## **Radically Unchurched Who They Are And How To Reach Them:**

**Radically Unchurched** Alvin L. Reid, This book is an alarming look at today's church and how it must reverse its failure to reach an unchurched culture Alvin L Reid examines the causes behind the change from America's Christian identity and the resulting failure of the American church to understand and utilize the New Testament pattern of penetrating an indifferent culture with the gospel

*Evangelism Handbook* Alvin Reid, 2009 A thoroughly updated overview of how evangelism should happen detailing the work of the Great Commission in four key categories biblical spiritual intentional missional

**Raising the Bar** Alvin L. Reid, 2002 Two thirds of today's teens are interested in having a meaningful relationship with God yet less than one third of them are active in a local church These statistics indicate that it is time to change how the church does youth ministry and this compelling book provides an impassioned plea for the church to set higher standards for ministry to teens and their families

**The Complete Evangelism Guidebook** Scott Dawson, 2008-06 This comprehensive resource includes contributions from well known evangelists such as Rick Warren Josh McDowell and Luis Palau on everything a person needs to know about sharing his or her faith

*Education Is Discipleship: So Who's Really Discipling Your Kids?* Dr. Christy Anderson, 2016-06-05 This book demonstrates how and why biblical discipleship has been abandoned by a significant majority of Christian parents and church leaders A catastrophic failure to fulfill the Great Commission to make disciples who can effectively pass on the Good News sound doctrine and a biblical worldview to future generations is the result The adoption of secular philosophies of education age segregation the creation of adolescence the formation of youth ministry the adoption of a teen subculture and a fundamental rejection of practical aspects of the doctrine of sola Scriptura are at the heart of the problem Warnings from Christians who wrote on this topic over the past 150 years have now become a manifest reality with devastating results The only way to overcome this discipleship cataclysm is to go back to a biblical philosophy of education both in the home and in the church

**THE FUNDAMENTALS OF THE CHRISTIAN FAITH** Edward D. Andrews, Reuben Archer Torrey, 2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy

Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word of God Many conservative Christians have been doing their best to defend God s Word Herein THE FUNDAMENTALS OF THE CHRISTIAN FAITH puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies THE EVANGELISM HANDBOOK Edward D. Andrews,2017-01-07 BIBLICAL CRITICISM Edward D. Andrews,F. David Farnell,Thomas Howe,Thomas Marshall,Dianna Nedwman,2017-10-29 *Join the Movement* Alvin L. **Marks of a Movement** Winfield Bevins, 2019-09-10 Marks of a Movement calls us back to the disciple making mandate of the church through the timeless wisdom of John Wesley and the Methodist movement With a love for history and a passion for today's church Winfield helps us reimagine church multiplication in a way that focuses on making and multiplying disciples for the twenty first century Winfield Bevins reminds us of the vital multiplication lessons from the Wesleyan movement one of the greatest missional movements the world has ever known He highlights the necessity of discipleship as the starting point and the abiding strategic practice that is key to all lasting missional impact in and through movements The Methodist movement is an example of the power of multiplying movements that utilize the strategy of discipleship Within a generation one in thirty people who were living in Britain had become Methodists and the movement soon became a worldwide phenomenon We in the Western Church need a movement of historic proportions once again What would such a multiplication movement look like for us today We must look to the past to gain wisdom for the future And as we look at the pages of church history there is no better example of a multiplication movement in the West than the Methodist movement of the eighteenth and nineteenth centuries Marks of a Movement highlights the lessons and key insights that enable us to learn from the past and reapply this timeless biblical wisdom for today

**DEVELOPING HEALTHY CHURCHES** Kieran Beville, 2014-12-10 In an age obsessed with physical and psychological health the author emphasizes the importance of spiritual well being as an essential element of holistic health for the individual Christian and for Christian communities This work constitutes a template for a spiritual audit of the local church It offers an appointment with the Great Physician that no Christian can afford to ignore Developing Healthy Churches A Case Study in Revelation begins with a well researched outline of the origins and development of the church health movement With that background in mind the author

aware that throughout the history of the church there have been a number of diverse views about how Revelation ought to be interpreted presents the reader with four distinct interpretive models These are the idealist preterist historicist and futurist Beville explains these interpretive approaches simply and critiques them fairly Revelation is a complex but intriguing book which presents seven letters to the churches of Asia Minor However this easy to read work will take readers to the heart of the matter by taking them to the heart of Jesus The historical and cultural background provides fascinating insights to the meaning of Christ s words to those churches then and to all churches now The author elicits essential application for the church today He presents timeless and timely truths in a fresh and forthright manner The reader is informed about issues of particular historical significance in a way that has contemporary resonance Here is a work that cautions about complacency confronts compromise and challenges the carnality of Christians in contemporary culture Beville tells us not only what Jesus desires from his disciples but also what He demands Thus this work presents uncomfortable truth for comfortable churches because it allows the voice of Jesus to be heard with clarity amongst the clamor of church activity Christians who want to restore their vision and vigor will find this book immensely profitable **BIBLE DIFFICULTIES Exodus** Edward D.

Andrews,2016-09-20 **The Sending Church** Pat Hood,2013-10-01 When crowds refused to disperse at Elvis Presley concerts in hopes of another encore from the king of rock and roll the announcement that Elvis has left the building had to be made Pastor Pat Hood recalls from childhood one such performance that came to his hometown and with his new book *The Sending Church* he makes a similar declaration The church must leave the building Indeed our lives should be sent in worship to the King of kings spreading out from our weekly gathering places to extend God s Kingdom worldwide To that end Pastor Hood shares stories from his experiences at LifePoint Church a congregation with smalltown roots that has also planted churches in Bangkok Thailand and Brussels Belgium among other places How does man s heart move closer to God s heart How do we live sent in our community or halfway around the world What good things that happen in church life might actually threaten to obscure the greater things being orchestrated by God How does everyone at church move from being a member to a missionary Find out in *The Sending Church* **GALATIANS: A verse-by-verse outline and commentary of Paul's Letter to the Galatians** Christy Anderson,2012-03-15 This book is Volume I of a two volume set Volume I is an analytical examination of Paul s letter to the Galatians It contains both an amplified version of the text with detailed footnotes as well as a commentary section It is intended to be used in conjunction with Volume II that contains a Sermon Series through Galatians with thought provoking discussion questions designed for individual or small group study Together both books allow the reader to make a complete interpretive journey by first discovering the original meaning of the text Volume I and then crossing the interpretive bridge to make personal application of the text Volume II **The Gospel According to Christ** Mark A. Stelter,2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a

wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians
