## **Radical Renewal The Politics Of Ideas In Modern America:**

*The Radical Renewal* Norman Birnbaum,1988      *The Radical Renewal* Norman Birnbaum,1988      **Materializing Democracy** Russ Castronovo,Dana D. Nelson,2002-06-21 Investigates the complex histories and conflicting desires that are generally concealed behind the term democracy      Religion and Radical Politics Robert Hedborg Craig,1992 This study discusses an array of movements organisations and activists many largely unstudied who sought to aid the poor and oppressed through Christian social action      After Progress Norman Birnbaum,2002-07 Here Birnbaum traces the decline and fall of social reform in Europe and America He shows for example that William Howard Taft railed against socialism by which he meant anything restricting the market      Toward a Global Civil Society Michael Walzer,1997-12-01 The demise of Communism has not only affected Eastern Europe but also the countries of the West where a far reaching examination of political and economic systems has begun This collection of essays by internationally renowned scholars of political theory from Europe and the United States explores both the concept and the reality of civil society and its institutions      **C. Wright Mills** C. Wright Mills,2001-09-14 This collection of letters and writings edited by his daughters allows readers to see behind Mills s public persona for the first time      Good Society Robert Bellah,Richard Madsen,Steve Tipton,William Sullivan,Ann Swidler,2011-02-23 THE GOOD SOCIETY examines how many of our institutions from the family to the government itself fell from grace and offers concrete proposals for revitalizing them      **Due Respect** Fred Groh,2018-10-26 Published in 1998 this critical analysis of welfare state morality argues that all its essential claims are untenable that need based distribution of goods is inconsistent with its rationale that morality can be given a rational grounding from which follows an exceptionally strong right of personal sovereignty that cognitive self sufficiency in the ordinary adult shows capacity to deal adequately with the problems of life The same arguments lay the basis for an alternative social morality giving the individual his due respect Among the topics are subjective and objective approaches to moral justification when moral intuitions must be rejected how it can be rational to act against reason personal autonomy and the irresistible impulse and why and when expropriation is morally permissible A summary chapter applies the main conclusions to the poverty problem comparing welfare state morality and the alternative in action      **The Transformation of American Politics** David M. Ricci,1993-01-01 Explores the parallel and convergent social economic and political trends within America that have transformed government in Washington and led to the development and prestige of public policy research centres or think tanks      *The Making of Green Knowledge* Andrew Jamison,2001-11-29 A comprehensive introduction to the politics of the environment and the development of environmental knowledge      **Idealism, Metaphysics and Community** William Sweet,2017-07-12 This title was first published in 2001 Idealism Metaphysics and Community examines the place of idealism in contemporary philosophy and its relation to problems of metaphysics political thought and the study of the history of philosophy Following an extensive introduction by the editor and drawing on the work of the Canadian idealist Leslie Armour

the book is divided into three main parts Part 1 focuses on F H Bradley Part 2 examines metaphysical issues and idealism such as the realism anti realism debate the relation of classical and idealist metaphysics rational psychology time and eternity and the divine Part 3 draws on idealism to address contemporary concerns in ethical theory political philosophy social philosophy and culture and the history of philosophy Presenting new insights into the work of classical and contemporary authors this book provides a better understanding of classical idealism and addresses important areas of contemporary philosophical social and political concern      *New Nationalisms in Europe* United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on European Affairs,1995      *The Changing Agenda of Israeli Sociology* Uri Ram,2012-02-01 This study explores the changing agenda of Israeli sociology by linking content with context and by offering a historically informed critique of sociology as a theory and as a social institution It examines on the one hand the general theoretical perspectives brought to bear upon sociological studies of Israel and on the other the particular social and ideological persuasions with which these studies are imbued Ram shows how the agenda of Israeli sociology has changed in correlation with major political transformations in Israel the long term hegemony of the Labor Movement up to the 1967 war the crisis of the labor regime following the 1973 war and the ascendance of the right wing to governmental power in 1977 Three stages in Israeli sociology corresponding to these political transformations are identified the domination of a functionalist school from the 1950s to the 1970s a crisis in the mid 1970s and the profusion of alternative and competing perspectives since the late 1970s Ram concludes with a plea for a new sociological agenda that would shift the focus from nation building to democratic and egalitarian citizenship formation This book offers the first systematic and comprehensive overview of sociological thought in Israel and by doing so offers a unique interpretation of the social and intellectual history of Israel      *Anti-Americanism* Paul Hollander, In its domestic manifestations anti Americanism may be equated with alienation or an embittered radical social criticism Abroad it may take the form of nationalism anti capitalism and protest against modernity This volume examines the phenomenon within American society and aboard especially among intellectuals

**The Bop Apocalypse** John Lardas,John Lardas Modern,2001 Lardas examines the new visions of the three artists and their Beat religiosity wherein they lived their religion of real life experience rather than faith By rejecting the cultural tenets of postwar America each man took on the discourse of the public theology created physical enactments of a religious representation of the world and through literature changed the interpretation of modern religion      *The Humanities and the Civic Imagination* James Frank Veninga,1999 For those who believe that the humanities in America are in trouble suffering from over specialization and never ending intramural conflicts this collection of addresses and essays provides much needed hope Since the early 1970s state humanities councils working under a Congressional mandate have developed important models of how the study of history literature and culture can be infused into the public life of the nation Often countering trends that have dominated the humanities on campus state councils drawing upon the energies and resources of volunteer

boards professional staff and public minded scholars have demonstrated through thousands of public programs documentary films conferences readings and discussions public issues forums interpretive exhibits oral histories lectures discussions and workshops that the humanities retain the capacity to help foster a communal vision that can revitalize the public life of the nation

*Critical Social Research* Lee Harvey, 2025-07-11 Originally published in 1990 *Critical Social Research* is a unique methodology textbook that provides students lecturers and indeed all those involved in social research with an invaluable illustrative guide The author argues that critical social research offers a perspective and a methodology that transcends divisions between quantitative and qualitative approaches At the heart of critical social research is the idea that knowledge is structured by existing sets of social relations its aim is to provide knowledge that engages with and challenges prevailing oppressive social structures This book is divided into three sections each addressing a different form of oppression those based on class gender and race Case studies from research published for the most part in North America and Britain are used extensively to demonstrate how empirical critical social research has been done The case studies consisting of evaluative summaries of important published research will in themselves form a useful resource for students They reveal a variety of techniques including historical analysis critical ethnography and semiological and structuralist approaches Critical social research is extremely varied and may often appear complex this text provides a cogent explanation of its methodological operation that links epistemological underpinnings to practical techniques

Reclaiming Capital Christopher Gunn, Hazel Gunn, 2018-08-06 Towns without nationally advertised fast food restaurants often eagerly await the day when the golden arches sprout next door to the local car dealership But what really happens to a community with the arrival of the uni burger Christopher Gunn and Hazel Dayton Gunn demonstrate that perhaps three quarters of the money a community spends at its burger emporium will leave the area Poor communities remain poor they assert because local capital tends to be drained off to financial centers corporate accounts and stockholders portfolios In keeping with ecologists injunction to think globally and act locally this imaginative book documents ways in which communities have counteracted constraints of the capitalist economic system and succeeded in promoting democratic control of their resources Taking as one example the local impact of a new McDonald s restaurant Gunn and Gunn first illustrate how capital potentially available for community development may be identified They then explore a variety of alternative institutions credit unions nonprofit corporations and consumers and workers cooperatives among others that serve to attract and retain resources foster growth and extend public control over the development process The authors also consider how grassroots activism for social change may be integrated with more conventional political practice *Reclaiming Capital* will be a vital resource for activists elected officials and others concerned with urban and regional planning

**Critical Theory and Methodology** Raymond A. Morrow, Raymond Allen Morrow, David D. Brown, 1994-06-24 *Critical Theory* traces its roots from Marxism through the renowned Frankfurt School to a wide array of national and cultural traditions Raymond Morrow s book traces the history and

outlines the major tenets of critical theory for an undergraduate audience. He exemplifies the theory through an analysis of two leading social theorists, Jürgen Habermas and Anthony Giddens. Unique to this volume is the emphasis on the link between Critical Theory and empirical research and social science methodology, often thought to be incompatible.
