned it not simply a theological puzzle to be solved but the daily practice of humble service and compassion found in the gospel of Jesus Christ *Living Your Jesus Reality* Erich Fuls,2012-03-14 *Living Your Jesus Reality* penned by author Erich Fuls presents that Jesus in Person came to reside in every born again believer Jesus lives here on earth in believers to implement the words and works of Almighty God The author grapples with these questions Why does the world not see Christ fully alive in and active through Christians Have Christians taken Christ out of Christianity The book flags that Christianity is dead apart from Christ living in His people and He Himself transforming the world through them Readers will be challenged to discover meditate and implement the truth that every believer is supposed to live from through and to Jesus alive in them The sharp shooting and compact style of the 60 essays and poems gives much food for reflection in every section without a long reading requirement This book is for everyone who wishes to know why there is such a glaring discrepancy between what Jesus prepared and promised for all and what one sees in Christian circles today Furthermore this book is for all Christians who are hungry to know and show Jesus in their everyday life for real Every Christian who is tired of a fake self based religious and ritualistic Christianity and seeks revival in his own life will get much blessing from this book Christians who want to live from through and to Jesus Christ in Person here within them need to read this book Faithfully following the Biblical teachings of this book will reveal God Jesus in Person in God s children and in action from within them

Christianity John Chathanatt,2024-01-08 Published in the Series Encyclopedia of Indian Religions this volume is devoted to Christianity in India where it has had a long presence going back to the time of the apostles of Jesus Christ It focuses on the history origin organizations and local engagements belief system worship practices Rites Rituals Christian life Contributions Spirituality and a few of the main doctrinal and theological items It further examines the earlier phase of the

history of Christianity starting with the traditional belief of the arrival of St Thomas in AD 52 moving to the periods of its association with the Chaldean church the Portuguese the Dutch English and so on This volume highlights the missionary activities of persons like St Francis Xavier the creative contributions made to the inter religious dialogue by such people as Roberto de Nobili 1577 1656 and Swami Abhishiktananda 1910 1973 the linguistic and educational contributions of some of the pioneers like the German Jesuit Johanne Ernst Hanxleden known as Arnos Padiri 1681 1732 Herman Gundert 1814 1893 St Elias Kuriakos Chavara 1805 1871 and a fortiori the enormous contributions in the healthcare area throughout the country Caring for and serving the socio economically marginalized ones the peripheralized people formed an integral part of the Christian activity In India as it is done even today This is highlighted very much in the volume It further explores the contact India had with European Christianity showing that European Christianity proved to have wider influence in the Northern part of India unlike India s early episodic encounters with Palestinian and Persian forms of Christianity which had deep influence in the Southern part of India The volume also highlights the inner struggle among the followers resulting even in its division originating at the Synod of Diamper in 1599 manifesting by and large the Church state love and hate relationships In fine in spite of the drawbacks of putting the herculean task of two thousand years of history in eight hundred pages or so this volume gives a rather comprehensive view of Christianity in India especially to those who are unfamiliar with its life and dynamics in the Indian context The wide range of photographs 325 of them especially of the churches revealing the architectural beauty and multiplicity along with the ensample of art and paintings and pilgrimage centers adds to the enrichment of the volume

Let God Change Your Life Greg Laurie, 2011-06-01 Evangelist Greg Laurie calls all Christians back to radical New Testament living in his latest offering *Let God Change Your Life* Imagine what it would have been like to be a follower of Jesus first century Christians walked away from their old lives just to be where He was What they learned sitting at His feet

was discipleship And when His work on earth was done first century Christians took His words and example and spread out teaching the gospel to everyone The good news is that we too can participate in this lifestyle Laurie drills it down in three simple ideas get to know Jesus follow His plan for discipleship and use it to tell others what we know Laurie s tone is clear direct and biblical *Undivided* Rick Calloway,2015-07-17 *Undivided* is a book specifically written for Christians who desire to live for Christ without any reservation The book details a biblical plan for what God intended the Christian life to truly be about When we became Christians we made the conscious choice to follow God with every aspect of our lives That decision to follow Christ should be nurtured and protected to keep the world from drawing our hearts away from God Author Rick Calloway challenges Christians to live with an undivided heart and loyalty toward God *Undivided* gives clear biblical principles and a road map for keeping our hearts pure toward God The book is detailed and specific regarding Gods desire that we live with undivided hearts toward him It also provides a look at how we are to approach our faith our family our finances and the entirety of our lives in relation to Gods plan for our life *Undivided* will inspire you to raise the standard of what your Christian life should be about The book also will give you insight and hope into a better way to live our lives The book establishes that the main desire of every Christian should be as Matthew 22 37 says to love the LORD your God with all your heart all your soul and all your mind More than anything Follow the Leader provides great hope and encouragement for Christians to know that God has great plans in store for them if they will be intentional in committing their lives to him

Easter for Progressive Christians Donald Schmidt,2020-01-10 So what really happened that first Easter Sunday The simple answer is that no one knows only a problem if one is trying to prove that each of the stories is factually accurate If we suspend that attempt for a moment and read the Easter stories in the gospels for what they are profound statements of faith we may discover something much more powerful and lasting Few stories in the entire pantheon of literature evoke as much emotion as the gospel accounts of the resurrection of Jesus For many Christians these are the quintessential texts the ones that define Christianity their personal faith and the whole of human existence That s a lot to put onto a few simple stories When using this study therefore it will be helpful to have a sense of where participants are coming from Are they a mixed group with ideas that are all over the theological map Do they tend to approach the stories as metaphor and take the stance that the resurrection could not possibly have happened Do they take it literally and believe that things must have happened exactly as they are recorded Do they feel that there is some point to reading these stories even though they leave us with more questions than answers People s ideas may differ slightly or greatly and that s okay The point of doing this study is not so that everyone comes out with the same belief nor is it to convince anyone at any time that they must believe one thing or another The purpose of this study is to explore these powerful faith stories so that they might in turn inform and enhance our daily living **The Christian Century** ,1924 **Kierkegaard's Influence on Theology: Anglophone and**

Scandinavian Protestant theology Jon Bartley Stewart, Tome II is dedicated to tracing Kierkegaard s influence in

Anglophone and Scandinavian Protestant religious thought In Britain before World War I the few literati who were familiar with his work tended to assimilate Kierkegaard to the heroic individualism of Ibsen and Nietzsche In the United States knowledge of Kierkegaard was introduced by Scandinavian immigrants who brought with them a picture of the Dane as much more sympathetic to traditional Christianity The interpretation of Kierkegaard in Britain and America during the early and mid twentieth century generally reflected the sensibilities of the particular theological interpreter Anglican theologians tended to find Kierkegaard to be one sided in his critique of reason and culture while theologians hailing from the Reformed tradition often saw him as an insightful harbinger of neo orthodoxy The second part of Tome II is dedicated to the Kierkegaard reception in Scandinavian theology featuring articles on Norwegian and Swedish theologians influenced by Kierkegaard

Wake Up Church Greg Wilburn,2010-10-15 Lukewarmness in the Church Moral Decay in Society Unstable Economies We live in a troubled world This is a wake up call The King of the Universe is coming back to rule the earth in righteousness ARE YOU READY The various voices of politics world religions and new cultural movements all seek to proclaim some form of hope in the midst of these uncertain times The Word of God tells us that the only true hope is found in Jesus Christ He is the Savior who died for sinners and He is the reigning King who will return to earth with power and great glory This is the hope we have as Christians that our King will surely come again But is the Church ready for the return of Jesus Are the people of God living in light of and longing desperately for that Day This book seeks to unpack several exhortations which the Bible gives us in order to help us be prepared for the Second Coming of Christ such as loving the truth living holy lives enduring suffering and proclaiming the gospel to the unreached nations This book will help the people of God live out these realities as they await the glorious return of King Jesus

Hope for the Oppressor Patrick Oden,2019-07-26 The liberating work of God calls the oppressed out of oppression and the oppressor out of oppressing The challenge in seeking a thorough liberation of oppressors is to help them understand their need for freedom and how to seek this freedom in their own contexts Patrick Oden provides a holistic biblical historical and theological analysis that diagnoses the underlying motivations and inclinations that lead to oppression Part one addresses the context of oppression in which most participants in oppression do not actively seek to harm others but are caught up in systems that tend toward the diminishment of others Part two examines the biblical and early Christian response to oppression discovering a thread that avoids condemning participation in society generally while also cautioning the people of God about being co opted by society Part three discusses how oppressors can withdraw from oppression through a constructive analysis of four contemporary theologians Wolfhart Pannenberg Jürgen Moltmann Sarah Coakley and Jean Vanier each of whom contributes to a widening vision of liberated and liberating life in which the once oppressed and former oppressor can find peace together in community
