Rafael Bielsa Desde El Sur:

AMLO y la 4T Hernán Gómez Bruera, 2021-05-26 Si atendí ramos sólo a la oposición partidista a la comentocracia que campea por los medios o a los sectores más virulentos de las redes sociales creeríamos que la opinión sobre Andrés Manuel López Obrador está dividida en dos bloques homogéneos de rechazo categórico o aceptación incondicional. No obstante hay otra manera de entender el fenómeno. Desde una postura de simpatía crítica el autor de este libro transita por la trayectoria política de López Obrador los puntos más altos de su gestión en la Presidencia como el combate frontal a la corrupción y a los grupos de interés los programas sociales o las políticas laborales y aborda su relación de diálogo y enfrentamiento con los representantes del poder económico los medios de comunicación los organismos autónomos y las organizaciones de la sociedad civil. El lector escéptico podrá encontrar el retrato de un hombre de claroscuros complejo y pragmático y de un movimiento sustentado en una variedad de agrupaciones sociales y alianzas políticas. Una lectura indispensable para conocer nuestra actualidad nacional y formarse una opinión más allá de los lugares comunes. En un ambiente político polarizado y contaminado el ejercicio intelectual en el que se aventura Hernán Gómez Bruera invita a la reflexión a partir del análisis alejándose de la condena o la absolución del obradorismo dictadas por el prejuicio o el dogma. Ren Delgado. Una mirada cercana al obradorismo y a López Obrador político y presidente. Un texto convocante gil y agudo que abre vistas inusuales de un fenómeno político muy singular. Blanca Heredia. *Cooperación Sur-Sur para el desarrollo*: Élodie Brun, 2021-10-20 Este libro propone reflexiones sobre las prácticas estatales de la cooperación internacional para el desarrollo desde América Latina y el Caribe. A partir de los casos de Argentina Brasil Colombia Cuba y México expertos académicos y de la función pública ofrecen perspectivas diferentes sobre la cooperación Sur-Sur CSS. El objetivo de esta reflexión colectiva es proporcionar información empírica sobre esta modalidad de inserción internacional empleada por varios países de la región. En esta obra se aborda el marco legal y principista de la cooperación antes de proponer un análisis acerca de tres temáticas privilegiadas de la CSS en América Latina y el Caribe: educación con enfoques en la educación superior salud e infraestructuras. Los diferentes capítulos se concentran en el periodo de bonanza de la CSS en la región.

Cuadernos Argentina reciente, 2005. La política después de los partidos Isidoro Cheresky, 2006. *Diálogos con Bruno: revisitando la obra intelectual de Alfredo Bruno* Bologna sobre la cuestión Malvinas Federico Martín Gómez, 2025-07-15 Por qué escribir un libro sobre el labor académico e intelectual del Doctor Alfredo Bruno Bologna sobre la Cuestión Malvinas. El Doctor Alfredo Bruno Bologna el Profesor Bologna o tan simplemente Bruno como muchos de nosotros lo hemos llamado es nuestro actor sujeto objeto de investigación en este libro puntualmente sus aportes a la construcción de Malvinas desde lo académico intelectual y humano siendo contribuyente en el abordaje de la evolución de la misma de causa a Cuestión. Hoy transcurridos diez años de su partida su presencia es notable. Papeles académicos tesis documentos oficiales apuntes libros notas en diarios revistas académicas e incluso cafés donde se gestan procesos intelectuales sobre Malvinas lo tiene a él como protagonista. Esta obra tiene como objetivo visibilizar

y proyectar hacia las nuevas generaciones de Investigadores de Malvinas todo lo realizado aportado construido y compartido por Bruno hacia la Cuestión Malvinas. Esperamos que ustedes lectores continúen el camino trazado por quien es el basamento insoslayable de este recorrido. En este año 2025 nosotros los integrantes de su Red Federal de Estudios sobre Malvinas ReFEM 2065 de la cual no fue propietario sino participe como un par lo recordamos y proyectamos hacia las nuevas generaciones buscando que todo por lo gestado continúe su objetivo construir académica e intelectualmente el tema Malvinas en pos de nuestros derechos soberanos sobre la Cuestión Malvinas dirigido todo a la edificación y apropiación ciudadana de Malvinas hacia las próximas generaciones de argentinos. Este es nuestro humilde homenaje a Bruno el padre de la investigación académica en nuestro país de la Cuestión Malvinas.

Traición en Palacio Hernán Gómez Bruera, 2023-06-26. Antes de finalizar el tercer año de su gobierno Andrés Manuel López Obrador apartó de su equipo disfrazando el hecho como una salida amistosa a Julio Scherer Ibarra uno de sus hombres de mayor confianza e hijo de uno de los periodistas más reconocidos en la historia reciente de México. Nunca se explicaron los verdaderos motivos y este hecho tampoco tuvo la resonancia que merecía a pesar de que quien se iba era quizá el segundo hombre más poderoso del país en ese momento. A partir de una acuciosa investigación Hernán Gómez Bruera, analista político periodista y entrevistador, detalla que detrás de esa salida se escondía un historial de traición tanto a la memoria de su padre como a la narrativa central del movimiento político que lo llevó al poder: erradicar la corrupción y separar el poder económico del poder político. Traición en Palacio es por un lado la historia del todopoderoso exconsejero jurídico que aprovechó su posición privilegiada en el gobierno para controlar buena parte del sistema de justicia en México y por el otro una denuncia de los mecanismos de corrupción en el Poder Judicial con los que se fabrican culpables y se vende impunidad: una detallada descripción de un modus operandi que la 4T no ha logrado erradicar.

La Unión Africana en la política exterior Argentina Pablo Exequiel Virasoro, 2024-03-01. Se trata de un ensayo detallado que analiza las relaciones de Argentina con África. Examina la historia de las instituciones africanas, los enfoques previos de nuestro país y ofrece información valiosa sobre las acciones diplomáticas argentinas en África en los últimos quince años. Este trabajo es una herramienta importante para los responsables de la política exterior argentina ya que proporciona conocimientos clave para desarrollar una política africana más sólida. Además promueve la idea de que Argentina puede ampliar sus oportunidades en África mediante la cooperación técnica y la participación empresarial en lugar de depender exclusivamente de las grandes potencias occidentales. Dado su enfoque técnico y su valor informativo sobre África, este ensayo es esencial para quienes se interesan en las relaciones internacionales y es un recurso imprescindible para los tomadores de decisiones en política exterior.

Malvinas Ignacio Gutiérrez Bróndolo, 2013. La matriz de esta publicación proviene de un trabajo final de tesis. Page 16

La Cuestión Malvinas: una hoja de ruta Agustín Romero, 2020-05-01. Para analizar la Cuestión Malvinas este libro aborda siete períodos gubernamentales y recorre las diferentes alternativas que en materia de política exterior han sido puestas en juego en torno a la soberanía de las islas. Desde la restauración democrática hasta el final

del gobierno de la alianza Cambiemos las administraciones nacionales han asumido el reclamo sobre los derechos de las Malvinas desde dos perspectivas por un lado las relaciones bilaterales con el Reino Unido y por el otro el camino de los organismos multilaterales Indistintamente del partido político que haya tenido cada una de las administraciones argentinas analizadas en este trabajo todas recurrieron a la Organización de las Naciones Unidas En todo caso los cambios que se observan de una gestión a otra en esta materia responden más a los diferentes perfiles de quienes llevan a cabo las estrategias que a una modificación sustancial de la política exterior

Patagonia vigilada. Chile en la Guerra de las Malvinas / Falklands Iván Martinic, 2023-08-31 2 de abril de 1982 Argentina ocupa las Islas Malvinas Falklands para poner fin a lo que considera una histórica usurpación por parte del Reino Unido Las alertas saltan no solo en un Londres tomado por sorpresa sino también en Chile que a tres años de la casi guerra por el Beagle y en medio de una estancada mediación papal siente que ser el próximo objetivo de Buenos Aires A 40 años del conflicto Martinic arma el rompecabezas de la participación Chile en la Guerra de las Islas Falklands Malvinas reuniendo piezas que por décadas han permanecido dispersas sin cobrar su cabal significado Recopila en el libro las principales actuaciones del gobierno de Augusto Pinochet y sobre todo de la Fuerza Armada y de la Armada de Chile las instituciones que más se involucraron en el apoyo al Reino Unido

South America and Peace Operations Kai Michael Kenkel, 2013-07-18 This volume is the first English language work to focus specifically on South America in the context of peace operations The region of South America has been undergoing significant changes recently with regard to its attitudes towards participation in peace operations Leaving behind a strong reluctance with regard to intervention the states have recently taken on a much stronger presence among UN peacekeepers The foremost showcase of this more robust and responsible stance has been MINUSTAH the current UN mission in Haiti South American contributors provide over half the operation's troops and the Force Commander is provided by Brazil This book is intended as an introduction for researchers to the nexus of issues surrounding South America's increasing influence as a contributor to peace operations The authors provide the reader with a historically and theoretically grounded understanding of what motivates defence policy and decisions on intervention in the region Featuring contributions from prominent thinkers in the field and a broad range of case studies this volume successfully combines practical applicability with diversity of analysis This book will be of much interest to students of peacekeeping South American politics peace and conflict studies security studies and International Relations in general
