Thy father was delighted and cried out to the servant, 'Give him a hundred and three gold pieces with a robe of honour!' The man obeyed his orders, and I awaited an auspicious moment, when I blooded him; and he did not balk me; nay he thanked me and I was also thanked and praised by all present. When the blood-letting was over I had no power to keep silence and asked him, 'By God, O my lord, what made thee say to the servant, Give him an hundred and three dinars?'; and he answered, 'One dinar was for the astrological observation, another for thy pleasant conversation, the third for the phlebotomisation, and the remaining hundred and the dress were for thy verses in my commendation.' 'May God show small mercy to my father,' exclaimed I, 'for knowing the like of thee.' ❧

Ragged but Right Lynn Abbott, Doug Seroff, 2009-09-17 The commercial explosion of ragtime in the early twentieth century created previously unimagined opportunities for black performers However every prospect was mitigated by systemic racism The biggest hits of the ragtime era weren't Scott Joplin's stately piano rags Coon songs with their ugly name defined ragtime for the masses and played a transitional role in the commercial ascendancy of blues and jazz In *Ragged but Right* Lynn Abbott and Doug Seroff investigate black musical comedy productions sideshow bands and itinerant tented minstrel shows Ragtime history is crowned by the big shows the stunning musical comedy successes of Williams and Walker Bob Cole and Ernest Hogan Under the big tent of Tolliver's Smart Set Ma Rainey Clara Smith and others were converted from coon shouters to blues singers Throughout the ragtime era and into the era of blues and jazz circuses and Wild West shows exploited the popular demand for black music and culture yet segregated and subordinated black performers to the sideshow tent Not to be confused with their nineteenth century white predecessors black tented minstrel shows such as the Rabbit's Foot and Silas Green from New Orleans provided blues and jazz heavy vernacular entertainment that black southern audiences identified with and took pride in

Blacksound Matthew D. Morrison, 2024-03-26 A new concept for understanding the history of the American popular music industry Blacksound explores the sonic history of blackface minstrelsy and the racial foundations of American musical culture from the early 1800s through the turn of the twentieth century With this namesake book Matthew D Morrison develops the concept of Blacksound to uncover how the popular music industry and popular entertainment in general in the United States arose out of slavery and blackface Blacksound as an idea is not the music or sounds produced by Black Americans but instead the material and fleeting remnants of their sounds and performances that have been co-opted and amalgamated into popular music Morrison unpacks the relationship between performance racial identity and intellectual property to reveal how blackface minstrelsy scripts became absorbed into commercial entertainment through an unequal system of intellectual property and copyright laws By introducing this foundational new concept in musicology Blacksound highlights what is politically at stake for creators and audiences alike in revisiting the long history of American popular music

The Original Blues Lynn Abbott, Doug Seroff, 2017-02-27 Blues Book of the Year Living Blues Association of Recorded Sound Collections Awards for Excellence Best Historical Research in Recorded Blues Gospel Soul or R the shadowy prehistory and early development of the blues is illuminated detailed and given substance At the end of the nineteenth century vaudeville began to replace minstrelsy as America's favorite form of stage entertainment Segregation necessitated the creation of discrete African American vaudeville theaters When these venues first gained popularity ragtime coon songs were the standard fare Insular black southern theaters provided a safe haven where coon songs underwent rehabilitation and blues songs suitable for the professional stage were formulated The process

was energized by dynamic interaction between the performers and their racially exclusive audience The first blues star of black vaudeville was Butler String Beans May a blackface comedian from Montgomery Alabama Before his bizarre senseless death in 1917 String Beans was recognized as the blues master piano player of the world His musical legacy elusive and previously unacknowledged is preserved in the repertoire of country blues singer guitarists and pianists of the race recording era While male blues singers remained tethered to the role of blackface comedian female coon shouters acquired a more dignified aura in the emergent persona of the blues queen Ma Rainey Bessie Smith and most of their contemporaries came through this portal while others such as forgotten blues heroine Ora Criswell and her prot g Trixie Smith ingeniously reconfigured the blackface mask for their own subversive purposes In 1921 black vaudeville activity was effectively nationalized by the Theater Owners Booking Association T O B A In collaboration with the emergent race record industry T O B A theaters featured touring companies headed by blues queens with records to sell By this time the blues had moved beyond the confines of entertainment for an exclusively black audience Small time black vaudeville became something it had never been before a gateway to big time white vaudeville circuits burlesque wheels and fancy metropolitan cabarets While the 1920s was the most glamorous and remunerative period of vaudeville blues the prior decade was arguably even more creative having witnessed the emergence popularization and early development of the original blues on the African American vaudeville stage
