too often have remained anonymous to historians but whose stories are just as important as those of leaders whose lives we study in our classrooms This book provides specific details to enable comprehensive understanding of the benefits and downsides of each trade and profession discussed Selected accompanying documents further bring history to life by offering vivid testimonies from people who actually worked in these occupations or interacted with those in that field Conversion Table of Code and Title Changes, Third to Fourth Edition, Dictionary of Occupational Titles United States Employment Service,1979 *Dictionary of Occupational Titles* ,1949 Supplement to 3d ed called Selected characteristics of occupations physical demands working conditions training time issued by Bureau of Employment Security **Popular Radio** Kendall Banning,1925 *Dictionary of Occupational Titles.
